A Mediterranean Marriage W. W. Norton & Company
 From enemies-to-lovers, to wedding night passion, to life-changing consequences... This sparkling romance from Michelle Smart has it all! A marriage built on a lie...until her pregnancy test confirms the truth! Claudia Buscetta is swept off her feet by Ciro Trapani. Their wedding night is everything she dreamed of—but then she overhears Ciro's confession: the marriage was his way of avenging his father. Heartbroken Claudia prepares to walk away from him forever...only to discover she's pregnant! Driven Sicilian billionaire Ciro is suddenly bound irrevocably to his enemy's daughter!

Claudia is far from the pampered "princess" he imagined. And living with her sparks a fierce battle...between his quest for revenge and his burning desire for his wife! From Harlequin Presents: Escape to exotic locations where passion knows no bounds. Read both books in The Sicilian Marriage Pact duet: *A Baby to Bind His Innocent* by Michelle Smart *The Terms of the Sicilian's Marriage* by Louise Fuller
Million Dollar Marriage Simon and Schuster
 THE BILLION DOLLAR PLAN ~~~ Incongruity Series book 1 Are you ready for the Incongruity Series? Not every plan works out the way we want it to. Sometimes, it needs to be snatched for the gods. "Pain is a strange company keeper. It brings the oddest people together. It transcends every other difference we might have between us" There is nothing more

appealing than a confident, a self-assured man. A man who knows exactly what he wants. Knows how he is going to get what he wants. But most importantly, he knows how he will include you in the mix of things. It was my plan initially. Just me alone against this crazy world. Then circumstances happened. I thought we met on the dime of fate but I couldn't be further from the truth than that. Fate doesn't bring you green eyed Adonis from nowhere. He is a god within his own right honestly. What did I think would happen when I bumped into him, literally? It sure wasn't this. He knew all along. He knew who I was, what I carried within myself. And he also knew what I wanted, what I needed. And now he has the audacity to tell me something different. Blind siding me, making me feel the sting of betrayal. Lying to me when we made an oath with

each other. How else will this multi-billion dollar plan work? How will we both get revenge without burning out?

USA TODAY bestselling author Caitlin Crews brings scandal, drama and tantalizing desire to this marriage of convenience romance. All with a festive twist... His royal bride of convenience: Unwrapped and undone! Orion is determined to rule his once-dissolute kingdom with integrity and respect. That means honoring his betrothal to Lady Calista Skyros. A woman whose father deals in scandal — and who threatens his unwavering self-control... Calista knows her royal marriage was brokered by blackmail, but she has her own reasons for accepting Orion's hand. Yet her husband shocks her with his demand for complete honesty. And as her first Christmas as queen approaches, her unstoppable desire for the king becomes her most dangerous truth of all! From Harlequin Presents: Escape to exotic locations where passion knows no bounds. Read both books the Royal Christmas Weddings duet: Book 1: Christmas in the King's Bed Book 2: His Scandalous Christmas Princess

A fresh history of the West grounded in the lives of mixed-descent Native families who first bridged and then collided with racial boundaries. Often overlooked, there is mixed blood at the heart of America. And at the heart of Native life for centuries there were complex households using intermarriage to link disparate communities and create protective circles of kin. Beginning in the seventeenth century, Native peoples—Ojibwes, Otoes, Cheyennes, Chinooks, and others—formed new families with young French, English, Canadian, and American fur traders who spent months in smoky winter lodges or at boisterous summer rendezvous. These families built cosmopolitan trade centers from Michilimackinac on the Great Lakes to Bellevue on the Missouri River, Bent's Fort in the southern Plains, and Fort

Vancouver in the Pacific Northwest. Their family names are often imprinted on the landscape, but their voices have long been muted in our histories. Anne F. Hyde's pathbreaking history restores them in full. Vividly combining the panoramic and the particular, *Born of Lakes and Plains* follows five mixed-descent families whose lives intertwined major events: imperial battles over the fur trade; the first extensions of American authority west of the Appalachians; the ravages of imported disease; the violence of Indian removal; encroaching American settlement; and, following the Civil War, the disasters of Indian war, reservations policy, and allotment. During the pivotal nineteenth century, mixed-descent people who had once occupied a middle ground became a racial problem drawing hostility from all sides. Their identities were challenged by the pseudo-science of blood quantum—the instrument of allotment policy—and their traditions by the Indian schools established to erase Native ways. As Anne F. Hyde shows, they navigated the hard choices they faced as they had for centuries: by relying on the rich resources of family and kin. Here is an indelible western history with a new human face. *Born of Lakes and Plains: Mixed-Descent Peoples and the Making of the American West* HarperCollins UK

