Charlie lives an average life in an ordinary home, and she isn't complaining. Jack is a good husband and they have beautiful children—but when she discovers her penchant for a secret taboo, she finds that it suddenly turns her sex life from a mundane distraction into a mind-blowing, transcendent

experience. This is the story of a woman's exquisite unfolding, as her sexual discovery and yearning for something more pushes she and her man to the edge, testing boundaries and forcing her to surrender to something much deeper than herself.-----Warnings: This title contains erotic situations, a plethora of anal sex, elements of BDSM and a menage a trois (MFM threesome) with a very lucky bellboy.-----
EXCERPT:When I came out of the bedroom, he was naked on the bed, a few pillows tucked behind his head. His eyes lit up when he saw me and he let out a low whistle. "Where's the KY?" he asked. I smiled, bringing the bag out from behind my back. I was more than ready. I tossed it toward him and he caught it, opening the Ziploc bags and fishing out

the tubes. He threw one back at me. "For the bathroom. Leave it on the counter." I walked back to the bathroom, still just a little unsteady in the heels, peeking around the corner to put the KY next to the sink. When I turned back, Jack was pacing, tossing pillows around the room. He threw a bottle of KY next to the two pillows on the floor, one on each side of the bed. He put one on each night table. "What are you doing?" I put my hands on my hips and cocked my head at him. "Tactical maneuvers." He looked over at me with a grin. "Reinforcing my supply lines." I laughed, shaking my head. He sat on the bed, crooking his finger at me again, and with a sense of deja-vu, I came to stand between his thighs. His hands moved over my hips in the white cotton panties and then slid up

to my breasts in the black lace bra, pushing my flesh up until it threatened to spill over the top. “Angel and slut.” His breath was hot against my belly as he kissed me there, and I finally understood his choice in garments. His thumbs rolled over my nipples through the lace and I sighed, arching my back toward him. He licked them through the fabric, making fat circles around and around. Slipping my hand through his hair, I pulled him closer, moving forward and sitting on his leg, rubbing my pussy over his thigh. I'd been wearing the panties less than five minutes and they were already damp. His cock was hard, brushing against the lace top of my thigh high as I ground my hips against him—the heat of it was incredible. I reached down and tugged on his shaft,

rubbing my thumb over the tip, making him groan against my breasts with his face buried there. Slowly, I slid down his thigh, kneeling between his legs and looking up at him. His cock was pointing straight at my mouth, as if it knew just what it wanted, and I reached my tongue out for it, licking all around the tip, making it wet. Jack made a happy noise in his throat, looking down to see himself disappearing into my mouth. I loved sucking his cock, and I knew just what he liked, teasing and licking and even nibbling at first, just at the tip, until he started leaking pre-cum. Then I opened my mouth wide, taking him in as far as I could go, usually about halfway at first, working him deeper and deeper with every pass. I put my hands behind my back as I sucked him, crossing my arms

at the wrists. It was my version of “see, no hands!” and he loved it, grabbing my hair, growling and thrusting, using my mouth and throat for his pleasure. There were times when I could, and did, do this for hours, in various positions, bringing him to a near-boiling point again and again, only to back off for a while, licking his thighs, his balls, his belly, and then starting all over.

In her attempt to escape her sisters' Valentine matchmaking, Annie meets the enigmatic Eric, who she realizes could finally be the man of her dreams. In spite of, or maybe because of, Eric's cryptic words and puzzling behavior, she finds herself immediately intrigued and drawn to him like no other man she's ever met. One night in Annie's sister's kitchen seals their fate, as the two lovers discover and explore the instant spark of heat between them. Their evening comes to an abrupt end when the mysterious Eric disappears into the night, and Annie realizes she doesn't know his last name! How is she to find him? After months of fruitless searching,

