Simone de Beauvoir and the Politics of Ambiguity is the first full-length study of Beauvoir's political thinking. Best known as the author of *The Second Sex*, Beauvoir also wrote an array of other political and philosophical texts that together, constitute an original contribution to political theory and philosophy. Sonia Kruks here locates Beauvoir in her own intellectual and political context and demonstrates her continuing significance. Beauvoir still speaks, in a unique voice, to many pressing questions concerning politics: the values and dangers of liberal humanism; how oppressed groups become complicit in their own oppression; how social identities are perpetuated; the limits to rationalism; and the place of emotions, such as the desire for revenge, in politics. In discussing such matters Kruks puts Beauvoir's ideas into conversation with those of many contemporary thinkers, including feminist and race theorists, as well as with historical figures in the liberal, Hegelian, and Marxist traditions. Beauvoir's political thinking emerges from her fundamental insights into the ambiguity of human existence. Combining phenomenological descriptions with structural analyses, she focuses on the tensions of human action as both free and constrained. To be human is to be a paradoxical being, at once capable of free choice and yet, because embodied, vulnerable to injury from others. Politics is thus a domain of complexly interwoven, multiple, human interactions that is rife with ambiguity, and where freedom and violence too often closely intertwine. Beauvoir accordingly argues that failure is a necessary part of

political action. However, she also insists that, while acknowledging this, we should assume responsibility for the outcomes of what we do.

If it was only about her, she might never have come back to Rose Bend. But it's not only about her anymore. Sydney Collins left the small Berkshires town of Rose Bend eight years ago, grieving her sister's death—and heartbroken over her parents' rejection. But now the rebel is back—newly divorced and pregnant—ready to face her fears and make a home for her child in the caring community she once knew. The last thing she needs is trouble. But trouble just set her body on fire with one hot, hot smile. Widower and Rose Bend mayor Coltrane Dennison hasn't smiled in ages. Until a chance run-in with Sydney Collins, who's all grown-up and making him want what he knows he can't have. Grief is his only connection to the wife and son he lost, and he won't give it up. Not for Sydney, not for her child, not for his heart. But when Sydney's ex threatens to upend everything she's rebuilt in Rose Bend, Cole and Sydney may find that a little trouble will take them where they never expected to go. **What Is Existentialism?** HQN Books

'It is possible for man to snatch the world from the darkness of absurdity' How should we think and act in the world? These writings on the human condition by one of the twentieth century's great philosophers explore the absurdity of our notions of good and evil, and show instead how we make our own destiny simply by being. One of twenty new books in the bestselling Penguin Great Ideas series. This new selection showcases a diverse list

of thinkers who have helped shape our world today, from anarchists to stoics, feminists to prophets, satirists to Zen Buddhists.

Dating from her years as a philosophy student at the Sorbonne, this is the 1926-27 diary of the teenager who would become the famous French philosopher, author, and feminist, Simone de Beauvoir. Written years before her first meeting with Jean-Paul Sartre, these diaries reveal previously unknown details about her life and offer critical insights into her early philosophy and literary works. Presented here for the first time in translation and fully annotated, the diary is completed by essays from Barbara Klaw and Margaret A. Simons that address its philosophical, historical, and literary significance. The volume represents an invaluable resource for tracing the development of Beauvoir's independent thinking and influence on the world.

By turns surprising and revelatory, this sixth volume in the Beauvoir Series presents newly discovered writings and lectures while providing new translations and contexts for Simone de Beauvoir's more familiar writings. Spanning Beauvoir's career from the 1940s through 1986, the pieces explain the paradoxes in her political and feminist stances, including her famous 1972 announcement of a "conversion to feminism" after decades of activism on behalf of women. Feminist Writings documents and contextualizes Beauvoir's thinking, writing, public statements, and activities in the services of causes like French divorce law reform and the rights of women in the Iranian Revolution. In addition, the volume provides new insights into Beauvoir's complex thinking and illuminates her historic role in linking the movements for sexual freedom, sexual equality, homosexual rights, and women's rights in France.

In 1920's England, a young woman searches for the truth behind her uncle's mysterious death in a town haunted by a restless ghost... Oxford student Jillian Leigh works day and night to keep up with her studies—so to leave at the beginning of the term is next to impossible. But after her uncle Toby, a renowned ghost hunter, is killed in a fall off a cliff, she must drive to the seaside village of Rothewell to pack up his belongings. Almost immediately, unsettling incidents—a book left in a cold stove, a gate swinging open on its own—escalate into terrifying events that convince Jillian an angry spirit is trying to enter the house. Is it Walking John, the two-hundred-year-old ghost who haunts Blood Moon Bay? And who beside the ghost is roaming the local woods at night? If Toby uncovered something sinister, was his death no accident? The arrival of handsome Scotland Yard inspector Drew Merriken, a former RAF pilot with mysteries of his own, leaves Jillian with more questions than answers—and with the added complication of a powerful, mutual attraction. Even as she suspects someone will do anything to hide the truth, she begins to discover spine-chilling secrets that lie deep within Rothewell...and at the very heart of who she is.

