Trump University Commercial Real Estate  
101 John Wiley & Sons

Donald Trump promised the American people a transformative change in economic policy after eight years of stagnation under Obama. But he didn't adopt a conventional left or right economic agenda. His is a new economic populism that combines some conventional Republican ideas—tax cuts,

deregulation, more power to the states—with more traditional Democratic issues such as trade protectionism and infrastructure spending. It also mixes in important populist issues such as immigration reform, pressuring the Europeans to pay for more of their own defense, and keeping America first. In *Trumponomics*, conservative economists Stephen Moore and Arthur B. Laffer offer a well-informed defense of the president's approach to trade, taxes, employment, infrastructure, and other economic policies. Moore and Laffer worked as

senior economic advisors to Donald Trump in 2016. They traveled with him, frequently met with his political and economic teams, worked on his speeches, and represented him as surrogates. They are currently members of the Trump Advisory Council and still meet with him regularly. In *Trumponomics*, they offer an insider's view on how Trump operates in public and behind closed doors, his priorities and passions, and his greatest attributes and liabilities. Trump is betting his presidency that he can create an economic revival in America's industrial

heartland. Can he really bring jobs back to the rust belt? Can he cut taxes and bring the debt down? Above all, does he have the personal discipline, the vision, the right team, and the right strategy to pull off his ambitious economic goals? Moore and Laffer believe that he can pull it off and that Trumponomics will usher in a new era of prosperity for all Americans.

The Bitch Switch Random House

Trump University books are practical, straightforward primers on the basics of doing business the Trump way-successfully. Each book is written by a leading expert in the field and includes an inspiring Foreword by Trump himself. Key ideas throughout are illustrated by real-life examples from Trump and other senior executives in the Trump organization. Perfect for anyone who wants to get ahead in business, with or without the MBA, these streetwise books provide real-world business advice based on the one thing readers can't get in any business school-experience. In Trump University Branding 101, you'll learn how to: \* Build a powerful brand that increases the sales and profits of any business \* Launch your entrepreneurial brand \* Manage the

differences between service branding and product branding \* Develop a brand for your real estate investments \* Make your brand far more than just a name or logo \* Develop clear positioning and brand strategy \* Successfully communicate your brand \* Choose an appropriate brand name and logo \* Reinvigorate a struggling brand \* Use guerrilla branding for your small business \* Build your own personal brand for career development \* Keep your brand image consistent \* Grow your brand over time \* Use your brand to increase the overall value of your business

Think Like a Champion Ballantine Books

When a woman acts assertively, makes demands, and struggles for what she wants, she is labeled a bitch. The secret is to know when and how to turn on (or turn off) that "bitch switch." Not being able to locate your "switch" leaves you open to being a victim; not knowing how to turn it off will get you a label that is hard to shake. From Omarosa, reality star, global television personality, and the prime-time woman you love to hate, comes The Bitch Switch, the smart and bitingly honest must-read for every woman who aspires to succeed in relationships, in business, and

at home.

The Trump Century John Wiley & Sons  
How did Donald Trump almost single-handedly reverse America's decline? As the 21st Century began, the world's only superpower was economically adrift, policing the world at the expense of American lives and trillions of dollars, weighed down by one-sided trade and security agreements with Europe and China ratified in a different era. Elites of both political parties battled over who would manage America's decline from preeminent world power. In The Trump Century, the indomitable Lou Dobbs explains how Trump has steered the debate every day he has been in politics, greatly expanding what Washington thinks is possible. By 2016, the globalist elites demanded no one speak about limiting illegal immigration or securing our borders. The elites told you communist China would soon be like us, and the PC orthodoxy told you what you could or could not say. You were told America's Middle Class could never grow again and wages would be stagnant into perpetuity. Trump reversed all of that as radical Democrats and the Deep State conspired

to overthrow his Presidency, as the deadly pandemic raged, and orchestrated street protests and violent riots dominated news headlines. He not only made America great again but created a new standard for all future Presidents and likely has set the American agenda for the next hundred years. The Trump Century opens a window into Trump's thinking on the economy, foreign policy, and border security and will energize his allies when they realize the future they've shaped.

