As an 8 year old boy Carl Spiers witnessed his first football hooliganism at Stockport in 1969. It was a seminal moment in his life and sparked an obsession with violence. For the next 15 years he progressed from onlooker to teenage boot boy to gang leader and eventually became one of Oldham's top 'lads' in the late 70's/early 1980's. This roller-coaster ride took him up and down the country clashing with over sixty rival teams from all four divisions. Along the way Carl suffered many injuries including being stabbed in the chest and inner thigh, having his nose, cheekbones, arm, wrists, fingers and skull broken and his teeth

knocked out. He eventually saw the futility of all this mindless violence and by his early twenties he settled down. Nevertheless his experiences stood him in good stead as he went on to become widely recognised as an expert on football hooliganism and wider British youth culture.

[Age of Anger](#) Dramatic Publishing

The nineties was the decade when British culture reclaimed its position at the artistic centre of the world. Not since the 'Swinging Sixties' had art, comedy, fashion, film, football, literature and music interwoven into a blooming of national self-confidence. It was the decade of Lad Culture and Girl Power; of Blur vs Oasis. When fashion runways shone with British talent, Young British Artists became household names, football was 'coming home' and British film went worldwide. From Old Labour's defeat in 1992 through to New Labour's historic

landslide in 1997, *Don't Look Back In Anger* chronicles the Cool Britannia age when the country united through a resurgence of patriotism and a celebration of all things British. But it was also an era of false promises and misplaced trust, when the weight of substance was based on the airlessness of branding, spin and the first stirrings of celebrity culture. A decade that started with hope then ended with the death of the 'people's princess' and 9/11 - an event that redefined a new world order. Through sixty-eight voices that epitomise the decade - including Tony Blair, John Major, Noel Gallagher, Damon Albarn, Tracey Emin, Keith Allen, Meera Syal, David Baddiel, Irvine Welsh and Steve Coogan - we re-live the epic highs and crashing lows of one of the most eventful periods in British history. Today, in an age where identity dominates the national agenda, *Don't Look Back In Anger* is a necessary and compelling historical document.

'Will open the minds of even the most ardent denier of climate change and/or systemic racism. If there's one book that will help you to be an effective activist for climate justice, it's this one.' Dr Shola Mos-Shogbamimu 'Accessible. Poignant. Challenging.' Nnimmo Bassey, environmentalist and author of *To Cook a Continent: Destructive Extraction and the Climate Crisis in Africa* When we talk about racism, we often mean personal prejudice or institutional biases. Climate change doesn't work that way. It is structurally racist, disproportionately caused by majority White

people in majority White countries, with the damage unleashed overwhelmingly on people of colour. The climate crisis reflects and reinforces racial injustices. In this eye-opening book, writer and environmental activist Jeremy Williams takes us on a short, urgent journey across the globe - from Kenya to India, the USA to Australia - to understand how White privilege and climate change overlap. We'll look at the environmental facts, hear the experiences of the people most affected on our planet and learn from the activists leading the change. It's time for each of us to find our place in the global struggle for justice.

**A Casebook** Vintage

*Look Back in Anger* transformed the face of British theatre; legend has it that audiences gasped at the sight of an ironing board on a London stage. John Osborne's play launched the 'angry young men' movement, writers from working or middle class background who had become disillusioned with British society, were sick of contemporary theatre's escapism, and wanted their work to reflect life as they knew it. The play tells the story of a love triangle between Jimmy, an intelligent and educated man of working class background, his upper-middle-class wife Alison, and her superior and disdainful best-friend Helena. Jimmy hates his wife's background, almost as much as he hates himself. Dark and savage, *Look Back in Anger* makes readers and audiences re-examine what was once called 'the good life'.

**The Stepmother** Faber & Faber Poetry

From being the butt of jokes to domestic treble winners, Manchester City fans have endured more ups and downs than most football supporters over the past 30 years as they

journeyed down the divisions before bouncing back in spectacular style under a new owner with unlimited wealth. Yet throughout this long rollercoaster journey City fans stayed loyal to their club - averaging over 25,000 most seasons when other large clubs have seen attendances slump well below that in bleak times. Don Price follows up his naval memoirs and last year's 'We Never Win at Home...' with a final collection of memories from his travels with City alongside fanzine editors Dave Wallace, Phill Gatenby and Sean Riley, a City fan who has missed just one game in 35 years and that through no fault of his own! What emerges is a support still in disbelief that after years of their team being the punchline for jokes by their neighbours and rivals they now hold the upper hand and rule the roost in English football.

Look Back in Anger Look Back in Anger

This play about the life and work of a second-rate music hall comic (brilliantly created by Sir Laurence Olivier in the original production) and staged only eleven months after the opening of *Look Back in Anger*, secured John Osborne's reputation and has become a classic of 20th century drama.

