Indestructibles: My Neighborhood Ellie Claire Gifts

"The Social Network meets Hammer of the Gods" in this story of a 1990s web titan who made a fortune and lost it all—and what happened afterward (The Independent). One day in February 2001, Josh Harris woke to certain knowledge that he was about to lose everything. The man Time magazine called "The Warhol of the Web" was reduced to a helpless spectator as his fortune dwindled from 85 million dollars to nothing, all in the space of a

week. Harris had been a maverick genius preternaturally adapted to the new online world. He founded New York's first dotcom, Pseudo.com, and paved the way for a cadre of twentysomethings to follow, riding a wave of tech euphoria to unimagined wealth and fame for five years—before the great dotcom crash, in which Web 1.0 was wiped from the face of the earth. Long before then, though, Harris's view of the web had darkened, and he began a series of lurid social experiments aimed at illustrating his worst fear: that the internet would soon alter the very fabric of society—cognitive, social, political, and otherwise. In *Totally Wired*, journalist Andrew Smith seeks to unravel the opaque and mysterious episodes of the early dotcom craze, in which the seeds of our current reality were sown. Drawing on in-depth interviews with Harris and those who worked alongside him in downtown Manhattan's "Silicon Alley," the tale moves from a compound in Ethiopia through New York, San Francisco, Las Vegas, London, and Salt Lake City, Utah; from the dawn of the web to the present, taking in the rise of alternative facts, troll society, and the unexpected origins of the net itself, as our world has grown uncannily to resemble the one Harris predicted—and urged us to evade. "Raucous, whimsical, sad and very funny...a fascinating account of what could have been, what briefly was, what almost lasted." —TheWall Street Journal "Told with verve and style...A valuable history." —Kirkus Reviews "A brilliant exploration of madness and genius in the early days of the web." —The Guardian "Dark and compelling." —Daily Mail "This is a book whose time has come." —Sunday Times *A Novel* Harlequin, una división de HarperCollins Ibérica Aromatic, refreshing, delicious and a feast for the eyes, the generously-sized and creatively garnished "gin tonica" Spanish-style drink is taking the cocktail world by storm. Spaniards love their gin and tonics. In Spain, the bartender doesn't ask you what you want to drink, he asks you how you want your gin and tonic prepared. This simplest of drinks—just gin, tonic, ice and a garnish—is now considered the national drink of Spain. The trend started in the north of Spain, in Basque country, where you can walk into a bar and upon ordering you are presented with a cart teeming with gin and tonic options to create your very own bespoke drink. A beautiful cocktail with a variety of herb and flower garnishes, a Spanish-style gin and tonic or "gin tonica", is made with a premium gin and the best quality tonic water, combined with bitters and various herbs, spices, flowers, and fruits that will complement the botanicals of a specific gin. It is served over ice in an oversized balloon glass—the idea being that the shape enables the drinker to enjoy all the lovely aromas their drink gives off. For a cocktail with only two ingredients, the flavor potential is staggering! Making a gin tonica is an intricate process, sometimes taking a barman as long as 15 minutes to

deliver the ideal drink. The ice has to be dense so that it melts slowly, the glass might be spritzed with a fine layer of citrus oil, chilled to perfection, with the tonic poured in delicately. No detail is ignored, the wait is part of the experience, and the result is absolutely delicious. Attention to detail and respect for the classic is what truly elevates the Spanish gin tonica above all others. With more gin brands and styles of tonic available than ever before, and 40 inspired recipes here to try at home, there has never been a better time to discover the joy of the gin tonica—saludos!

Does 'woke capitalism' improve capitalism's image or does it threaten the future of democracy? From Nike's support for Colin Kaepernick, to Gillette's engagement with the toxic masculinity debate, the 21st century has seen a sharp increase in corporations taking over public morality, a phenomenon which has come to be known as 'woke capitalism'. Carl Rhodes takes us on a lively and fascinating history of woke capitalism – from 1950s corporate social responsibility, through 1980s neoliberalism, tracing it alongside the adoption and mutation of the term 'woke' from Black American culture – and brings us right up to current-day debates. By examining the political causes that woke capitalism has co-opted, and the social causes that it has not, he argues that this surreptitious extension of capitalism has serious implications for us all.