*101 Indisputable Facts Proving Donald Trump Is An Idiot* HarperCollins

Political satire as deeper truth: Donald Trump's presidential memoir, as recorded by two world-renowned Trump scholars, and experts on greatness generally "I have the best words, beautiful words, as everybody has been talking and talking about for a long time. Also? The best sentences and, what do you call them, paragraphs. My previous books were great and sold extremely, unbelievably well--even the ones by dishonest, disgusting so-called journalists. But those writers didn't understand Trump, because quite frankly they were major losers. People say if you want it done right you have to do it

yourself, even when 'it' is a 'memoir.' So every word of this book was written by me, using a special advanced word processing system during the many, many nights I've been forced to stay alone in the White House--only me, just me, trust me, nobody helped. And it's all 100% true, so true--people are already saying it may be the truest book ever published. Enjoy." Until Donald Trump publishes the ultimate account of his entire four or eight or one-and-a-half years in the White House, the definitive chronicle will be *You Can't Spell America Without Me: The Really Tremendous Inside Story of My Fantastic First Year As President*. Trump was elected because he was the most frank presidential candidate in history, a man eager to tell the unvarnished truth about others' flaws and tout his own amazing excellence. Now he levels his refreshingly compulsive, un-PC candor at his landslide election victory as well as his role as commander-in-chief and leader of the free world. There are intimate, powerful, mind-boggling revelations on every page. You are there with him during his private encounters with world leaders, a few of whom he does not insult. You are there at

the genius Oval Office strategy sessions with his advisers. You are there in his White House bedroom as he crafts the pre-dawn Twitter pronouncements that rock the world. And, of course, you are there on the golf course as Trump attempts to manage the burdens of his office. President Trump explains each of the historic decisions that have already made America great again, and how he always triumphs over the fake news media. You'll learn what he really thinks of his cabinet members and top aides not related to him, of the First Lady and the First Daughter and the additional three or four Trump children. Included at no extra charge is a lavish and exclusive portfolio of spectacular, historic and intimate color photographs of President Trump in private - inside the White House, inside Mar-a-Lago, at Trump Tower, and more. *You Can't Spell America Without Me* is presented by America's foremost Trump scholar Kurt Andersen as well as America's foremost mediocre Trump impersonator, Alec Baldwin. *You Can't Spell America Without Me* is the perfect holiday gift! *Donald Trump* Wiley  
Donald Trump shares his tips, tactics and

strategies on how to find the work you love, set high standards and meet them, think Trump-scale, be tough not nasty and turn problems into gold.

**This President: 101 Reasons to Re-Elect Donald Trump** Melville House

A tax-smart guide to keeping more of the wealth you build Three obstacles to wealth-lawsuits, income taxes, and estate taxes-can and will destroy the financial achievements of those who fail to properly safeguard their assets. In this book, attorney and tax strategist J.J. Childers lays out a plan for combating these forces so that anyone willing to learn and apply the secrets of the wealthy can do so in a smart, simple, and effective way. J.J. Childers (Little Rock, AR) is a licensed attorney specializing in wealth structures that reduce taxes and shield assets. He speaks on these topics to thousands of individuals, investors, and small business owners each year. His unique ability to explain complicated strategies in simple terms has made him one of the nation's most sought-after speakers and practitioners on asset-protecting legal structures.

[You Can't Spell America Without Me](#) John

Wiley & Sons

Early in his campaign, Donald Trump boasted that 'I know words. I have the best words', yet despite these assurances his speech style has sown conflict even as it has powered his meteoric rise. If the Trump era feels like a political crisis to many, it is also a linguistic one. Trump has repeatedly alarmed people around the world, while exciting his fan-base with his unprecedented rhetorical style, shock-tweeting, and weaponized words. Using many detailed examples, this fascinating and highly topical book reveals how Trump's rallying cries, boasts, accusations, and mockery enlist many of his supporters into his alternate reality. From Trump's relationship to the truth, to his use of gesture, to the anti-immigrant tenor of his language, it illuminates the less obvious mechanisms by which language in the Trump era has widened divisions along lines of class, gender, race, international relations, and even the sense of truth itself.

**Art 101 of the Deal** John Wiley & Sons

For the past four years, author Aldous J. Pennyfarthing has dogged the Abominable Showman with his caustic brand of wit and

ribaldry, and now it's finally time to bid a cheerful goodbye. In this fourth and final installment of his acclaimed series, Pennyfarthing picks up where he left off with the Amazon best-selling books "Dear F\*cking Lunatic," "Dear F\*cking Moron," and "Dear Pr\*sident A\*\*clown," skewering Donald Trump's boundless ego, bottomless stupidity, and brazen incompetence.

Simon and Schuster

Trump Strategies for Real Estate offers unbeatable insider advice for every serious real estate investor—beginners and old pros alike. For more than twenty-five years, author George Ross has been one of Donald Trump's chief advisors and intimately involved with many of Trump's biggest real estate deals. Now, Ross teams up with bestselling real estate author Andrew McLean to present Trump's real estate investment strategies so that even small investors can invest like Trump. You'll learn how Trump identifies potential properties and how he finances, negotiates, and markets his big deals. Not everyone has Trump's money or name, but everyone, even you, can use his

tactics and strategies to win big in real estate.