Annie finally gets a dubious break when she meets Eric's eccentric mother. Dita sends Annie on a journey deep into the unknown, through an ever-twisting labyrinth of frustrating dead-ends and seemingly strange, pointless missions. Annie's life is turned upside down as she searches for the one man who can make her life feel complete. Told in the spirit of magical realism, this modern day adaptation of the Greek myth of Eros and Psyche takes Annie on each of Psyche's tasks in her quest for her lost love. Each task brings her closer to him and to realizations about herself. Will Annie find Eric and reveal to him the secret she's been keeping, even from her sisters? Warnings: This title contains erotic situations, graphic language, and sex – a fun, modern day magical-realism

retelling of the Psyche and Eros myth that will leave you mythtified yet satisfied. EXCERPT: "Can we stop talking?" she whispered, leaning back and turning her face so her cheek rested against his. "I don't remember ever feeling this good." "Do you want to just see what happens?" he asked, his fingers trailing down her chin, her throat. "No. I want to be what happens." His mouth found hers in the darkness, a slow journey from a mislaid kiss against her ear, a wet trail over her cheek leading to her open and anticipating lips. He kissed her like she was a secret he was keeping—something precious and tender and worth protecting. Annie hesitated, waiting for him to stop her as her hand curled back to touch his cheek, expecting to find

thick scars or warped flesh, but to her surprise, his skin was smooth and unmarred. She slithered her arm around his neck, slanting her mouth across his and teasing his lips with her tongue. His fingers fumbled with her buttons and she helped him, exposing her skin to the cool kitchen air. Kitchens were always so damned cold when there was no cooking going on. She suspected it was the tile, but regardless, her nipples responded immediately to the temperature change. The angle of the kiss was awkward, but she was afraid to move and break their connection. His hand drifted over the soft material of her bra, and she was glad she had worn something with a definite texture, silky and light. Annie believed she heard voices coming closer to the door and she pulled quickly away,

listening intently. The conversation was muffled and unintelligible, but after a few moments, she clearly heard her sister say, "In the kitchen." She looked at Eric, trying to keep her breath from being fast and audible. "Maybe we should go somewhere?" she whispered, ducking her head and moving to her hands and knees to crawl out from under the table. He grabbed her hips and she gasped, looking back at him as he held fast. "No, we can stay here," he insisted, sliding his hands up her bare thighs. "Are you sure?" "Live dangerously." His hands roamed over ass as he lifted her skirt. "What color are these panties?" He probed her crevice through the thin material and she wiggled and sighed, arching her back. "Black," she whispered as he pushed her panties aside.

"Shhh." Her hand pressed against his thigh, squeezing. "Watch the movie." He tried. He really did. But she didn't move her hand away. Instead she began inching it slowly upward and he held his breath, his eyes half-closed and

glazed over. He didn't know how long it took for her to reach his crotch. Half an hour? An hour? It was an agonizingly slow progression, but he didn't dare move. On the screen, Brando and the girl had found a myriad of ways to have sex, only making things worse off-screen. Henry was so turned on he thought he just might come in his pants when he felt her long, red fingernails graze over his erection through his jeans. When he pressed his hips up toward her hand, he heard her swallow, her palm resting now against his zipper. Her face was turned toward the screen, as if the movie and whatever Brando was doing with a stick of butter was the most interesting thing she'd ever seen, but she was exploring the outline of his cock with her fingers in the dark. He

wanted to touch her, too, but he didn't want to break the spell they were under, was too afraid she would stop, say no. He let out a soft cry when she rubbed her thumb over the head of his dick through the denim. She shifted in her seat, crossing and uncrossing her legs, and he could hear her breath coming faster, almost as fast as his. He let his knees fall further open, feeling her thigh brush his. Her sweet, bare leg. He glanced down and saw that her skirt was up, far up over her knees, up the long, slim expanse of her thigh. She was too sexy for words. His eyes searched for her hemline, but it just kept going up and up, the folds of her skirt finally tucked into the V of her crotch. It was then that he realized where her other hand was. The thought of her touching herself,

right there next to him in the dark, made his cock swell in response. He slowly covered her hand, the one cupping his erection, with his own. She whimpered when he did that and he saw her close her eyes as he rocked up against her, with her. Then she searched for and found his zipper. She inched it down, not even unsnapping his jeans, just sliding her hand into the opening to feel him through his boxers.

