correspondent  
for The Mail  
on Sunday,  
gives an  
inside look  
into the life of  
the future

Queen of England, Kate Middleton. Since becoming Duchess Catherine of Cambridge in 2011, Middleton has captivated royals fans around the world and now, Nicholl delivers the story of her early life, first romances, and love with Prince William. Nicholl will reveal new details on Middleton's initiation into royal life and, of course, her first pregnancy. **Including Rebecca of**

**Sunnybrook Farm & Penelope Hamilton Series: Rose o' the River, A Summer in a Cañon, The Birds' Christmas Carol, Timothy's Quest, The Arabian Nights, Golden Numbers & many more** Tor Books  
 “Morgan Rice's imagination is limitless. In another series that promises to be as entertaining as the previous ones, **A THRONE OF SISTERS** presents us

with the tale of two sisters (Sophia and Kate), orphans, fighting to survive in a cruel and demanding world of an orphanage. An instant success. I can hardly wait to put my hands on the second and third books!” -- Books and Movie Reviews (Roberto Mattos) The new #1 Bestselling epic fantasy series by Morgan Rice! In **A KISS FOR QUEENS (A Throne for Sisters—Book Six)**, it is time

for Sophia to come into her own. It is time for her to lead an army, to lead a nation, to step up and be the commander of the most epic battle the realm may ever see. Her love, Sebastian, remains imprisoned and set to be executed. Will they reunite in time? Kate has finally freed herself from the witch's power, and is free to become the warrior she was meant to be. Her skills will be tested in the battle of

her life, as she fights at her sister's side. Will the sisters save each other? The Queen, furious at Rupert and Lady D'Angelica, exiles him and sentences her to execution. But they just may have their own agenda. And all of this converges in an epic battle that will decide the future of the crown—and the fate of the realm—forever. A KISS FOR QUEENS (A Throne for Sisters—Book Six) is book #6 in a

dazzling new fantasy series rife with love, heartbreak, tragedy, action, adventure, magic, swords, sorcery, dragons, fate and heart-pounding suspense. A page turner, it is filled with characters that will make you fall in love, and a world you will never forget. Book #7 in the series is also now available! “[A Throne for Sisters is a] powerful opener to a series [that] will produce a

combination of feisty protagonists and challenging circumstances to thoroughly involve not just young adults, but adult fantasy fans who seek epic stories fueled by powerful friendships and adversaries." - Midwest Book Review (Diane Donovan) [The New Royal Family - Prince George, William and Kate: The Next Generation](#) Tor Books Sorrow is "not a state but a process" that

needs "not a map but a history. . . . There is something new to be chronicled every day," writes C. S. Lewis in *A Grief Observed*. When Carl Klaus's wife of thirty-five years died suddenly from a cerebral hemorrhage, right before Thanksgiving in 2002, he took the only road toward recovery that made sense to him: he started writing letters to her, producing a unique history of grief,

solace, and love. His vivid and thoughtful letters will resonate with everyone whose loss confronts them with emotional, psychological, and philosophical questions for which there are no easy answers. During his first year without Kate, Carl writes himself into the life that comes after the life he loved. From days of grief in the darkness of a midwestern winter, to springtime, with a return

to life in the garden and a memorial service for Kate on a sunny afternoon, to fall, with a pilgrimage to their favorite vacation spot in Hawaii, Carl documents his year-long experience of remembering, meditating, and evolving a new life. Individually his letters provide the insights of a master diarist; collectively, they have the arc of a master essayist. Recording the full range of mourning

from intense shock to moments of exceptional affirmation, Klaus's stories and reflections on loss bear witness to universal truths about the first and most significant year of mourning. *William And Kate : The Love Story - A Celebration Of The Wedding Of The Century* Tachyon Publications MISTRESS TO A MONARCH...? Breathless, Dr. Kate Milner couldn't help

but stare at the King of Doriana and remember the electricity they'd shared in college. Years later, she was working in his clinic and found herself wanting to strip Marc of his regal robes and rediscover the man she'd once known. Newly crowned king, Marc DeLoria had a dilemma that compounded daily. Did he give in to his primal feelings for Kate—and become tabloid gossip—or show himself

