No one looks kindly on the killer of a king. "Fast-paced and refreshing." – SLJ, starred review "The perfect blend of history and dark fantasy." – Mary Taranta, author of *Shimmer and Burn* "Thrilling, romantic, and addictive." – Rosalyn Eves, author of *Blood Rose Rebellion* "The only cure is to finish it." – Lyndsay Ely, author of *Gunslinger Girl* After unwittingly helping her mother poison King Louis XIV, seventeen-year-old alchemist Mirabelle Monvoisin is forced to see her mother's Shadow Society in a horrifying new light: they're not heroes of the people, as they've always claimed to be, but murderers. Herself included. Mira tries to

ease her guilt by brewing helpful curatives, but her hunger tonics and headache remedies cannot right past wrongs or save the dissenters her mother vows to purge. Royal bastard Josse de Bourbon is more kitchen boy than fils de France. But when the Shadow Society assassinates the Sun King and half of the royal court, he must become the prince he was never meant to be in order to save his injured sisters and the petulant dauphin. Forced to hide in the sewers beneath the city, Josse's hope of reclaiming Paris seems impossible—until his path collides with Mirabelle's. She's a deadly poisoner. He's a bastard prince. They are sworn enemies, yet they form a tenuous pact to unite the commoners and former nobility against the Shadow Society. But can a rebellion built on mistrust ever hope to succeed? *Have the Relationship You Want* Metuchen, N.J. : Scarecrow Press

One of Hollywood's first openly Latin stars, Jennifer Lopez has held fast to her New York Bronx roots, while rising above them to become the highest paid Latina actress in history. Her expansive body of work—ranging from film, music, and dance to television production and fashion—has broken down long-standing racial barriers and earned her a place in Forbes' 2007 list of the Top 20 Richest Women in Entertainment. In spite of several box office and a dramatic personal life that has made her the frequent target of tabloid gossip, this determined artist has managed to retain her place at the top of her field and stands poised to make more significant contributions to the entertainment industry. Since bursting into the spotlight with her portrayal of deceased Latin superstar Selena in 1997, Jennifer Lopez has captivated the public eye and carved a niche for herself among Hollywood's elite. become the highest paid Latina actress in history. Her expansive body of work-ranging from film, music, and dance to television production and fashion-has broken down long-standing racial barriers and earned her a place in Forbes' 2007 list of the Top 20 Richest Women in Entertainment. Her dramatic personal life-highlighted by a relationship with bad-boy Sean Puffy Combs, two divorces, a highly-publicized broken engagement to Ben Affleck, and marriage to Latin singer Marc Anthony-has earned her as much attention as her career and made her a frequent subject of tabloid gossip. Negative press and several box office flops, however, have done little to diminish J.Lo's popularity. This determined artist has managed hold her place at the top of her field and stand poised to make more important contributions to the entertainment industry. Hollywood journalist Kathleen Tracy explores Jennifer Lopez as both an individual and an entertainer, chronicling the triumphs and pitfalls of her groundbreaking career and intriguing personal life. 'A tender second-chance romance. Rachel Armstrong has a fresh, unique voice.' - USA Today bestselling author Alyssa J. Montgomery
Amidst pristine beaches, gorgeous hikes and breathtaking sunsets in the Whitsundays, can Mirabella convince the man she's always loved to open his heart to her and her child? All Mirabella Goldring wants is a family. So when she falls pregnant to her boyfriend of six months, it's not the end of the world. Until she arrives in Sydney to surprise him and is met by his wife. Pregnant, alone, and facing her biggest fear-becoming a single mother-Mirabella heads back to the airport to return home to Melbourne. The last person she expects to encounter is her high school sweetheart, now

millionaire CEO, Lincoln Crawford. Lincoln is also down on his luck.

Recently separated from his wife, he has given up his dreams of a family and is ready to live a life of solo adventure; starting with a trip to the Whitsundays originally planned for two. But when he runs into the girl he let get away ten years ago, he impulsively invites her to come with him. A tropical vacation with an old friend who looks like she needs cheering up sounds perfect. When sparks start to fly, both Mirabella and Lincoln wonder if this might be something more. But there's one problem: After his own cold childhood living with a stepfather who didn't love him, Lincoln swore he would never adopt another man's child ... and Mirabella is now a package deal.

The Summer Twins are steamy, contemporary romances which introduce you to the Summer Family. Men you would love to have as your own, and women you'd love to have as friends. If you like low to medium angst, some laughs, a good plot with open-door spice, and happily ever afters, this

series is for you! Loving Summer Book One Kate Summer Spending my free time volunteering and looking after my elderly neighbor doesn't leave much time for a relationship, but I don't mind-it makes me happy. Past relationships have eroded my trust and shown me it's always better to focus on everyone else's happiness. ... until Oliver. He's the hottest, most generous man I've ever met. He sees something in me no other man ever has before. I can't forget him, and I don't understand why, because he's way out of my league. Can I move beyond past hurts to have a future with him? Second Chance Summer Book Two Toby Summer I've wanted to be the one to kiss Cassia Phillips since I was sixteen years old. Her chestnut hair and graphite-colored eyes, along with her pouty lips and sexy curves, have been the highlight on my fantasy reel. I was my own worst enemy back then. Too shy and socially inept to have the courage to go after the girl. Ten years later, I'm successful beyond my wildest dreams, my self-confidence is stronger than ever, and I won't let

