Emerging Markets A*This  
book seeks to capture the  
impact of both internal  
and external regulations  
on retail development and  
strategy in emerging  
markets. It provides a  
comprehensive and up-to-  
date assessment of the

development of retailing  
in a wide range of  
emerging economies, and  
seeks to capture the  
interplay between both  
retail policy and retail  
strategy and the  
theoretical implications of  
this on retail development  
as a whole. Retailing in
