M Is For Magic By M Is For Magic is a collection of short stories, including a story lifted from Neil Gaiman's award-winning

children's novel, The Graveyard Book. I enjoyed this book immensely. My personal favorite would be The Case of the Four and Twenty Blackbirds, a retelling of children's nursery rhymes, but which mainly told of the mystery of who murdered Humpty Dumpty. M Is for Magic by Neil Gaiman -

Goodreads M Is for Magic is a collection of child-friendly short fiction by Neil Gaiman.. The stories and poems were selected from previously published works, with the exception of "The Witch's Headstone", which is an excerpt from the later-published novel, The Graveyard Book. All

the stories also appeared in *Coraline and Other Stories* (2007) published by Bloomsbury in the UK. *M Is for Magic* - Wikipedia *M is for Magic* is a road atlas to the cities intent that many of his earlier stories originated and some of his later stories settled.