THE LAST ACT OF MIRKA ANDOLFO'S SOLD-OUT HIT SERIES!

Newspapers call her a killer, her allies are dead or beaten to a pulp, and her enemies are closing in on her. Oh, and she still has a major 'inner demons' problem to face. So let's agree that Leslie's not in a good spot right now and just leave it there, all right? As we enter the third and final act of MIRKA ANDOLFO's epic, things get pretty serious; we learn more about the world of UNNATURAL and the secret origins of the Glance. Will Leslie be strong enough to survive all this, or is this really the end of the

line for her?

*A Play* Macmillan

Irresistibly magnetic on stage, mesmerizing in movies, seven times an Academy Award nominee, Richard Burton rose from humble beginnings in Wales to become Hollywood's most highly paid actor and one of England's most admired Shakespearean performers. His epic romance with Elizabeth Taylor, his legendary drinking and story-telling, his dazzling purchases (enormous diamonds, a jet, homes on several continents), and his enormous talent kept him constantly in the public eye. Yet the man behind the celebrity facade carried a surprising burden of insecurity and struggled with the peculiar challenges of a life lived largely in the spotlight. This volume publishes Burton's extensive personal diaries in their entirety for the first time. His writings encompass many years--from 1939, when he was still a teenager, to 1983, the year before his death--and they reveal him in his most private moments, pondering his triumphs and demons, his loves and his heartbreaks. The diary entries appear in their original sequence, with annotations to clarify people, places, books, and events Burton mentions. From these hand-written pages emerges a multi-dimensional man, no mere flashy celebrity. While Burton touched shoulders with shining lights--among them Olivia de Havilland, John Gielgud, Claire Bloom, Laurence Olivier, John Huston, Dylan Thomas, and Edward Albee--he also played the real-life roles of supportive family man, father, husband, and highly intelligent observer. His diaries offer a rare and fresh perspective on his own life and career, and on the glamorous decades of the mid-twentieth century.

*An Autobiography : Volume II, 1955-1966* Bloomsbury Publishing

Described by its author as 'almost irresponsibly optimistic', *Saved* is a play set in London in the sixties. Its subject is the cultural poverty and frustration of a generation of young people on the dole and living on council estates. The play was first staged privately in November 1965 at the Royal Court Theatre before members of the English Stage Society in a time when plays were still censored. With its scenes of violence, including the stoning of a baby, *Saved* became a notorious play and a cause célèbre. In a letter to the Observer, Sir Laurence Olivier wrote: 'Saved is not a play for children but it is for grown-ups, and the grown-ups of this country should have the courage to look at it.' *Saved* has had a marked influence on a whole new generation writing in the 1990s. Edward Bond is "a great playwright - many, particularly in continental Europe, would say the greatest living English playwright" (Independent)

The four boyfriends, with the help of the members of their school's drama class, set up a witty scenario designed to fool the girls into thinking that they should never have called off their relationships - because one day soon the lads will be the world-famous boyband Awesome. The current obsession with celebrity is satirized with the lightest of touches in this intelligent comedy for teenagers. 7 women, 7 men

[A Play in Three Acts](#) A&C Black

From the landmark films of Tony Richardson to the untimely death of Natasha Richardson - this is the saga of one of the greatest dynasties in British film and theatre. In 1928, at the end of a production of *Hamlet* at the Old Vic, Laurence Olivier strode to the front of the stage to hush the audience and announced,

pointing at his co-star Michael Redgrave, 'Tonight a great actress has been born. Laertes has a daughter.' He meant Vanessa Redgrave. That is where this dramatic book's story begins. It concludes in 2009, with the sudden and tragic death in a skiing accident of Vanessa's daughter Natasha Richardson - and further family sorrow soon to follow with the deaths of both Corin and Lynn Redgrave. The story of this amazing family is explosive throughout - from the tangled private life of Tony Richardson, Natasha's father, who directed major films such as *Look back in Anger*, to Vanessa and Corin's complicated involvement with the Workers' Revolutionary Party, to the emergence of a fourth generation of fine actors with Natasha and Joely. There is truly never a dull moment - but plenty of scandal, melodrama, tragedy and intrigue - in the story of this remarkable dynasty, whose contribution to British drama and film has been immense.

[Look back in anger](#) Penguin

Lois Relph, a young stepmother with two stepdaughters for whom she cares deeply and her own thriving business, appears contented and in charge. But this is 1924, so does she really have control of her own money, or even her life, and what will she be able to do if things are in danger of going wrong both personally and professionally? It needs courage and determination to define what being a wife, mother and businesswoman means and it is not easy. A story whose resonance is still felt today.

