 Dividing Monomials (8th
 Grade)Dividing Monomials
 How Do We Divide When
 Exponents are Involved?
 As you've seen in the
 prior lessons, when we
 work with monomials, we
 see a lot of exponents.
 You've discovered the
 laws of exponents and the
 properties for multiplying
 exponents, but what
 happens when we divide?
 That is the question we
 are going to answer in
 this lesson.Dividing
