To Accompany English Grammar in Use Fifth Edition Icon Books

Word Power: Phrasal Verbs and Compounds is a textbook for guided self-learning intended for post-intermediate and advanced learners of English. It contains some 1,100 phrasal compounds used with 17 particles/prepositions which combine with some 500 different verbs, nouns and adjectives. Numerous glosses allow the teacher to use it in very heterogeneous classes. Thanks to cognitive linguistics the material is organized around each particle giving the students an astonishing insight into the networks of metaphorical meanings of each particle. Furthermore, the book implements the most important findings and techniques in the field of learning a foreign language. This textbook will be a valuable companion for teachers and students.

Rapport 00000000

'Laurence Alison is one of my academic heroes. He does what every writer longs to do. He makes the difficult clear - without losing his rigour.'

Malcolm Gladwell 'They are quietly revolutionising the study and practice of interrogation... Their findings are changing the way law enforcement and security agencies approach the delicate and vital task of gathering human intelligence.' Guardian Get what you want from even the most difficult characters All of us have to deal with difficult people. Whether we're asking our neighbour to move a fence or our boss for a pay rise, we can struggle to avoid arguments and get what we want. Laurence and Emily Alison are world leaders in forensic psychology, and they specialise in the most difficult interactions imaginable: criminal interrogations. They advise and train the police, security agencies, the FBI and the CIA on how to deal with extremely dangerous suspects when the stakes are high. After 30 years' work - and unprecedented access to 2,000 hours of terrorist interrogations - they have developed a ground-breaking model of interpersonal communication. This deceptively simple approach to handling any encounter works as well for teenagers as it does for terrorists. Now it's time to share it with the world. Rapport reveals that every interaction follows four styles: Control (the lion), Capitulate (the mouse), Confront (the Tyrannosaur) and Co-operate (the monkey). As soon as you understand these styles and your own goals you can shape any conversation at will. And you'll be closer to the real secret: how to create instant rapport.

About Language 00000000

The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering "just the facts" on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward

The Four Ways to Read People Cambridge University Press

Penguin Readers is an ELT graded reader series. Please note that the eBook edition does NOT include access to the audio edition and digital book.

Written for learners of English as a foreign language, each title includes carefully adapted text, new illustrations and language learning exercises.

Titles include popular classics, exciting contemporary fiction, and thought-provoking non-fiction, introducing language learners to bestselling authors and compelling content. The eight levels of Penguin Readers follow the Common European Framework of Reference for language learning (CEFR).

Exercises at the back of each Reader help language learners to practise grammar, vocabulary, and key exam skills. Before, during and after-reading questions test readers' story comprehension and develop vocabulary. Pig-Heart Boy, a Level 4 Reader, is A2+ in the CEFR framework. The text is made up of sentences with up to three clauses, introducing more complex uses of present perfect simple, passives, phrasal verbs and simple relative clauses. It is well supported by illustrations, which appear regularly. Cameron Kelsey is 13 years old. He is not well and needs a new heart. Doctors want to give him a pig's heart. Cameron cannot decide if he wants the pig's heart, and some groups are very angry about doctors using animals in this way. Visit the Penguin Readers website Register to access online resources including tests, worksheets and answer keys. Exclusively with the print edition, readers can unlock a digital book and audio edition (not available with the eBook).

English Collocations in Use: Advanced Createspace Independent Publishing Platform

This book has been written as a learning aid for EFL students (English as a Foreign Language). It is geared towards upper-intermediate and advanced students, and the first half goes over the most common verbs (e.g. come, bring, put, and make) while the second half runs through the most common prepositions (e.g. up, down, with, and on). The phrasal verbs are grouped together to make them sink in quicker. Multiple images are included in every chapter to draw out the various shades of meaning and to make the words easier to memorize. Each chapter has at least one vocabulary table, one micro-text, one short exercise, and several striking images. At the end of the book, the vocabulary is revised in a number of exercises for antonyms and synonyms. For learners who are hungry for extra resources, there is a playlist on YouTube with almost 100 video lessons ('Learn Phrasal Verbs') that focus on the same vocabulary. This coursebook, combined with the videos, is ideal for self-study, but it could also be used in the classroom.

The Blue Book of Grammar and Punctuation Random House

FROM THE AUTHOR OF THE SUNDAY TIMES NUMBER ONE BESTSELLER THE ETYMOLOGICON. 'An informative but highly entertaining journey through the figures of rhetoric ... Mark Forsyth wears his considerable knowledge lightly. He also writes beautifully.' David Marsh, Guardian. Mark Forsyth presents the secret of writing unforgettable phrases, uncovering the techniques that have made immortal such lines as 'To be or not to be' and 'Bond. James Bond.' In his inimitably entertaining and witty style, he takes apart famous quotations and shows how you too can write like Shakespeare, Oscar Wilde or John Lennon. Crammed with tricks to make the most humdrum sentiments seem poetic or wise, The Elements of Eloquence reveals how writers through the ages have turned humble words into literary gold - and how you can do the same.

Oxford English Dictionary 00000000

The Oxford Guide to English Grammar is a systematic account of grammatical forms and the way they are used in modern standard English. It is designed for learners at intermediate and advanced levels and for teachers, and is equally suitable for quick reference to details or for the moreleisurely study of grammatical topics. The emphasis is on meaning in the choice of grammatical pattern, and on the use of patterns in texts and in conversations.

Microadventures: Local Discoveries for Great Escapes Cambridge University Press

David Crystal's classic English as a Global Language considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.