as a strong, saintly ruler? The more time he spent with Kate, the more he realized that not only was the crown in jeopardy...his heart was in the greatest danger of all! *Inside the Private Lives of William, Kate, Harry, and Meghan* Time Home Entertainment WITH EXCLUSIVE PICTURES BY ARTHUR EDWARDS MBE. With the world watching, Prince George Alexander Louis of Cambridge,

third in the line of succession to the throne, was born on 22 July 2013. The next day, his proud parents stepped out of St Mary's Hospital, London to present their baby to the excited crowds. From the beginning, the world had watched with bated breath as the charming prince and his future bride overcame the struggles of university, rumours and a brief breakup before finally reconciling

and becoming engaged. The royal wedding in 2011 - watched by an incredible estimated 2 billion people worldwide - was a defining moment, not only in their young lives, but also for the perception of the monarchy. When the Palace announced the Duchess's much-anticipated pregnancy in 2012, a public frenzy surrounded the arrival of the heir to the throne. Now that the Duke has left the military to

focus on his royal duties and charity work, there is already speculation as to whether George will follow in his father's footsteps, with a passion for wildlife and conservation. As well as a history of the young couple's romantic relationship, this in-depth book chronicles the next chapter of this modern-day fairytale and is packed with beautiful photographs, fascinating facts and

expert analysis. An intriguing insight and unrivalled souvenir, this is an essential read for royalists and romantics alike. *The Very Best of Kate Elliott* Simon and Schuster A moving and compulsively readable look into the lives, loves, relationships, and rivalries among the three women at the heart of the British royal family today: Queen Elizabeth II, Camilla Parker-Bowles, and Kate

Middleton—from the #1 New York Times bestselling author of *The Good Son*, *These Few Precious Days*, and *The Day Diana Died*. One has been famous longer than anyone on the planet—a dutiful daughter, a frustrated mother, a doting grandmother, a steel-willed taskmaster, a wily stateswoman, an enduring symbol of an institution that has lasted a thousand years, and a global icon

who has not only been an eyewitness to history but a part of it. One is the great-granddaughter of a King's mistress and one of the most famous "other women" of the modern age—a woman who somehow survived a firestorm of scorn to ultimately marry the love of her life, and in the process replace her arch rival, one of the most beloved figures of the twentieth century. One is a beautiful commoner,

the university-educated daughter of a flight attendant-turned-millionaire entrepreneur, a fashion scion the equal of her adored mother-in-law, and the first woman since King George V's wife, Queen Mary, to lay claim to being the daughter-in-law of one future king, the wife another, and the mother of yet another. *Game of Crowns* is an in-depth and exquisitely researched

exploration of the lives of these three remarkable women and the striking and sometimes subtle ways in which their lives intersect and intertwine. Examining their surprising similarities and stark differences, Andersen travels beyond the royal palace walls to illustrate who these three women really are today—and how they will directly reshape the

landscape of the monarchy. *Harry and Meghan and the Making of a Modern Royal Family* Ballantine Books The storytelling tradition has long been an important piece of Kentucky history and culture. Folktales, legends, tall tales, and ghost stories hold a special place in the imaginations of inventive storytellers and captive listeners. In *Kentucky Folktales: Revealing*

Stories, Truths, and Outright Lies Kentucky storyteller Mary Hamilton narrates a range of stories with the voice and creativity only a master storyteller can evoke. Hamilton has perfected the art of entrancing an audience no matter the subject of her tales. *Kentucky Folktales* includes stories about Daniel Boone's ability to single-handedly kill a bear, a daughter who

saves her father's land by outsmarting the king, and a girl who uses gingerbread to exact revenge on her evil stepmother, among many others. Hamilton ends each story with personal notes on important details of her storytelling craft, such as where she first heard the story, how it evolved through frequent re-tellings and reactions from audiences, and where the stories take

place. Featuring tales and legends from all over the Bluegrass State, Kentucky Folktales captures the expression of Kentucky's storytelling tradition.

