The Marvel Art Of Joe Quesada - Expanded Edition Marvel Entertainment
 Celebrating the artistic legacy of a true Marvel Comics legend! George Pérez first wowed fans in the 1970s, building a phenomenal reputation as a super-team illustrator without peer on AVENGERS, INHUMANS and FANTASTIC FOUR! His talents graced the super hero action of MARVEL TWO-IN-ONE, the martial-arts mayhem of DEADLY HANDS OF KUNG FU and the monster madness of Man-Wolf in CREATURES ON THE LOOSE! Years later, Pérez demonstrated his cosmic grandeur by wiping out half the Marvel Universe along with Thanos in INFINITY GAUNTLET! And as the Avengers made a heroic return in 1998, so too did Pérez, joining writer Kurt Busiek to usher Earth's Mightiest into a new era of greatness. Nobody can draw an army of heroes in a single image better than George Pérez can!

Celebrate the 60th anniversary of The Amazing Spider-Man with this very special Artist's Edition! Spider-Man is one the most popular characters in the history of comics. This Artist's Edition collects high-resolution scans of the very earliest Amazing Spider-Man daily strips by the two creators most associated with the Web-Slinger, Stan "The Man" Lee and "Jaunty" John Romita! Approximately 300 (!) original daily strips have been scanned, all from 1977 and 1978. The strip debuted on January 3, 1977, and the entire first two months of the strip are included in this volume. Spider-Man's origin is recapped and it's a Who's Who of all your favorite Spidey characters. An Artist's Edition is a book that reproduces classic comic book art from the actual hand-drawn originals. Each page is meticulously scanned at high resolution and reproduced at the same size they were drawn. And while each page appears to be in black and white, these pages have been scanned in color to enable the reader to truly see them as created by John Romita. All the subtle nuances that make original art unique are clearly visible in these pages: gradients in the line art, blue pencils under the inks, corrections. The only better way to view this art would have been to be standing over John Romita's drawing board as he was creating them!

Over the past thirty years, no other artist has had a more profound impact on the entire Marvel Comics franchise than John Romita, Jr. From teenage prodigy to full-blown superstar illustrator, his impeccable storytelling and hardcore professionalism have made him a fan-favorite. His gritty visuals and powerful tenacity for illustrating action have graced the pages of Amazing Spider-Man, Iron Man, Uncanny X-Men, Daredevil, and most of the company's other top-tier books over the course of his career. Like his father before him, nothing can stop this Modern Master from striving for the artistic perfection that makes the name Romita one of true royalty in the comics industry. This new book presents a career-spanning interview and discussion of JRJR's creative process, complete with both rare and unseen art, including an enormous gallery of commissioned work by one of the Modern Masters of comics!

From the creators of The Last Podcast On The Left, exorcism just got a whole lot easier. After attending a seminar hosted in a hotel conference room by a mysterious group called the Soul Plumbers, Edgar Wiggins, disgraced former seminary school student, discovers what he thinks is the

secret to delivering souls from the thrall of Satan. But after stealing the blueprints and building the machine himself, out of whatever he can afford from his salary as a gas station attendant, Edgar misses the demon and instead pulls out an inter-dimensional alien with dire consequences for all of mankind.

Fans of classic fantasy illustration, and Marvel's most iconic characters, are in for a one-of-a-kind treat with this deluxe, oversized artbook! Greg and Tim Hildebrandt, collectively known as the Brothers Hildebrandt, have been at the forefront of fantasy illustration for six decades. In the 1970s their wildly popular and universally acclaimed J. R. R. Tolkien's The Lord of the Rings calendars helped to reintroduce new generations to this seminal fantasy work. Over the decades, the Brothers have created iconic images for Star Wars, Harry Potter, Magic The Gathering, and many more. And then came Marvel. In 1994, Greg and Tim began an amazing relationship with Marvel Comics, producing the incredible Marvel Masterpieces trading card set, featuring all of The House of Ideas' most incredible characters: Spider-Man, Captain America, Black Panther, X-Men, Fantastic Four and so many others! That entire set is reproduced here, as well as showcasing model photos and preliminary drawings of the paintings. Also included is the X-Men 2099 painted graphic novel by the Brothers (written by John Francis Moore), as well as a treasure trove of their entire output for Marvel, all illustrations from 1994 to today--more trading cards, posters, and others, and with insightful commentary, amusing anecdotes, and candid reminisces by the one and only Greg Hildebrandt.

Mike Deodato made a big splash in the mid-'90s with a style combining a solid grasp of anatomy; layouts bristling with dynamic energy; and brash, trendsetting qualities that set him apart as a visionary that Marvel could build around for the rest of the decade and beyond. With his startling work on Warren Ellis' Thor setting the pace, Deodato's later triumphs on Incredible Hulk, Amazing Spider-Man and Thunderbolts set the stage for his jaw-dropping visuals on Dark Avengers. The Marvel Art of Mike Deodato celebrates the vibrant and vital career of one of comics' elite artists with a bounty of interior art, character sketches and unpublished work, as well as selection of Mike's best cover art.