### **Trump University Entrepreneurship**

**101** Cambridge University Press

The host of the hit reality show *The Apprentice* presents an invaluable collection of grounded, hard-hitting advice on business success, from people who have made it to the boss's chair at some of America's most thriving companies. How can you find the way to the top? Ask people who are already there. Because you can't know it all. No matter how smart you are, no matter how comprehensive your education, no matter how wide-ranging your business experience, there's simply no way to acquire all the wisdom you need to make your business flourish. You need to learn from those who have blazed a trail before you. Donald Trump has asked many of the brightest, most successful businesspeople he knows—and some he doesn't know—to answer this question: What's the best business advice you ever received? The result is a compelling resource of wisdom and wit that reveals how some of the most accomplished people conduct their personal and business affairs, giving an

inside look into the secrets of corporate success. But the advice doesn't only come from the upper echelons of the Fortune 500. Thoughts poured in from executives at thriving companies large and small, ranging from well-known icons such as Staples, American Airlines, Lillian Vernon, and Boeing to family-run operations like Orleans Homebuilders and Carlson Companies. *The Way to the Top* brings together the core ideas that have guided more than 150 of today's top businesspeople, offering a range of inspiring and practical advice on making good decisions, conducting yourself appropriately, developing your career, communicating with others, leading a team effectively, and much more. Some of the entries are simple entreaties, some portray intriguing vignettes, and others outline lists of guiding principles; all are illuminating, instructive, and insightful. A telling to-do list for the aspiring professional, *The Way to the Top* belongs on every business bookshelf.

*Trump University Wealth Building 101*

Springer

General Keith Kellogg saw it all. The only national security advisor to work side by

side with both President Trump and Vice President Pence, he was their confidant as they made their most momentous decisions. No one knows better than he that the hysterical accusations of the administration's partisan detractors were unconnected to reality. Demolishing baseless caricatures of Donald Trump, General Kellogg provides one of the few reliable accounts of the administration from the earliest days of the 2016 campaign to the end of the president's term. Kellogg reveals: How Trump's "America First" policies strengthened the nation after Obama's eight-year apology tour Why the president's tough approach to China worked—and why future administrations must continue to take the China threat seriously How withdrawal from the Iran nuclear deal and the strike on General Soleimani slowed the spread of radical Islamist terror Why Democrats' appeasement policies are courting disaster for America and the world The radicals attacking President Trump's legacy are sacrificing sound policy to politics. Kellogg's account is an urgently needed reminder that politics is "war by other means." Our enemies never forget that,

and Americans forget it to their peril.

*Trump University Marketing 101* Phoenix Books, Inc.

An up-to-date and expanded edition of the Trump guide to starting a business

Although he has ups and downs like every entrepreneur, Donald Trump is one of the world's most famous entrepreneurs for good reason—he's one of the best. In

Trump University Entrepreneurship 101, Second Edition he teams up with business owner and professor Michael Gordon to show you how to take your dream and

turn it into a big-time moneymaker. This new edition is completely updated with timely new material and three new chapters, teaching you how to build a

technology venture, even without formal technical education; how to use social networking, Web 2.0, and "cloud computing" to achieve competitive advantages, and how to exploit opportunities during recessionary times. If

you dream of starting your own business, this is the inspiring, comprehensive guide that shows you how to do it from planning to starting up to expansion. It shows you how to mobilize resources, develop a workable strategy, write an effective

business plan, raise money, negotiate with investors, and launch your business. With a first chapter by Trump Author Michael Gordon is the founder of five successful companies and teaches entrepreneurship at a number of colleges, including the Harvard University Extension School, Babson College and The International School of Management in Paris Fully revised and updated including new chapters on hot topics in entrepreneurship Includes visual models, case studies, downloadable worksheets, pep talks, and stories from Trump himself If anyone knows how to succeed in business, it's Donald Trump and his team of experts from Trump University. If you are ready for your entrepreneurial adventure, here's all the help you need.

