What choral conductor or soloist has not looked around for new ideas for warming up the voice? Here are 200 suggestions all at once! And these creative exercises do more than just warm up the voice: they help to relax the body, train the ear and develop an awareness of dynamics and rhythm. "Klaus Heizmann's collection is a wonderful new resource of ideas and techniques: practical, varied, challenging, relaxing and stimulating. I am always looking for new ideas, as I like to use a different set of warm-ups at every rehearsal with my choirs, and I tend to choose specific exercises to suit the repertoire for the day. This collection gives us 200 excellent "tools-of-the-trade"; they are

clearly labeled, intelligently set out, well-designed and extremely useful." (Simon Carrington, Director of Choral Activities, New England Conservatory since 2001; Director of Choral Activities, The University of Kansas 1994-2001; Founder and co-director of the King's Singers 1968-1993)

The life of a beloved American composer reflected through his music, writings, and letters. New York City native and gifted pianist George Gershwin blossomed as an accompanist before his talent as a songwriter opened the way to Broadway, where he fashioned his own brand of American music. He composed a long run of musical comedies, many with his brother Ira as lyricist, but his aspirations reached beyond commercial success. A lifetime learner, Gershwin was able to appeal to listeners on both sides of the purported popular-classical divide. In 1924—when he was just twenty-

five—he bridged that gap with his first instrumental composition, *Rhapsody in Blue*, an instant classic premiered by Paul Whiteman’s jazz orchestra, as the anchor of a concert entitled “An Experiment in Modern Music.” From that time forward his work as a composer, pianist, and citizen of the Jazz Age made him in some circles a leader on America’s musical scene. The late 1920s found him extending the range of the shows he scored to include the United Kingdom, and he published several articles to reveal his thinking about a range of musical matters. Moreover, having polished his skills as an orchestrator, he pushed boundaries

again in 1935 with the groundbreaking folk opera, *Porgy and Bess*—his magnum opus. Gershwin's talent and warmth made him a presence in New York's musical and social circles (and linked him romantically with pianist-composer Kay Swift). In 1936 he and Ira moved west to write songs for Hollywood. Their work was cut short, however, when George developed a brain tumor and died at thirty-eight, a beloved American artist. Drawing extensively from letters and contemporaneous accounts, acclaimed music historian Richard Crawford traces the arc of Gershwin's remarkable life, seamlessly blending colorful anecdotes with a discussion of

Gershwin's unforgettable oeuvre. His days on earth were limited to the summertime of life. But the spirit and inventive vitality of the music he left behind lives on. *The Singer's Anthology of Gershwin Songs - Mezzo-Soprano/Belter* Lulu Press, Inc (P/V/G Composer Collection). 30 titles, including: *Bess You Is My Woman* \* *A Foggy Day* \* *It Ain't Necessarily So* \* *Let's Call the Whole Thing Off* \* *Nice Work If You Can Get It* \* *Shall We Dance* \* *They Can't Take That Away From Me* \* many more. 144 pages. *George Gershwin's Greatest Hits* Hal Leonard (P/V/G Composer Collection). Got Rhythm \* Let's Call the Whole Thing Off \* 'S Wonderful \* The Man I Love \* Rhapsody in Blue \* Summertime \* Somebody Loves Me \* and 19 more of this century's most popular and best-loved songs. *The Greatest Songs of George Gershwin* Hal Leonard Corporation (P/V/G Composer Collection).
