Stewart shows for the first time how four of the biggest names on Wall Street - Michael Milken, Ivan Boesky, Martin Siegel, and Dennis Levine - created the greatest insider-trading ring in financial history and almost walked away with billions - until a team of downtrodden detectives triumphed over some of America's most expensive lawyers to bring this powerful quartet to justice. Den of Thieves (Audiobook) by James B. Stewart | Audible.com Instead, in Den of Thieves—which takes its title from the passage in the New Testament where Jesus cleanses the Temple of the Jewish moneychangers—James B. Stewart retells the Milken story in terms of the same unsubstantiated leaks that made up the 98-count indictment which the prosecutors lacked the confidence to take to trial. Having been used as a conduit by the prosecutors, Stewart now assumes that the leaks planted on him were true. Den of Thieves, by James B. Stewart - Commentary James B.