New York Times Bestseller A Summer Reading Pick for President Barack Obama, Bill Gates, and Mark Zuckerberg From a renowned historian comes a groundbreaking narrative of humanity's creation and evolution—a #1 international bestseller—that explores the ways in which biology and history have defined us and enhanced our understanding of what it means to be "human." One hundred thousand years ago, at least six different species of humans inhabited Earth. Yet today there is only one—homo sapiens. What happened to the others? And what may happen to us? Most books about the history of humanity pursue either a historical or a biological approach, but Dr. Yuval Noah Harari breaks the mold with this highly original book that begins about 70,000 years ago with the appearance of modern cognition. From examining the role evolving humans have played in the global ecosystem to charting the rise of empires, Sapiens integrates history and science to reconsider accepted narratives, connect past developments with contemporary concerns, and examine specific events within the context of larger ideas. Dr. Harari also compels us to look ahead, because over the last few decades humans have begun to bend laws of natural selection that have governed life for the past four billion years. We are

acquiring the ability to design not only the world around us, but also ourselves. Where is this leading us, and what do we want to become? Featuring 27 photographs, 6 maps, and 25 illustrations/diagrams, this provocative and insightful work is sure to spark debate and is essential reading for aficionados of Jared Diamond, James Gleick, Matt Ridley, Robert Wright, and Sharon Moalem.

Encuentro inesperado - Padre soltero busca niñera Penguin A Self-Study Grammar Book for Engineers és un llibre d'autoaprenentatge de la llengua anglesa en l'àmbit de les carreres tècniques i, d'una manera especial, per a l'alumnat universitari dins el camp de les enginyeries. Està dividit en tres mòduls ben diferenciats per a facilitar la seva utilització i ordenar les unitats a estudiar en funció de les necessitats específiques de l'alumne en cada moment. En un primer mòdul s'han inclòs 31 unitats de gramàtica i documents específics amb explicacions i exemples bilingües (en català i en castellà), així com exercicis complementaris i les seves solucions respectives. El segon mòdul conté un total de 13 unitats bàsiques, relacionades amb l'anglès per a finalitats específiques: anglès per a la banca i les finances, anglès comercial, anglès per a la producció i el transport, anglès per a la construcció, etc. També en aquest mòdul s'han afegit 6 unitats extres, molt útils com a referència bàsica i sòlida sobre l'anglès americà i l'anglès britànic, friends and false friends, phrasal verbs i opposites. En el tercer i últim mòdul d'aquest llibre hi ha un apèndix amb material essencial per a l'aprenent avançat de la llengua anglesa, com per exemple: abreviacions típiques angleses, taules de conversió i càlcul, els verbs irregulars anglesos traduïts al català i al castellà, el sistema de puntuació anglès, un quadre sinòptic dels temps verbals en anglès, etc. Al final del llibre s'hi pot trobar la bibliografia i una sèrie de webs i enllaços recomanats per ambdues autores per tal de facilitar el procés d'aprenentatge de l'alumne en l'anglès com a llengua estrangera i per a finalitats específiques.

Electrónica y Servicio Edición Especial Lindhardt og Ringhof Jennifer Fulwiler se decía a sí misma que era feliz. ¿Por qué no iba a serlo? Ganaba bastante dinero, acababa de casarse con un gran hombre y vivía en una buena casa donde podía contemplar la puesta de sol tras las colinas de Austin mientras saboreaba tranquilamente una copa de vino... Criada en una familia feliz, y atea, Jennifer tuvo desde siempre la libertad de pensar por sí misma y seguir sus propias reglas. Sin embargo, una sombra de oscuridad la había estado acompañando durante toda su vida. Y esas dudas la llevaron a preguntarse qué era lo que de verdad importaba en la vida. Al hacerse las perennes preguntas sobre la vida y la muerte, el bien y el mal, Jennifer se vio conducida al cristianismo, la religión de la que había renegado desde su infancia. Avergonzada no le contó nada a nadie, excepto a su marido, llegando a leer la Biblia en un baño público. Un encuentro inesperado es un relato conmovedor, profundo y divertido, de una mujer que durante toda su vida estuvo buscando la felicidad y al final encontró a Dios, aprendiendo que para encontrar el verdadero sentido de la vida y la verdadera felicidad a veces hace falta perderlo todo. "Una divertida historia sobre el viaje de una mujer desde una larga vida de increencia a la fe y a una íntima relación con Jesús y su Iglesia. Este libro es una lectura apasionante donde encontrar argumentos profundos y un encuentro entre fe y razón". Cardinal Timothy Dolan, Arzobispo de New York.

The New Positioning: The Latest on the World's #1 Business Strategy Cengage Learning _x005F_x000D_ Entre la lista de cosas que hacer de Liz Harper, directora de Servicios Domésticos Harper, estaban: ir a casa de su nuevo cliente a una lujosa mansión en Miami; mantener la compostura cuando descubriera que su cliente era Cain Nestor, su taciturno, irritante y distante ex marido; no desvelar cuál había sido el motivo que la había obligado a romper su matrimonio y que él no se diera cuenta de que con sólo mirarlo el corazón de Liz se deshacía.