Abrams  
From New York Times bestselling author and

leading fantasists Margaret Weis and Robert Krammes comes Kingmaker, the thrilling conclusion to the swashbuckling Dragon Corsairs series. In this exciting adventure, Kate and Sophia and their dragon Dalgren form a desperate plan to free Phillip from prison. Thomas is crowned king and discovers a plot by King Ullr to invade Freya. And Henry is forced to flee

to the Aligoes where he makes a discovery that could change the fortunes of his beleaguered nation. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.  
The Future Queen  
Silhouette  
Thirteen-year-old Kate is without her dad, lonely and depressed. Her family is broken and her world has lost its color and energy. One day, she

is drawn by a crow into a land of uncommon beauty and love. But Kate soon discovers this new land is under siege by the rebel Grod Vurmis, who is causing freak storms and environmental disasters. Vurmis is turning the inhabitants into shadows, looting the kingdom libraries, and changing the stories so the people will no longer remember who they are. Kate's curiosity and courage lead

her and three friends on a perilous quest to save the Kingdom of What Is. Traversing rivers, seas, and countryside, while avoiding the deceptions of Dreglings, they finally discover the royal palace in shambles. They join the paltry army of Prince Servan and go up against Grod Vurmis without weapons. Their quest comes to an unexpected and shocking end at the Great Gorge. *A Hollywood*

Learning to Teach The Republic of Childhood: Froebel's Gifts Children's Rights: A Book of Nursery Logic Bluebeard: A Musical Fantasy The Girl Scouts: A Training School for Womanhood Kate Douglas Wiggin (1856-1923) was an American educator and author of children's stories, most notably the classic children's novel Rebecca of Sunnybrook Farm. She devoted her

adult life to the welfare of children in an era when children were commonly thought of as cheap labor. The Dragon Corsairs Hachette Books On April 29, 2011, an estimated 2 billion people the world over tuned in to the royal wedding of Prince William, the first-born son of Prince Charles and Lady Diana and second in line to the throne, to his former university classmate and long-time love

Catherine Middleton. Ten years on, the future king and queen of England have established themselves as diligent and dutiful royals, raising a family of their own, traveling as goodwill ambassadors, and supporting a range of charitable works. In honor of their anniversary, this special edition of LIFE reflects on the couple's early years growing up, their budding romance, and their roles as future rulers.

William and Kate surely belongs in every royal watcher's collection.

Wipf and Stock Publishers  
For fans of Downton Abbey comes

an immersive historical epic about a lavish English manor and a dynasty of rich and powerful women who ruled the estate over three centuries of misbehavior, scandal, intrigue, and passion. Five miles from Windsor Castle, home of the royal family, sits the Cliveden estate. Overlooking the Thames, the mansion is flanked by two wings and surrounded by lavish gardens. Throughout its

storied history, Cliveden has been a setting for misbehavior, intrigue, and passion—from its salacious, deadly beginnings in the seventeenth century to the 1960s Profumo Affair, the sex scandal that toppled the British government. Now, in this immersive chronicle, the manor's current mistress, Natalie Livingstone, opens the doors to this prominent

house and lets the walls do the talking. Built during the reign of Charles II by the Duke of Buckingham, Cliveden attracted notoriety as a luxurious retreat in which the duke could conduct his scandalous affair with the ambitious courtesan Anna Maria, Countess of Shrewsbury. In 1668, Anna Maria's cuckolded husband, the Earl of Shrewsbury, challenged Buckingham to a duel.