**War by Other Means** All Points Books Over the years, President Donald Trump has written many bestselling books, but he has also written shorter essays that encompass his philosophy about how to live life to the fullest, both personally and professionally. In these pieces, which have been personally selected by Trump for this book, he gives his special perspective in what amounts to an "informal education"

about success in business and in life. With a foreword by Rich Dad, Poor Dad, author Robert Kiyosaki, Trump's business acumen is on full display in such essays as: \*Keep the Big Picture in Mind \*Essays, Assets, and Stephen King \*Imagination: A Key to Financial Savvy \*Financial Literacy \*Think Like a Genius \*How to Get Rich *Goodbye, Asshat* Springer

THE NEW YORK TIMES BESTSELLER that connects the dots from Donald Trump's racist background to the Russian scandals "A searing indictment." — Michiko Kakutani, The New York Times "Johnston has given us this year's must-read Trump book." — Lawrence O'Donnell, host of MSNBC's The Last Word with Lawrence O'Donnell The international bestseller that brought Trump's long history of racism, mafia ties, and shady business dealings into the limelight. Now with a new introduction and epilogue. Pulitzer Prize-winning investigative journalist David Cay Johnston, who had spent thirty years chronicling Donald Trump for the New York Times and other leading newspapers, takes readers from the origins of the Trump family fortune—his grandfather's Yukon bordellos during the Gold Rush—to

his tumultuous gambling and real estate dealings in New York and Atlantic City, all the way to his election as president of the United States, giving us a deeply researched and shockingly full picture of one of the most controversial figures of our time.

#### Trump Never Give Up Penguin

Trump University books are practical, straightforward primers on the basics of doing business the Trump way—successfully. Each book is written by leading experts in the field and includes contributions from Trump himself. Perfect for anyone who wants to get ahead in business without the MBA, these streetwise books provide real-world business advice based on the one thing readers can't get in any business school—experience. In *Trump University Wealth Building 101*, you'll learn how to: Develop the right mindset for continued success Learn millionaire moneymaking habits Create your own financial vision statement Adopt the seven proven practices of the rich Start your own business Become a real estate entrepreneur Build your investment portfolio Master money-saving tax strategies And much more!

*Trump 101* John Wiley & Sons  
A #1 New York Times Bestseller! "I read it cover-to-cover. I did not intend to, but I started at the beginning and didn't put it down until it was over."—Rachel Maddow, MSNBC This book almost didn't see the light of day as government officials tried to bar its publication. *The Inside Story of the Real President Trump*, by His Former Attorney and Personal Advisor—The Man Who Helped Get Him Into the Oval Office Once Donald Trump's fiercest surrogate, closest confidant, and staunchest defender, Michael Cohen knows where the skeletons are buried. This is the most devastating business and political horror story of the century. As Trump's lawyer and "fixer," Cohen not only witnessed firsthand but was also an active participant in the inner workings of Trump's business empire, political campaign, and presidential administration. This is a story that you have not read in newspapers, or on social media, or watched on television. These are accounts that only someone who worked for Trump around the clock for over a decade—not a few months or even a couple of years—could know. Cohen describes

Trump's racist rants against President Barack Obama, Nelson Mandela, and Black and Hispanic people in general, as well as the cruelty, humiliation, and abuse he leveled at family and staff. Whether he's exposing the fact that Trump engaged in tax fraud by inflating his wealth or electronic fraud by rigging an online survey, or outing Trump's Neanderthal views towards women or his hush-money payments to clandestine lovers, Cohen pulls no punches. He shows Trump's relentless willingness to lie, exaggerate, mislead, or manipulate. Trump emerges as a man without a soul—a man who courts evangelicals and then trashes them, panders to the common man, but then rips off small business owners, a con man who will do or say absolutely anything to win, regardless of the cost to his family, his associates, or his country. At the heart of *Disloyal*, we see how Cohen came under the spell of his charismatic "Boss" and, as a result, lost all sense of his moral compass. The real "real" Donald Trump who permeates these pages—the racist, sexist, homophobic, lying, cheating President—will be discussed, written about, and analyzed for years to come.

*Trumponomics* Simon and Schuster

The essential wit and wisdom of President Trump: a compendium of things an actual US president actually said out loud to other people. President Donald J. Trump possesses a great sense of history and himself. A model statesman, he tweets every thought, and more. With one exception, he doesn't suffer fools lightly. This little red book attempts to capture the great man's philosophy on governance, democracy, terrorism, and his hair. The President's words are preserved here—both as a public service and as a keepsake. Unfiltered. Unabridged. Unauthorized. Unbelievable. Sample quotes include: I'm, like, a really smart person. The Bible means a lot to me, but I don't want to get into specifics. It has not been easy for me; and you know I started off in Brooklyn; my father gave me a small loan of a million dollars. While in politics it is often smart to send out false messages. As seen on MSNBC's Hardball with Chris Matthews
