Hodder Education Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers

many management areas such as human resource management and strategic management, as well as behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters. *Oxford IB Diploma Programme: Business Management*

Course Companion Mometrix Media LLC IB Prepared resources are developed directly with the IB to provide the most up-to-date, authentic and authoritative guidance on DP assessment. IB Prepared: Business Management combines a concise review of course content with strategic guidance, past paper material and exam-style practice opportunities, allowing learners to

consolidate the knowledge and skills that are essential to success.
