AUGUSTUS DUDLEY

The Black Tulip Quarry Books

Vere Temple's guide to drawing wild flowers discusses the best methods for sketching them in their spring and summer varieties, along with the autumn berries and seedpods. Temple encourages the artist to look for the rhythm and movement in the lines and curves of the flower. "Passionate interest is essential to the production of good drawings." This is a reprint of the 1942 title.

This inspiring sketchbook is part of the new 20 Ways series from Quarry Books, designed to offer artists, designers, and doodlers a fun and sophisticated collection of illustration fun. Each spread features 20 inspiring illustrated examples of 45 themes—cat, giraffe, seal, elephant, whale and much, much more—over 900 drawings, with blank space for you to draw your take on 20 Ways to Draw a Cat. This is not a step-by-step technique book—rather, the stylized animals are simplified, modernized, and reduced to the most basic elements, showing you how simple abstract shapes and forms meld to create the building blocks of any item that you want to draw. Each of the 20 interpretations provides a different, interesting approach to drawing a single item, providing loads of inspiration for your own drawing. Presented in the author's uniquely creative style, this engaging and motivational practice book provides a new take on the world of sketching, doodling, and designing.

Draw Like an Artist: 100 Flowers and Plants Penguin UK

Nobody wants Tulip in their gang. She skives off school, cheeks the teachers and makes herself unpopular with her classmates by telling awful lies. None of this matters to Natalie who finds Tulip exciting. At first she doesn't care that other people are upset and unnerved by Tulip's bizarre games, but as the games become increasingly sinister and dangerous, Natalie realises that Tulip is going too far. Much too far. Racing, in fact, to the novel's shocking ending.

Centered around the aspiring actress Becca and her whirlwind rise to stardom, *Everyone is Tulip* is an original graphic novel that explores what it means to be a "star" in a generation that places more attention and value on YouTube clips and memes than it does Hollywood celebrities. Becca Harper lands an acting role she didn't think would go anywhere, and suddenly finds herself flung into a "15 minutes of fame" that sees her likeness not up in lights, but in memes, reaction videos, and even conspiracy theories. Donning the guise of "Tulip" for an experimental artsy video, directed by an affluent jerk (that she somehow ends up dating), Becca's dreams seem to have come true when her persona becomes the talk of the internet. With a sudden army of fans, complications arise when Becca begins to question whether or not she has the right to consider herself a star. Created by indie comic all-stars Dave Baker (*Star Trek: Voyager - Seven's Reckoning*, *F*ck Off Squad*, *Night Hunters*) and Nicole Goux (*Shadow of The Batgirl*, *F*ck Off Squad*, *Jem and The Holograms: Dimensions 3*, *Murders*), *Everyone is Tulip* is a deeply psychological exploration of the new frontier of modern media and the discomfort of internet fame.

With 30 projects and an introduction to both crafting paper flowers and working with crepe paper,

this book is full of inspiration and expert advice for beginners. If you have a Cricut Maker, you can download the templates to your machine so you can enjoy your own homemade bouquets in no time. Crepe paper is the best material for creating paper flowers, especially for beginners. It's forgiving and malleable--easy to cut, bend, curl, and shape into peony petals, daffodil trumpets, chrysanthemum blooms, and more. And if you have a Cricut Maker, you can easily cut out the shapes from templates you download for free on Lia Griffith's website using a code. Then, follow instructions for crafting the flowers to arrange and display in vases and pots and as bouquets and wreaths.

Drawing Fashion Accessories is a practical guide to illustrating footwear, millinery, bags and purses, cosmetic products and jewellery, offering a unique resource for students and professional fashion illustrators alike. Beginning with a discussion of the media available for drawing fashion accessories and how best to use them, together with a demonstration of various art styles, Miller then moves on to demonstrate the technicalities of drawing different products, including the specific challenges of perspective, how to draw accessories on the body, and how to render a wealth of different materials. In addition to the practice of drawing, a series of specially illustrated glossaries introduces readers to the technical and style terminology used throughout the accessories industry. Illustrated with specially created step-by-step sequences, *Drawing Fashion Accessories* provides students with the knowledge and freedom to develop their own work beyond the basics and to bring style and flair to their illustrations.