Tinderbox tells the exclusive, explosive, uninhibited true story of HBO and how it burst onto the American scene and screen to detonate a revolution and transform our relationship with television forever. The Sopranos, Game of Thrones, Sex and the City, The Wire, Succession... HBO has long been the home of epic shows, as well as the source for brilliant new movies, news-making documentaries, and controversial sports journalism. By thinking big, trashing tired formulas, and killing off cliches long past their primes, HBO shook off the shackles of convention and led the way to a bolder world of content, opening the door to all that was new, original, and worthy of our attention. In *Tinderbox*, award-winning journalist James Andrew Miller uncovers a bottomless trove of secrets and surprises, revealing new conflicts, insights, and analysis. As he did to great acclaim with SNL in *Live from New York*; with ESPN in *Those Guys Have All the Fun*; and with talent agency CAA in *Powerhouse*, Miller continues his record of extraordinary access to the most important voices, this time speaking with talents ranging from Abrams (J. J.) to Zendaya, as well as every single living president of HBO—and hundreds of other major players. Over the course of more than 750 interviews with key sources,

Miller reveals how fraught HBO's journey has been, capturing the drama and the comedy off-camera and inside boardrooms as HBO created and mobilized a daring new content universe, and, in doing so, reshaped storytelling and upended our entertainment lives forever.

Tinderbox Harlequin

I don't want to relive the tragedy of our doomed marriage... Shannon's surprised in the middle of a winter night when her estranged husband, Kyle, pays her a sudden visit. The passionate pair had married quickly after they'd met, but Shannon's young age and Kyle's flirtatious ways quickly led them to the verge of divorce. What could he want after all this time? Kyle shocks a confused Shannon with a hot kiss and declares that he needs her. Her heart wavers for a second, but she freezes when she realizes his request has nothing to do with love...

The Scions are the four richest, most powerful guys at Valesca Academy, and they rule the school with iron fists. Everyone wants to date them or be them...everyone, that is, except Maya Lindberg, who just wants to avoid them until she can graduate. She almost succeeds, until an ill-advised outburst puts her right in the Scions' path. Just like that, one becomes her fake boyfriend, one her unwanted matchmaker, one her guardian

angel, and the one she can't stand the most? Yeah, he's her new housemate. Is she happy about it? Hell no. All I've Never Wanted is a romantic comedy about what happens when a girl gets everything she never asked for, including a puppy, a new wardrobe, and, possibly, even true love. Open Secrets is Richard Lischer's story of his early career as a Lutheran minister. Fresh out of divinity school and full of enthusiasm, Lischer found himself assigned to a small conservative church in an economically depressed town in southern Illinois. This was far from what this overly enthusiastic and optimistic young man expected. The town was bleak, poor, and clearly not a step on his path to a brilliant career. It's an awkward marriage at best, a young man with a Ph.D. in theology, full of ideas and ambitions, determined to improve his parish and bring them into the twenty-first century, and a community that is "as tightly sealed as a jar of home-canned pickles." In their own way, they welcome him and his family, even though they think he's "got bigger fish to fry." Thus begins Richard Lischer's first year as a pastor: bringing communion to the sick (but forgetting to bring the wafers); marrying two unlikely couples—a pregnant teenager and her boyfriend, and two people who can't stop fighting. Often he doesn't understand his congregation, and sometimes they don't understand him; for instance, why does his wife hire a baby-sitter and instead of

leaving, put on her bathing suit, grab a stack of novels, and hide from the kids? Or why can't Pastor Lischer see how important it is for a woman with little money to buy an elaborate coffin to bury her husband in? There are also the moments of grace, when pastor and parishioner unite for a common goal: when he asks for prayers for his infant son, and can feel everyone in the congregation ministering to him; when old hurts are put aside to help a desperate young woman finish college and raise her baby; or when he helps save a woman from dying of a drug overdose. In Open Secrets Lischer tells not only his own story but also the story of New Cana and all of its inhabitants—lovable, deeply flawed, imperfect people that stick together. With his sharp eye and keen wit, Lischer perfectly captures the comedy of small town life with all of its feuds, rumors, scandals, and friendships. In the end he learns to appreciate not only the life New Cana has to offer, but also the people who have accepted him, at last, as part of themselves.

The Lives of the Million Dollar Babies

The Billion-Dollar Marriage Contract From New York Times bestselling author Katy Evans comes a hot romance about two strangers and their race to fall in love. If someone had bet Nell a million dollars that she would be saying "I do" to a complete stranger on national television, she'd have called them crazy, but with her crushing student loan payments sending her deep into the red, she's out of options. This should be nothing more than a business transaction—until she sets eyes on her groom, and everything changes. The game is on the instant Luke spots Penelope "Nell" Carpenter. He's out for the money, yes, but getting a little dirty with Nell doesn't sound too bad either. Everyone knows he's not the marrying kind, so it's a good thing it's just for show. God knows he's the worst guy his pretty wife should pick for real. They have nothing in common, but if they want the grand prize, they'll have to beat out eight other couples. Proving that total opposites attract should be easy enough...as long as they don't fall in love in the process. [The Billion-Dollar Bride Hunt](#) Harlequin

A better future for the middle class is no longer an aspiration. It is a necessity. The disintegration of the American Dream is more visible than ever before. The understanding—the contract—that existed between individuals willing to work and contribute and a society willing to support those individuals when they needed it is falling apart. Now is the time to draft a new contract with America's middle class.