He wants me to be his queen... Warned as a girl to keep her kisses to herself, Greer Galloway wants nothing to do with kisses—or love. Twice she's ignored the childhood warning and kissed a man, and both times ended in gutting, miserable heartbreak. Now she's sworn off all romance forever, determined to teach her classes and do her research, and live out the rest of her days alone. I want to be his everything. But Ash Colchester hasn't sworn off Greer—not at all. Still in love with the girl he once kissed in a circle of broken glass, this soldier-turned-President has never forgotten the taste of her kiss or the sound of her whispered, yes, please against his mouth. He's never forgotten the promises he wanted to make her and couldn't because she was too young for him then, and far too innocent for the things he needs. But he can't wait any longer . . . But can a fairy tale have a happily ever after for three people? Desperate to have her, Ash sends his best friend Embry to bring Greer to him, not knowing they have their own secrets, their own tragedies together. Their own cravings . . . Soon, Greer finds herself caught between past and present, pleasure and pain—and the two men who long for each other as much as they long for her. And as war and betrayal press ever closer, they tumble headlong into a passionate love affair that will change the world. My name is Greer Galloway and I serve at the pleasure of the President of the United States. From the USA Today bestselling author of Priest and Misadventures of a Curvy Girl comes a contemporary reimagining of the legend of King Arthur, Guinevere, and Lancelot—elegant, carnal, and unforgettable.

*Perfect Chemistry* Univ of California Press

Bicycles have more cultural identities than many realize, functioning not only as literal vehicles in a text but also as “vehicles” for that text’s themes, ideas, and critiques. In the late nineteenth century the bicycle was seen as a way for the wealthy urban elite to reconnect with nature and for women to gain a measure of personal freedom, while during World War II it became a utilitarian tool of the French Resistance and in 1970s China stood for wealth and modernization. Lately it has functioned variously as the favored ideological steed of environmentalists, a means of community bonding and aesthetic self-expression in hip hop, and the ride of choice for bike messenger-idolizing urban hipsters. Culture on Two Wheels analyzes the shifting cultural significance of the bicycle by examining its appearances in literary, musical, and cinematic works spanning three continents and more than 125 years of history. Bringing together essays by a variety of cyclists and scholars with myriad angles of approach, this collection highlights the bicycle’s flexibility as a signifier and analyzes the appearance of bicycles in canonical and well-known texts such as Samuel Beckett’s modernist novel Molloy, the Oscar-winning film Breaking Away, and various Stephen King novels and stories, as well as in lesser-known but equally significant texts, such as the celebrated Russian director Andrei Tarkovsky’s film Sacrifice and Elizabeth Robins Pennell’s nineteenth-century travelogue A Canterbury Pilgrimage, the latter of which traces the route of Chaucer’s pilgrims via bicycle. Listen to an interview with the author.

*Simone de Beauvoir* University of Chicago Press

A novel by the iconic Simone de Beauvoir of an intense and vivid girlhood friendship that, unpublished in her lifetime, displays “Beauvoir's genius as a fiction writer” (Wall Street Journal) From the moment Sylvie and Andrée meet in their Parisian day school, they see in each other an accomplice with whom to confront the mysteries of girlhood. For the next ten years, the two are the closest of friends and confidantes as they explore life in a post-World War One France, and as Andrée becomes increasingly reckless and rebellious, edging closer to peril. Sylvie, insightful and observant, sees a France of clashing ideals and religious hypocrisy—and at an early age is determined to form her own opinions. Andrée, a tempestuous dreamer, is inclined to melodrama and romance. Despite their different natures they rely on each other to safeguard their secrets while entering adulthood in a world that did not pay much attention to the wills and desires of young women. Deemed too intimate to publish during Simone de Beauvoir's life, *Inseparable* offers fresh insight into the groundbreaking feminist's own coming-of-age; her transformative, tragic friendship with her childhood friend Zaza Lacoïn; and how her youthful relationships shaped her philosophy. Sandra Smith's vibrant translation of the novel will be long cherished by de Beauvoir devotees and first-time readers alike.