Buckingham killed Shrewsbury and claimed Anna Maria as his prize, making her the first mistress of Cliveden. Through the centuries, other enigmatic and indomitable women would assume stewardship over the estate, including Elizabeth, Countess of Orkney and illicit lover of William III, who became one of England's wealthiest women; Augusta of

Saxe-Gotha, the queen that Britain was promised and then denied; Harriet, Duchess of Sutherland, confidante of Queen Victoria and a glittering society hostess turned political activist; and the American-born Nancy Astor, the first female member of Parliament, who described herself as an “ardent feminist” and welcomed controversy. Though their privileges were

extraordinary, in Livingstone’s hands, their struggles and sacrifices are universal. Cliveden weathered renovation and restoration, world conflicts and cold wars, societal shifts and technological advances. Rich in historical and architectural detail, *The Mistresses of Cliveden* is a tale of sex and power, and of the exceptional women who evaded, exploited, and confronted the

expectations of their times. Praise for *The Mistresses of Cliveden* “Theatrical festivities, political jockeying and court intrigues are deftly described with a verve and attention to domestic comforts that show the author at her best. . . . [Livingstone’s] portraits of strenuous and assertive women who resisted subjection, sometimes deploying their sexual allure to succeed, on other

occasions drawing on their husband's wealth, are astute, spirited, and empathetic." —The Wall Street Journal  
 "Missing Downton Abbey already? This tome promises 'three centuries of scandal, power, and intrigue' and Natalie Livingstone definitely delivers." —Good Housekeeping  
 "Lively . . . The current chatelaine—the author herself—deser-

ves no small credit for keeping the house's legend alive. . . Any of her action-filled chapters would merit a mini-series." —The New York Times Book Review  
 "Though the personal tales and tidbits are fascinating, and the sensational details of these women's lives will intrigue Downton Abbey devotees, the real star of the story is Cliveden." —Booklist  
 "Lovers of modern

English history and the scandals that infiltrated upper-crust society will find much to enjoy in this work." —Library Journal  
**Kate Field's Washington Kings Road Publishing Strong**  
 heroines and riveting storytelling are the hallmark of groundbreaking fantasy author Kate Elliott (Crown of Stars, Crossroads). Her long-awaited first collection showcases twenty years of her finest

work. Captured here are many of Elliott's previously out-of-print tales, four previously unpublished essays, and a brand new Crossroads story, "On the Dying Winds of the Old Year and the Birthing Winds of the New." Elliott's bold adventuresses, complex quests, noble sacrifices, and hard-won victories shine in classic, compact legends. In "The Memory of Peace," a girl's powerful emotions

rouse the magic of a city devastated by war. Meeting in "The Queen's Garden," two princesses unite to protect their kingdom from the blind ambition of their corrupted father. While "Riding the Shore of the River of Death" a chieftain's daughter finds an unlikely ally on her path to self-determination. Elliott's many readers, as well as fantasy fans in search of powerful

stories featuring well-drawn female characters, will revel in this unique gathering of truly memorable tales. The Tale of Despereaux Delta The gripping inside story of the British royal family's battle to overcome the dramas of the Diana years—only to confront new, twenty-first-century crises "Never again" became Queen Elizabeth II's mantra shortly after Princess Diana's tragic

death. More specifically, there could never be “another Diana”—a member of the family whose global popularity upstaged, outshone, and posed an existential threat to the British monarchy. Picking up where Tina Brown’s masterful *The Diana Chronicles* left off, *The Palace Papers* reveals how the royal family reinvented itself after the traumatic years when Diana’s

blazing celebrity ripped through the House of Windsor like a comet. Brown takes readers on a tour de force journey through the scandals, love affairs, power plays, and betrayals that have buffeted the monarchy over the last twenty-five years. We see the Queen’s stoic resolve after the passing of Princess Margaret, the Queen Mother, and Prince Philip, her partner for seven decades, and

how she triumphs in her Jubilee years even as family troubles rage around her. Brown explores Prince Charles’s determination to make Camilla Parker Bowles his wife, the tension between William and Harry on “different paths,” the ascendance of Kate Middleton, the downfall of Prince Andrew, and Harry and Meghan’s stunning decision to

step back as senior royals. Despite the fragile monarchy's best efforts, "never again" seems fast approaching. Tina Brown has been observing and chronicling the British monarchy for three decades, and her sweeping account is full of powerful revelations, newly reported details, and searing insight gleaned from remarkable access to royal insiders. Stylish, witty, and erudite, *The Palace*

