## ANNA CLARE

---

*Southern France* Random House  
 For students of the French language beyond the beginning level, explains a number of aspects of modern French life that are not covered in simple bilingual dictionaries. Avoids the information contained in tourist gazetteers or culinary references to focus on terms that arise in such material as *Le Point*, *Le Monde*, and *L'Express*, where readers are assumed to know what they mean. Well cross-referenced. Annotation copyrighted by Book News, Inc., Portland, OR  
*The Essential Guide for Driving in France* Michelin Travel Publications  
*The Roman Remains of Southern France* is the only specialist guidebook to this region available. It is the result of the most up-to-

date research. Comprehensive in coverage, it provides depth and context while evoking the distinctive atmosphere of the place. The book is easy to use, with a large number of maps, site plans and photographs and it will enable the traveller to explore the major cultural contribution made by the Romans to this part of France.

*The World Map Directory 1989* Michelin  
 An "innovative" (*The New Yorker*) retelling of the story of Dracula. Told with the flourish and poise of a talented storyteller, Kostova turns the age-old tale into a compelling "late night page-turner" (*San Francisco Chronicle*) When a young woman discovers a cache of ancient letters, she is thrown into the turbulent history of her parents' dark pasts. Uncovering a labyrinthine trail of clues, she begins to reconstruct a staggering history of deceit and violence. Debut novelist Elizabeth

Kostova creates an adventure of monumental proportions, a relentless tale that blends fact and fantasy, history and the present, with an assurance that is almost unbearably suspenseful and utterly unforgettable.

### **The Rough Guide to the Pyrenees**

Taylor & Francis  
 Provides a wealth of practical information on planning your visit - shopping, dining out, accommodation and seasonal events. Recommended sights and excursions for exploring destinations near and far, all graded to Michelin's renowned star system. Maps and town plans from Michelin's respected cartographers. Beautiful full colour illustrations and photographs throughout.  
*The Rough Guide to France* Excellent Michelin hard-cover regional maps for France contain practical road and route information. The special Michelin reads-

like-a-book format makes it easy to unfold and refold after use, eliminating the need to spread open the whole map. Maps offer valuable information, including locations of gas stations, rest areas and toll roads on main highways and primary roads, as well as numerous points of interest pulled from Michelin Green Guides. Clear, precise cartography with symbols highlighting important travel information allow travelers to quickly find their way.

**Fodor's Essential France** Routledge  
This eBook version of the Green Guide France features Michelin's trusted tips and advice, which make sure you see the best of France. From Normandy beaches to the grand châteaux of the Loire and beyond to Corsica's snow-dusted peaks, the Michelin Green Guide France uncovers gastronomic treats and hidden castles, while exploring rugged coastline, picturesque towns and the City of Love itself, Paris. Divided into 12 geographical regions, the guide offers star-rated attractions, regional introductions, detailed maps and suggested places to eat and stay for a variety of budgets, allowing the traveler to plan a trip carefully, or to be spontaneous. *The Rough Guide to Dordogne & the Lot* DK Eyewitness Travel  
First Published in 1999. Routledge is an imprint of Taylor & Francis, an informa company.

*A Countryside Guide* Benchmark Maps  
This guide to Malta, Gozo and Comina includes: topographical walking maps; fold-out touring maps; many short walks and picnic suggestions - suitable for hot summer days and for those with young children; and an update service with specific route-change information.

**A Dictionary of Contemporary France** Fodor's Travel

This updated edition details the recent developments in the Green Way network in Brittany as well as various new long distance cycle routes. The guide maps a major part of the current network, notes places of interest nearby, and provides a directory of overnight accommodation. *Français Interactif* Hunter Publishing, Inc  
"A witty, engaging narrative style...[Robb's] approach is particularly engrossing." —New York Times Book Review  
A narrative of exploration—full of strange landscapes and even stranger inhabitants—that explains the enduring fascination of France. While Gustave Eiffel was changing the skyline of Paris, large parts of France were still terra incognita. Even in the age of railways and newspapers, France was a land of ancient tribal divisions, prehistoric communication networks, and pre-Christian beliefs. French itself was a minority language. Graham

Robb describes that unknown world in arresting narrative detail. He recounts the epic journeys of mapmakers, scientists, soldiers, administrators, and intrepid tourists, of itinerant workers, pilgrims, and herdsman with their millions of migratory domestic animals. We learn how France was explored, charted, and colonized, and how the imperial influence of Paris was gradually extended throughout a kingdom of isolated towns and villages. The Discovery of France explains how the modern nation came to be and how poorly understood that nation still is today. Above all, it shows how much of France—past and present—remains to be discovered. A New York Times Notable Book, Publishers Weekly Best Book, Slate Best Book, and Booklist Editor's Choice. *Midi-Pyrnes* London : Library Association Pub.

*The Rough Guide to the Pyrenees* is the only guidebook available to the entire region, covering both the French and Spanish sides of this spectacular region, from the Atlantic to the Mediterranean. A full-colour section introduces the author's pick of the attractions, from relaxing in the picturesque spa towns to watching the Tour de France wind up the mountains. There are detailed listings of the best places to eat, drink and stay, from boutique hotels in Biarritz to the most remote mountain refuges. For the outdoor enthusiast there are exhaustive accounts of the walking and climbing routes available and information on the host of other activities available, including skiing, paragliding, rafting, cycling and horse riding. There is also expansive coverage of all the cultural highlights including the prehistoric cave art at Ariège and an accessible history of the region from prehistory to the current day.

**Maps for the Entire World** Routledge  
A guide to the leisure cycle routes south of the Loire Valley in France. It includes traffic-free routes and signed touring routes with a factfile and a text description of what to see along the way. *Travel & Tourism Bibliography and Resource Handbook* Danforth Book Distribution

#### Languedoc, Roussillon, Tarn Gorges Rick Steves

The Midi, between the Massif Central and the Mediterranean, is the region of France that is richest in archaeological treasures, and these are described in the OAG to South France. The earliest of these date back to the Palaeolithic period, some twenty thousand years ago, when our ancestors were decorating caves and rock shelters with dramatic depictions of hunting and ritual. Later human cultural evolution in the region is represented by strongly defended hilltop settlements and by impressive funeral mounds and dolmens. Greek colonists arrived around 600 BC and set up towns along the coast, trading with the local peoples, and these are the origins of the main towns of the present day, such as Marseilles, Nice, and Arles. The region was annexed by Rome in the 2nd century BC and the prosperous new province was endowed with many fine public buildings, such as the amphitheatres and theatres at Arles, Nimes, and Orange, the network of roads, and massive town walls, as at Carcassonne. In addition, there is plenty of evidence of more mundane aspects of daily life, such as the water-mill at Barbegal, the potteries of La Graufesenque, and the houses of the town dwellers at Vaison-la-Romaine.

Little, Brown

From cosmopolitan Paris to the sunny Cote d'Azur, from historical Normandy to the rocky Pyrenes, this new edition updates the best of towns, attractions, and landscapes of every region. 100 maps. of color photos.
