After a lifetime of brutal war, which he survived only through strength and daring, the mercenary Sun Wolf was shocked to discover within himself an inclination toward magic. Accompanied by his lieutenant, Starhawk, he travels across the forbidding desert to the land of Wenshar, where witchcraft is said to flourish. There he seeks out a

witch with powers far beyond her years, who is rumored to have mastered the ancient art of white magic. But when he and Starhawk finally reach her, there is evil in the air—an evil against which all their might is useless. Sun Wolf must learn to harness his newfound powers—or be taken by this sinister trap. This ebook features an illustrated biography of Barbara Hambly, including rare

genuine masterpiece that represents one of the earliest major contributions of black Africa to the corpus of modern world literature. Mofolos fictionalized life-story account of Chaka (Shaka), translated from Sesotho by D. P. Kunene, begins with the future Zulu king's birth followed by the unwarranted taunts and abuse he receives during

childhood and adolescence. The author manipulates events leading to Chakas status of great Zulu warrior, conqueror, and king to emphasize classic tragedys psychological themes of ambition and power, cruelty, and ultimate ruin. Mofolos clever nods to the supernatural add symbolic value. Kunenes fine translation renders the dramatic and tragic tensions in Mofolos tale palpable as the richness of

the authors own culture is revealed. A substantial introduction by the translator provides valuable context for modern readers. The Revelation of the End Times! Halsted Press Kara has settled into her new life with the Renshaws but with the dramas of the previous year finally over she finds her mind wondering back to a love she lost seven and a half

Love at First Sight Grolier The day begins like any other Saturday for beautiful Parisian restaurateur Aurélie Bredin, until she wakes up to find her apartment empty - her boyfriend gone off with another woman. Heartbroken, Aurélie walks the streets of Paris in the rain, finally seeking refuge in a little bookshop

in the île Saint-Louis, where she's drawn to a novel titled The Smiles of Women by obscure English author Robert Miller. She buys it and takes it home, but when she begins to read she's astonished: The Smiles of Women can't possibly be about her restaurant, about her. Except, it is. Flattered and curious to know more, Aurélie attempts to get in touch with the reclusive Mr

Miller, but it proves to be a daunting task. His French publishers seem determined to keep his identity secret, and while the Editor-in-Chief André Chabanais is happy to give Aurélie his time, he seems mysteriously unwilling to help her find her author. Is Robert Miller really so shy, or is there something that André isn't telling Aurélie?

Company Poetry. Translated from the French by Lee Fahnestock. First published in 1942 and considered the keystone of Francis Ponge's work, *Le parti pris de choses* appears here in its entirety. It reveals his preoccupation with nature and its metaphoric transformation through the creative ambiguity of language. "My immediate reaction to Lee Fahnenstock's translation was: this must

certainly be 'Ponge's voice in English'...[She] gives us his tones, rhythms, humor...[and] maneuvers his word play with respect and unostentatious discretion"-- Barbara Wright, translator of Queneau, Pinget, Sarraute. There are moments in every baseball game that make fans catch

their breath: the pause while a pitcher looks in for the sign, the moment a cocksure rookie gets picked off first, or the instant a batter lashes a game-winning homer into the night sky, just before the sell-out crowd explodes onto its feet. Haiku captures these moments like no other poetic form, and Baseball Haiku captures the sights, the sounds, the smells, and the emotions

of the game like no previous collection. Some of the most important haiku poets of both America and Japan are featured in this anthology; including Jack Kerouac, a longtime baseball fan who pioneered English-language haiku; Alan Pizzarelli, one of the top American haiku and senryu poets of the last thirty years; and Masaoka Shiki, one of the four great pillars of

Japanese haiku—a towering figure—who was instrumental in popularizing baseball in Japan during the 1890s. With over two hundred poems spanning more than a century of ball playing, Baseball Haiku reveals the intricate ways in which this enduring and indelible sport—which is played on a field, under an open sky—has always been linked to nature and the seasons. And just as a

haiku happens in a timeless now, so too does Baseball Haiku evoke those unforgettable images that capture the actions and atmospheres of the national pastime: each poem resonates like the lonely sound of cleats echoing in the tunnel as a grizzled veteran leaves his final game. The largest collection of haiku and senryu on baseball ever assembled, Baseball Haiku is an extraordinary treasure for

any true
baseball fan.