Papers will irrevocably change how the world perceives and understands the royal family. *A Life of Edward VII, the Playboy Prince* Hachette Books The most intimate and informative portrait yet of Prince Harry, from royal expert Katie Nicholl, author of the bestselling *William and Harry and Kate*. From his earliest public appearances as a mischievous redheaded

toddler, Prince Harry has captured the hearts of royal enthusiasts around the world. In *Harry, Britain's* leading expert on the young royals offers an in-depth look at the wayward prince turned national treasure. Nicholl sheds new light on growing up royal, Harry's relationship with his mother, his troubled youth and early adulthood, and how his military service in Afghanistan

inspired him to create his legacy, the Invictus Games. Harry: Life, Loss, and Love features interviews with friends, those who have worked with the prince, and former Palace aides. Nicholl explores Harry's relationship with his family, in particular, the Queen, his father, stepmother, and brother, and reveals his secret "second family" in Botswana. She uncovers new information

about his former girlfriends and chronicles his romance and engagement to American actress Meghan Markle. Harry is a compelling portrait of one of the most popular members of the royal family, and reveals the inside story of the most intriguing royal romance in a decade. *Battle of Brothers* University Press of Kentucky INSTANT INTERNATIONAL

BESTSELLER \* NEW YORK TIMES BESTSELLER \* #1 SUNDAY TIMES BESTSELLER The first, epic and true story of the Duke and Duchess of Sussex's life together, finally revealing why they chose to pursue a more independent path and the reasons behind their unprecedented decision to step away from their royal lives, from two top royal reporters who have been behind the scenes since the

couple first met. Finding Freedom is complete with full color photographs from Harry and Meghan's courtship, wedding, Archie's milestones, and many more unforgettable moments. When news of the budding romance between a beloved English prince and an American actress broke, it captured the world's attention and sparked an international media frenzy. But while the

Duke and Duchess of Sussex have continued to make headlines—from their engagement, wedding, and birth of their son Archie to their unprecedented decision to step back from their royal lives—few know the true story of Harry and Meghan. For the very first time, Finding Freedom goes beyond the headlines to reveal unknown details of Harry and Meghan's life

together, dispelling the many rumors and misconceptions that plague the couple on both sides of the pond. As members of the select group of reporters that cover the British Royal Family and their engagements, Omid Scobie and Carolyn Durand have witnessed the young couple's lives as few outsiders can. With unique access and written with the participation of those

closest to the couple, Finding Freedom is an honest, up-close, and disarming portrait of a confident, influential, and forward-thinking couple who are unafraid to break with tradition, determined to create a new path away from the spotlight, and dedicated to building a humanitarian legacy that will make a profound difference in the world. Spymaster, Privateer, Kingmaker

Random House William and Harry is a fascinating insight into the lives and loves of two extraordinary young men who have captured not only the hearts and minds of not only the British public, but those the world over. This is the definitive book about the princes, bringing their story right up to date. It is the tale of two brothers who have carried the legacy of their mother, Diana,

Princess of Wales, into the twenty-first century and on whom the future of the House of Windsor largely depends. Drawing on her unique set of contacts Katie Nicholl recounts the royal brothers' extraordinary lives and reveals William and Harry's real characters as they become front-line soldiers and modern princes. Through her network of sources, some of which have agreed to

speaking for the very first time, Katie tells the story of one of Prince William's earliest romances, and his struggle with his destiny as a future King of England. As a royal wedding between Prince William and Kate Middleton seems more probable, Katie has spoken to a wealth of contacts close

to the couple who reveal how their love affair really started at St Andrews, the hurdles the pair overcame and the challenges they still face. She recounts the story of Harry's time at Eton, his relationship with Chelsy Davy, and his three months he spent on the front line in Afghanistan.

She analyses William and Harry's complex relationship with their father, and the woman who will one day become Queen Camilla. She talks to their friends, contemporaries and confidants to paint a unique and revealing portrait of the two most famous brothers in the world.