[With an Introduction and Summaries](#) Icon Books

Following on from Osborne's first autobiographical book, *A Better Class of Person*, this book looks at the period 1955 to 1966. It covers the foundation of the English Stage Company at the Royal Court Theatre to the death of his artistic director and Osborne's

mentor, George Devine. At the Royal Court he experienced years of high theatrical achievement and low backstage comedy. For the playwright it was a decade of baffling and often ludicrous notoriety and of emotional and matrimonial upheaval. During this period Osborne wrote *The Entertainer*, *Luther*, *A Portrait for Me* and *Inadmissible Evidence*, was propositioned by Marlene Dietrich, spent the night in a Mexican brothel, consoled Vivien Leigh, grappled with the Lord Chamberlain in St James's Palace and won an Oscar.

**John Osborne: Look Back in Anger** Cambridge University Press

One of our most important public intellectuals reveals the hidden history of our current global crisis How can we explain the origins of the great wave of paranoid hatreds that seem inescapable in our close-knit world - from American 'shooters' and ISIS to Trump, from a rise in vengeful nationalism across the world to racism and misogyny on social media? In *Age of Anger*, Pankaj Mishra answers our bewilderment by casting his gaze back to the eighteenth century, before leading us to the present. He shows that as the world became modern those who were unable to fulfil its promises - freedom, stability and prosperity - were increasingly susceptible to demagogues. The many who came late to this new world or were left, or pushed, behind, reacted in horrifyingly similar ways: intense hatred of invented enemies, attempts to re-create an imaginary golden age, and self-empowerment through spectacular violence. It was from among

the ranks of the disaffected that the militants of the 19th century arose - angry young men who became cultural nationalists in Germany, messianic revolutionaries in Russia, bellicose chauvinists in Italy, and anarchist terrorists internationally. Today, just as then, the wider embrace of mass politics, technology, and the pursuit of wealth and individualism has cast many more billions adrift in a literally demoralized world, uprooted from tradition but still far from modernity - with the same terrible results. Making startling connections and comparisons, *Age of Anger* is a book of immense urgency and profound argument. It is a history of our present predicament unlike any other.

*The rise and fall of Cool Britannia, told by those who were there*  
Samuel French Limited

In 1956 John Osborne's *Look Back in Anger* changed the course of English theatre. 'Look Back in Anger presents post-war youth as it really is. To have done this at all would be a significant achievement; to have done it in a first play is a minor miracle. All the qualities are there, qualities one had despaired of ever seeing on stage - the drift towards anarchy, the instinctive leftishness, the automatic rejection of "official" attitudes, the surrealist sense of humour . . . the casual promiscuity, the sense of lacking a crusade worth fighting for and, underlying all these, the determination that no one who dies shall go unmourned.' Kenneth Tynan, *Observer*, 13 May 1956 'Look Back in Anger . . . has its inarguable importance as the beginning of a revolution in the British theatre, and as the central and most immediately influential expression of the mood of its time, the mood of the "angry young man".' John Russell Taylor

Short Plays, Comedy Characters: 2 male, 2 female 3 interior sets  
Consists of The Way of All Fish, Virtual Reality and In and Out of the Light, three short plays about the collision of wills that were an Off Broadway comedy sensation starring the authors. "Classic comedies ... with subversive details that keep catching you off guard.... The evening ... percolates with actorly inventiveness and a willingness to pursue a warped logic step by step

*Modern British Drama on Screen* Faber & Faber

Look Back in Anger is one of the few works of drama that are indisputably central to British culture in general, and its name is one of the most well-known in postwar cultural history. Its premiere in 1956 sparked off the first "new wave" of kitchen-sink drama and the cultural phenomenon of the angry young man. The play's anti-hero, Jimmy Porter, became the spokesman of a generation. Osborne's play is a key milestone in "new writing" for British theatre, and the Royal Court-which produced the play-has

since become one of the most important new writing theatres in the UK.

### **John Osborne's Look Back in Anger** GRIN Verlag

In 1971 a young French ethnologist named Francois Bizot was taken prisoner by forces of the Khmer Rouge who kept him chained in a jungle camp for months before releasing him. Four years later Bizot became the intermediary between the now victorious Khmer Rouge and the occupants of the besieged French embassy in Phnom Penh, eventually leading a desperate convoy of foreigners to safety across the Thai border. Out of those ordeals comes this transfixing book. At its center lies the relationship between Bizot and his principal captor, a man named Douch, who is today known as the most notorious of the Khmer Rouge's torturers but who, for a while, was Bizot's protector and friend. Written with the immediacy of a great novel, unsparing in its understanding of evil, *The Gate* manages to be at once wrenching and redemptive.
