The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide

suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Counseling for counselors. The question is, "How does one conduct premarital counseling?" Many have not received any training in this area. I faced this same problem. As a pastor, I had to figure out how to conduct premarital counseling. The benefits were plainly evident. Session by session, couple by couple, I finally figured out a plan. I have since then enhanced it a bit and made it available to others. Everything one needs is here including handouts and forms with many downloads to enhance use in our internet age. Purpose: To aid pastors, elders and other church leaders involved in premarital counseling to challenge and prepare engaged couples to have good

and godly marriages. *Handbook of Marriage Counseling* BenBella Books
 Tying the Knot by Rob Green offers soon-to-be-married couples a practical vision of Christ-centered marriage that is realistic, hopeful, and actionable. With homework to help any counselor or couple put crucial lessons into practice, Tying the Knot is a highly relevant premarital counseling book. This eight-session study guides couples through issues like conflict, expectations, communication, finances, and intimacy, showing how each can be successfully resolved with Christ at the center of the marriage. Knowing the stresses and needs of a couple in their season

of engagement, Green has helpfully designed the study to require a manageable (and healthy) 60 minutes of at-home work per session, with questions and exercises to build communication and intimacy at the end of each chapter. Tying the Knot also includes an appendix for mentors, making it easy for a married couple, lay leader, or counselor to lead an engaged couple through the book. Field-tested and recommended by multiple counselors in a thriving counseling practice, Tying the Knot has already guided many couples into a stronger and more joyful union. Let this eight-week premarital study reorient your life and marriage around

Christ, so you both will experience all the blessings of marriage as God designed it. [A Pre-marriage Counselling Handbook](#)

First, Kill All the Marriage Counselors

Dag Heward-Mills
You speak God's truth when you counsel. But do you also communicate His

grace? The Christian counselor or pastor plays an important role in helping people process the trauma they've experienced. Too often, a client leaves the counselor's office with feelings of guilt and shame. They feel the heavy burden of what they did wrong. But somehow, they've missed the grace of God that makes things right again. A counseling model that stays true to a biblical worldview will overflow with grace . . . not cheap grace, but real grace that acknowledges sin while offering a hopeful path to redemption and healing. In Grace-Based Counseling, professional counselors Richard Fowler and Natalie Ford offer a model that blends the truths of Scripture, the

science of psychology, and the everlasting hope of the gospel. In this book you will find: New, grace-based counseling model Detailed application of the model, with case studies Practical toolbox with surveys, assessments, and counseling helps A Christian counseling model can't just be about admonishment. That approach only leads to shame and human efforts that are doomed to fail. But when the gospel is brought to bear in the counseling relationship, real life change is possible. Then the counselor becomes an instrument of divine grace in the hands of a faithful God.

You aren't a licensed marriage and family therapist. You didn't do

a doctoral dissertation on pastoral counseling. You're simply God's person caring for God's people in the local church. And the marriages in your church need help. Many pastors feel ill-equipped to handle the challenges that arise when a couple is going through marital difficulties. They feel lost and inadequate. What do you say? What counsel do you offer? Should I say anything or just listen? Do I schedule a follow-up appointment? Do I ask questions? What questions? If you are or have been in this situation before, this book offers you a practical guide to get started with the first sessions and then offers specific guidance on nine of the most common topics that

come up in marriage counseling. Author and pastor Jonathan Holmes offers a solid, biblical theology and methodology to help you navigate through the world of marriage counseling with the fundamental conviction that God's word is powerful enough to address the deepest of marital issues, and robust enough to handle whatever might come your way. In each chapter, you'll meet a new couple dealing with a different issue, much like the people in your church, office, and neighborhood. Through the book you'll also hear advice from several respected voices in the biblical counseling community. Whether you're a novice or already knowledgeable,

Counsel for Couples provides theologically sound and biblically practical tools to help you as you help couples in need.