 EXCERPT: I'm kissing my high school
 English teacher. It was the thought that
 still came first, even after they'd been
 doing this, what, a month or more now?

His mouth was soft, open, a little too eager. She pressed both her hands to his chest--he was incredibly tall, but she was just a little over five foot. He'd told her he liked small girls. She'd seen his wife--a pretty, Asian woman, even shorter than Cassie--and she believed him. "I'm hungry," she murmured as his hands groped their way down to the seat of her jeans, lifting her toward his mouth again. "So am I." His tongue probed this time, sending shivers through her, making her nipples hard under her blouse. When he got a good grip on the back of her thighs, he pulled her up, wrapping her legs around his waist, putting them on more even playing field, so to speak. But now, she was at his whim, and she had a feeling she knew where this was heading. "God, I want you," he

murmured against her neck, nibbling there, sucking. She'd have hickeys all over in the morning, but there would be no one to hide them from, so she didn't care. "I want to be inside you. I've been thinking about it all day." So had she. As much as they had done, so far, had been quick fumbblings in one car or another, but they'd never had enough time or been in a private enough place to do enough to truly satisfy themselves. Truly, she was surprised he'd gone on with the pretense of dinner at all, and hadn't just met her at the door naked with his cock in his hand. The thought made her smile. "What's more pressing?" Cassie tipped her head back as his mouth moved down the V of her blouse. "Dinner, or...?" "You tell me." He shifted her weight--he could throw her

around like a rag doll if he wanted to-- and pressed her crotch into his. She felt the length of him, hard and ready. Christ, he was big! That was promising... "Well, you do have a microwave." She rolled her hips, grinding her pelvis into his, and he groaned. "To hell with dinner." He carried her as far as the couch, which wasn't really a couch at all, but more of a futon, with ornately carved wooden arms and a rather hard red cushioned top. There was barely enough room on it for her, let alone him, but neither of them seemed to care. He already had his jeans unzipped, his shirt off, and was kneeling between her legs, working the buttons on her blouse. His hands shook, so she helped him, opening it and her bra--front hook-- seeing his eyes light up at the sight of

her breasts. Small, but firm, her nipples were pink and prominent, her skin fair. She had the faint remains of a sunburn that followed the same V-pattern of her blouse--blondes like her burned so easily. "God, you're beautiful," he moaned, taking a nipple into his mouth, sucking hard. Cassie groaned and arched, fumbling with the snap and zipper of her jeans. Should have worn a skirt, she chided herself as she tried to work them down her hips, her clit throbbing. Her pussy had been wet for hours, just thinking about this moment. -----EXCERPT:"Would it be wrong to tell
you how much I want to kiss you?" His
eyes were silver in the moonlight, his
breath full of sake."No," I whispered,
putting my arms around his neck. "It
would be really wrong not to do it,
though.""You think?" His lips met mine
before I could think of a response, before
I could think at all. He tasted like sake,
too, but so did I. I wasn't sure it was the
sake, though, that was sending the fire
flowing through my veins as we kissed. I
slipped a hand through his hair, all those
dark curls, as his mouth slanted across

mine and our tongues began to explore.
I forgot where we were, I forgot
everything but the feel of his body
against mine, my breasts pressed
against his chest as he pulled me in
closer."Janie, I want you," he whispered,
kissing my neck, enveloping me in his
arms. I could feel that—his cock hard
through his trousers, pressed against my
belly. "Would it be wrong to take you
home with me tonight?"I shivered as he
lavished kisses over my neck and
shoulders, his breath hot, coming almost
as fast as mine. I wanted to answer him,
to tell him yes, but I was too afraid. What
would happen then, I wondered? What
would it be like, waking up with Josh but
having to face Catherine in the morning?
How was this going to work?"Josh," I
murmured as his hands moved down my

back, cupping my ass, squeezing gently as his tongue made little circles over my collarbone. God, if he kept that up, I was going to be inviting him back to my place, and I didn't even want to think about the consequences of that, what Ronnie and TJ would say. "You feel so good," he groaned, and before I knew it, we were kissing on a park bench, Josh pulling me into his lap.