Tessa and Scott share their incredible and inspiring story — now updated and expanded with a new introduction, over 100 dazzling new photographs, and three all-new chapters covering the pair's stunning performances at the Sochi and PyeongChang Olympic

Games and beyond. Tessa Virtue and Scott Moir are the most decorated figure skaters in the history of the sport, and are widely celebrated by peers and fans alike for their superior athleticism, one-of-a-kind partnership, and generosity of spirit. In these pages, they share their incredible story with the world. Tessa and Scott: Our Journey from Childhood Dream to Gold offers an intimate and revealing behind-the-scenes look at the iconic duo. Veteran sports columnist Steve Milton draws from hours of conversations with Tessa and Scott as they take us from their first meeting in 1995 to their impressive debut and rapid rise on the international scene; from the highs and lows of competitive skating to the profound impact of Tessa's injury and subsequent recovery; and from their unprecedented Olympic achievements in Vancouver in 2010 and Sochi in 2014, through to their exhilarating triumph in Pyeongchang in 2018, when their performance capture hearts the world over and catapulted them into unparalleled international acclaim. Lavishly illustrated with over 100 new photos, this updated and expanded edition is filled with personal stories and recollections from Tessa, Scott, and those close to them — including family members, friends, and coaches past and present. Tessa and Scott is as much a spectacular visual history as it is a celebration of two of the world's premier athletes.

60 easy recipes that any idiot can make México Digital Comunicación S.A. de C.V.

Trust in nature. Believe in balance. Eat the rainbow! Andrea Hannemann, aka Earthy Andy, presents a guide to plant-based eating that is simple, delicious, and fun. INCLUDES A 30-DAY PLANT OVER PROCESSED CHALLENGE Andrea Hannemann, known as Earthy Andy to her more than one million Instagram followers, believes that food is the fuel of life, and that consuming a nourishing, plant-based diet is the gateway to ultimate health. Andy's mantra, "plant over processed," embodies the way she eats and feeds her family of five in their home in Oahu, Hawaii. But it wasn't always this way. Andy was once addicted to sugar and convenience foods and suffering from a host of health issues that included IBS, Celiac disease, hypothyroidism, asthma, brain fog, and chronic fatigue. Fed up with spending time and money on specialists, supplements, and fad diets, she quit animal products and processed foods cold turkey, and embarked on a new way of eating that transformed her health and her body. In Plant Over Processed, Andy invites readers to join her on a "30-Day Plant Over Processed Challenge" that will detox the body, followed by a long-term plan for going plant-based without giving up your favorite dishes. Packed with gorgeous photography and mouth-watering recipes—from smoothies and bliss bowls to plant-based comfort and decadent desserts—this life-changing guide takes you to the North Shore of Hawaii and back, showing you how easy it is to eat plant-based, wherever you are.

Woke Capitalism Pavilion

An accessible guide for vegan, vegetarian, or veg-curious parents from the dietitian duo behind online community Plant-Based Juniors®--includes a bonus chapter on feeding infants up to six months! More of us are turning to plant-focused diets for our health and the health of the environment. But there haven't been reliable, evidence-based resources out there for a new generation of compassionate, conscientious parents--until now. The Plant-Based Baby and Toddler is your go-to resource, offering easy-to-digest nutritional facts and guidelines that aren't available elsewhere, with a special focus on the most important period of a child's life when it comes to developing good eating habits: infancy and toddlerhood. Whitney and Alex discuss: • the PB3 plate: a visual guide to structuring meals that are nutritionally balanced--1/3 fruits and vegetables; 1/3 legumes, nuts and seeds; and 1/3 grains and starches--and easy to adapt for the entire family • how to meet needs for critical nutrients such as iron • a primer on both traditional purees and the baby-led weaning/feeding approach • strategies for dealing with challenges such as picky eaters • sorting fact from fiction when it comes to nondairy milks and other substitutes • 50+ plant-based recipes created specifically for stages from first bites to age three As dietitians and moms, Whitney and Alex pored over nutrition journals and called on the experts to learn how to provide their babies with the best diet possible. They found that plant-based diets are associated with a reduced risk of obesity, decreased cholesterol levels, and increased fruit and vegetable intake; in short, not only are they safe for kids, they're pretty freaking awesome.

8 Ways to Win Harper Collins

From carefully aimed pouts and shifting blame to the threat of an all-out tantrum, this laugh-out-loud story for kids and adults focuses on the clever antics, advantage-taking, limit-testing, and childhood shenanigans of three-year-old Emmy. When Emmy spills juice and her dad's pants get "orange-hosed," she takes refuge behind Mom's knee. Expecting a reprimand, Emmy is surprised when Mom tells Dad, "Now, sweetheart, you should let it be. After all . . . she's only three." Once Emmy discovers that she's too young to be punished, she constantly wrangles her way out of trouble by proclaiming, "I'm only three!" and pulls a handy weapon from her arsenal of manipulative maneuvers. With hilarious, rhyming text and energetic ink and watercolor illustrations that capture Emmy's expressions, from angelic to livid, readers discover that Emmy can't get away with her outrageous behavior forever and that her actions do eventually have consequences.