anything get in the way of my second chance to have something with the woman of my dreams. Can I convince Cassia to open her heart to me? **Yachting** Simon and Schuster
NEW YORK TIMES BESTSELLER • From the pages of Vogue to the runways of Paris, this “captivating” (Time) memoir by a legendary style icon captures the fashion world from the inside out, in its most glamorous and most cutthroat moments. “The Chiffon Trenches honestly and candidly captures fifty sublime years of fashion.”—Manolo Blahnik
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • Fortune • Garden & Gun • New York Post
During André Leon Talley’s first magazine job, alongside Andy Warhol at Interview, a fateful meeting with Karl Lagerfeld began a decades-long friendship with the enigmatic, often caustic designer. Propelled into the upper echelons by his knowledge and adoration of fashion, André moved to Paris as bureau chief of John Fairchild’s Women’s Wear Daily, befriending fashion's most important designers (Halston, Yves Saint Laurent, Oscar de la

Renta). But as André made friends, he also made enemies. A racially tinged encounter with a member of the house of Yves Saint Laurent sent him back to New York and into the offices of Vogue under Grace Mirabella. There, he eventually became creative director, developing an unlikely but intimate friendship with Anna Wintour. As she rose to the top of Vogue’s masthead, André also ascended, and soon became the most influential man in fashion. The Chiffon Trenches offers a candid look at the who’s who of the last fifty years of fashion. At once ruthless and empathetic, this engaging memoir tells with raw honesty the story of how André not only survived the brutal style landscape but thrived—despite racism, illicit rumors, and all the other challenges of this notoriously cutthroat industry—to become one of the most renowned voices and faces in fashion. Woven throughout the book are also André’s own personal struggles that impacted him over the decades, along with intimate stories of those he turned to for inspiration (Diana Vreeland, Diane von Fürstenberg, Lee

Radziwill, to name a few), and of course his Southern roots and faith, which guided him since childhood. The result is a highly compelling read that captures the essence of a world few of us will ever have real access to, but one that we all want to know oh so much more about.

Geyer's Stationer Abrams
The First Day in Paradise tells the story of a young orphaned family who have been passed on from one set of relations to another, and whose eldest sibling, Adam, becomes enthralled by the impending opening nearby of a gigantic and beautiful shopping-mall by a flamboyant entrepreneur. To the consternation of his aunt and uncle, who run a small business, he joins the staff of one of its stores, and begins a dizzying ascent through the ranks, until circumstances induce him to question whether his entire value-system has become corrupted. Functioning both as social-economic critique, and as a personal moral fable about the conjuration of ambition from present-day consumer culture, The First Day in Paradise is an engrossing and layered

tale loosely modelled on Dante's Paradiso, but most of all it's simply a great read.

The glamorous world of a silent film star's wife abruptly crumbles when she's forcibly quarantined at the Carville Lepers Home in this page-turning story of courage, resilience, and reinvention set in 1920s Louisiana and Los Angeles. Based on little-known history, this timely book will strike a chord with readers of Fiona Davis, Tracey Lange, and Marie Benedict. Based on the true story of America's only leper colony, *The Second Life of Mirielle West* brings vividly to life the Louisiana institution

known as Carville, where thousands of people were stripped of their civil rights, branded as lepers, and forcibly quarantined throughout the entire 20th century. For Mirielle West, a 1920's socialite married to a silent film star, the isolation and powerlessness of the Louisiana Leper Home is an unimaginable fall from her intoxicatingly chic life of bootlegged champagne and the star-studded parties of Hollywood's Golden Age. When a doctor notices a pale patch of skin on her hand, she's immediately branded a leper and carted hundreds of miles from home to Carville, taking a new name to spare her family and famous husband the shame that accompanies the disease. At first she hopes her exile will be brief, but those sent to Carville are more prisoners than patients and their disease has no cure. Instead she must find community and purpose within its walls, struggling to redefine her self-worth while fighting an unchosen fate. As a registered nurse, Amanda Skenandore's medical background adds layers of detail and authenticity to the experiences of patients and medical

professionals at Carville – the isolation, stigma, experimental treatments, and disparate community. A tale of repulsion, resilience, and the Roaring '20s, *The Second Life of Mirielle West* is also the story of a health crisis in America's past, made all the more poignant by the author's experiences during another, all-too-recent crisis. PRAISE FOR AMANDA SKENANDORE'S BETWEEN EARTH AND SKY "Intensely emotional...Skenandore's deeply introspective and moving novel will appeal to readers of American history." —Publishers Weekly

Make Every Man Want You Forever

Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's *In the Time of the Butterflies* is "beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo." (Concepción de León, *New York Times*) Alvarez's new novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of *Las Mariposas*—the *Butterflies*. In this extraordinary novel, the voices of all four sisters--

Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred *Butterflies* live again in this novel of courage and love, and the human costs of political oppression. "Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas."—Francisco Cantú, *The New York Times Book Review* "This Julia Alvarez classic is a must-read for anyone of Latinx descent." —Popsugar.com "A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion." —People "Shimmering . . . Valuable and necessary." —Los Angeles Times "A magnificent treasure for all cultures and all time." —St. Petersburg Times "Alvarez does a remarkable job illustrating

the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed."—Cosmopolitan.com