One that rewards work and service, improves upward mobility, and reduces inequality. In A New Contract with the Middle Class Brookings senior fellows Isabel Sawhill and Richard Reeves outline the foundations of what that new contract should be, based on discussions they had across the country with middle-class Americans. Sawhill and Reeves' recommendations provide solutions to issues that came up time and time again in these conversations: money, time, relationships, health, and respect. Some of the bold recommendations included in A New Contract with the Middle Class: • Eliminate virtually all income taxes paid by the middle class. • Raise the minimum wage and subsidize wages below the median with a worker tax credit. • Offer scholarships for those who undertake at least a year of national service. • Ensure four weeks of paid leave per year. • Align school and working hours and boost child care to help working parents. America is only as strong as the American middle-class. A New Contract with the Middle Class proposes a new way forward.

The Remarkable Odyssey of Angela Merkel Sentinel

Drug overdose, driven largely by overdose related to the use of opioids, is now the leading cause of unintentional injury death in the United States. The ongoing opioid crisis lies at the intersection of two public health challenges: reducing the burden of suffering from pain and containing the rising toll of the harms that can arise from the use of opioid medications. Chronic pain and opioid use disorder both represent complex human conditions affecting millions of Americans and causing untold disability and loss of function. In the context of the growing opioid problem, the U.S. Food and Drug Administration (FDA) launched an Opioids Action Plan in early 2016. As part of this plan, the FDA asked the National Academies of Sciences, Engineering, and Medicine to convene a committee to update the state of the science on pain research, care, and education and to identify actions the FDA and others can take to respond to the opioid epidemic, with a particular focus on informing FDA's development of a formal method for incorporating individual and societal considerations into its risk-benefit framework for opioid approval and monitoring.

[His Billion-Dollar Takeover Temptation](#) Forever

New York Times bestselling author Laura Thompson returns with Heiresses, a fascinating look at the lives of heiresses throughout history and the often tragic

truth beneath the gilded surface. Heiresses: surely they are among the luckiest women on earth. Are they not to be envied, with their private jets and Chanel wardrobes and endless funds? Yet all too often those gilded lives have been beset with trauma and despair. Before the 20th century a wife's inheritance was the property of her husband, making her vulnerable to kidnap, forced marriages, even confinement in an asylum. And in modern times, heiresses fell victim to fortune-hunters who squandered their millions. Heiresses tells the stories of these million dollar babies: Mary Davies, who inherited London's most valuable real estate, and was bartered from the age of twelve; Consuelo Vanderbilt, the original American "Dollar Heiress", forced into a loveless marriage; Barbara Hutton, the Woolworth heiress who married seven times and died almost penniless; and Patty Hearst, heiress to a newspaper fortune who was arrested for terrorism. However, there are also stories of independence and achievement: Angela Burdett-Coutts, who became one of the greatest philanthropists of Victorian England; Nancy Cunard, who lived off her mother's fortune and became a pioneer of the civil rights movement; and Daisy Fellowes, elegant linchpin of interwar high society and noted fashion editor. Heiresses is about the lives of the rich, who—as F. Scott Fitzgerald said—are 'different'. But it

is also a bigger story about how all women fought their way to equality, and sometimes even found autonomy and fulfillment.

A NEW YORK TIMES NOTABLE BOOK OF 2021 • From New York Times bestselling author Eleanor Henderson comes a turbulent love story meets harrowing medical mystery: the true story of the author's twenty-year marriage defined by her husband's chronic illness—and a testament to the endurance of love Eleanor met Aaron when she was just a teenager and he was working at a local record store—older, experienced, and irresistibly charming. Escaping the clichés of fleeting young love, their summer romance bloomed into a relationship that survived college and culminated in a marriage and two children. From the outside looking in, their life had all the trappings of what most would consider a success story. But, as in any marriage, things weren't always as they seemed. On top of the typical stresses of parenting, money, and work, there were the untended wounds of depression, addiction, and childhood trauma. And then one day, out of nowhere: a rash appeared on Aaron's arms. Soon, it had morphed into painful lesions covering his body. Eleanor was as baffled as the doctors. There was no obvious diagnosis, let alone a cure. And

as years passed and the lesions gave way to Aaron's increasingly disturbed concerns about the source of his sickness, the husband she loved seemed to unravel before her eyes. A new fissure ruptured in their marriage, and new questions piled onto old ones: Where does physical illness end and mental illness begin? Where does one person end and another begin? And how do we exist alongside someone else's suffering? Emotional, intimate, and at times agonizing, *Everything I Have Is Yours* tells the story of a marriage tested by powerful forces outside both partners' control. It's not only a memoir of a wife's tireless quest to heal her husband, but also one that asks just what it means to accept someone as they are.

The Greek's Chosen Wife Taylor & Francis

How to redeem the world's richest playboy? Marry a Cinderella! Fantastically wealthy Thanos Stathakis almost has it all. He requires just one last company to complete his empire. But to acquire it, he must counter his scandalous reputation—with a wife! His executive assistant, Alice, is the perfect choice—oh-so-respectable and in need of financial support for her family. He persuades her their vows are purely for show. Until he lifts Alice's veil and their intense, electrifying kiss complicates everything... Step into the Greek's decadent world with this emotional Cinderella story
