Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell’s Angels, that is—in this short work of nonfiction. “California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of

Big Sur. . . The Menace is loose again.” Thus begins Hunter S. Thompson’s vivid account of his experiences with California’s most notorious motorcycle gang, the Hell’s Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as The New Yorker pointed out,

“For all its uninhibited and sardonic humor, Thompson’s book is a thoughtful piece of work.” As illuminating now as when originally published in 1967, Hell’s Angels is a gripping portrait, and the best account we have of the truth behind an American legend. *More Than 1,700 Magazine Editors and Book Publishers Explain What They Are Looking for from Freelancers* ECW Press

Riding for God's Glory So whether you eat or drink or whatever you do, do it all for the glory of God. Romans 14:23 If you're a biker and a Christian, have you considered that riding, can be an activity that brings glory to God, draws you closer to His creation and provides an opportunity to share your faith with fellow riders? Motorcycle and Jesus enthusiast Tim Riter has some amazing stories and spiritual truths he's collected from riding over 200,000 miles, covering 46 states, and three countries. Discover what happens when a long-haired hippie biker strolls into a redneck bar a new back tire causes a dangerous spill a chance encounter with an angry driver turns into a 20-mile chase These and other engaging devotions will show you how your faith blends into your riding and help you experience that same sense of adventure you get from motorcycling in your walk with God, or in this case, your "ride with God."

A Strange and Terrible Saga Harper Collins

"Olivia wants to get the information for her magazine article and get out - until she meets Master Dean and is shown a new way of life." Olivia is by no means shy or afraid of the darker side of herself. However, when her boss sends her to a local 'alternative' club to gather information about the lifestyle for an article she has to write, Olivia is intimidated and overwhelmed. When a Dom, Master Dean, takes an interest in her, she’s thrust into a

world she never knew existed. It’s exciting and it awakens her in a way she didn’t know was possible. But when Dean asks her to become his sub, she must make a choice: tell him the truth about why she was there in the first place and risk him never speaking to her again. Or she keeps her secret and indulges in a new, exciting world with Dean as her guide.

Just one night, that's all... I can't believe what I'd just agreed to. I've always been supportive of Stella being an escort; after all, she can do whatever wants to make money. I just never thought I'd go as far as filling in for her. But, she's assured me that I just need to be his arm candy for one night. Nothing more is expected. Then, I'll get a big payday that I desperately need. When my cab pulls up outside a hotel owned by my father's filthy rich best friend, everything changes. What would I do if he caught me here, dressed like this? Tonight, I'll be submitting to a forbidden billionaire... This is part 1 of the Submitting to Daddy's Billionaire Best Friend series.

God, a Motorcycle, and the Open Road E-Book Publishing World Inc.

This book examines the reported criminal behavior of the entire spectrum of 1% biker clubs and members. It identifies the clubs whose members have been involved in criminal behavior and classifies their behaviors as individual, group, or club-

sponsored/condoned behavior. While other books examine the criminal exploits of one or more of what are called the "Big Five" biker clubs because of their size and sophistication, or the sensational crimes of lesser known 1% biker clubs or club members, this book pays attention to the criminal activities of individuals, groups and chapters of other clubs as well. The book is based on journalistic accounts and autobiographies of former and present members of biker clubs, academic/scholarly works, law enforcement/government reports, articles from newspapers and biker web sites, and a content analysis of federal and state court cases regarding bikers and motorcycle clubs. Text enhanced with numerous photos and figures.

Demon, the President of The Soldiers of Wrath MC, is a vicious bastard, a heartless killer, and has no regrets about any of the violent things he does in life. It is how he survives, and how he keeps his club and his men safe. Deanna Monte has stayed in the life of her drug addicted, low-life father since her mother passed away. She may hate her dad, but after her mother's dying wish for Deanna to not give up on him, she knows she can't walk away. When Deanna is given to Demon as payment for her father's debt, she fights with everything inside of her and refuses to submit. But she's never met a man like Demon, a cruel man that is big and powerful and can take her life as easily as he breathes. She shouldn't want him the way she does, not after he takes her away from her life, refusing to let her go, and tells her that she is his now. But she does, and that frightens her most of all.

He's Totally Off Limits... Writers Digest Books

The path to business success is an open road and you'd better be ready for anything! What do businesspeople and entrepreneurs have in common with bikers? More than you'd suspect. The freedom of hitting the open road is a concrete extension of the need for freedom that encourages entrepreneurs to start businesses. The desire to succeed in business by doing it your own way is no different than the desire to hit the road and plot your own course on two wheels. The Biker's Guide to Business explores these parallels and offers hard-won business wisdom specially suited for Business Bikers who do it their way-whether out on the highways or in the corporate boardroom. Introduces DeVille's Navigation Process that helps you develop your own action plan for achieving your own unique vision of success Shows you how to tailor a road map to guide your personal journey from where you are now to where you want to be tomorrow Uses biker terminology, analogies, and parallels to

communicate real business wisdom Though written to appeal to bikers, the book is a handy business guide for anyone willing to take the ride Whether or not you're a biker, the passion to ride is the same passion that pushes people to succeed professionally by taking their own path. Hop on, rev up, and succeed.

Dr. James Kauffman and his wife, April, were the perfect couple: a respected endocrinologist and a beautiful radio host. But under the surface lurked a world of drugs, sex, and biker gangs. A world Dr. Kauffman would kill to keep secret. In May 2012, April Kauffman, a well-known local radio personality and staunch advocate of military veterans rights, was found shot to death in the bedroom of the home she shared with her husband, Dr. James Kauffman. Six years later, in the fall of 2018, Freddy Augello, a leader of the notorious motorcycle gang the Pagans, went on trial for drug dealing and murder. He was charged with arranging the death of April Kauffman in exchange for \$50,000 from her husband, who, in addition to practicing medicine, was one of the area's most prolific drug traffickers. Told by two accomplished reporters and authors with exclusive insights and details provided by two principal players, this is the story about one man's descent into evil and the people he took with him. It's a story about a doctor who helped flood the streets with opioids, about a husband who hid dark secrets from his wives, and about a man so consumed with greed and arrogance that he thought he could get away with murder.

--- There is freedom in blacking boots for the right man. --- Jake. Kings of Hell MC Prospect. Obedient. Desperate for approval. Vars. Dominant. Stern. Undead. Jake is itching to become a patched member of the Kings of Hell MC. For two years he's toiled as the only prospect. So when a new guy swans in and thinks he'll get a patch in no time just because he's got friends in high places, Jake is there to stand in his way. Only that the guy is older, more experienced, drives a Harley, and has the kind of boots Jake craves to lick. But he won't. Because he only fucks patches. Vars is ready to find a new home in the Kings of Hell MC after a messy relationship led him straight to hell. In comparison, the pretty, blue-eyed prospect could be just the pleasant rebound he needs. The boy is a brat, but that could be amended with a firm hand and a gag. If only Jake was ready to admit to his submissive needs, Vars would gladly take him under his wing. That is, until he finds out something inhuman resides inside of Jake. Vars didn't cheat death only to call out to it again. But stuck together in one room, keeping each other's secrets, they might just have to become allies, no matter how unwilling. Because if there is something Vars can't resist, it's a boy with pleading eyes. * "You are mine now, boy. This room is soundproof. No one will hear you scream." "Yes, sir.
