Brooding billionaire Jon Baxter and his vulnerable new hire Demeter O'Reilly play a dangerous game of seduction... They sent me to Miami to take pictures of an old hotel. It was my first real job out of college, and the first time I used my camera for anything but fun. I loved my new job. I was finally making money, had left those frigid Maine winters behind at last. I felt confident, and grown-up. But then I met Jon Baxter, the owner of the company I worked for, and everything changed. We were opposites, Jon and I. I was innocent, vulnerable. I wore my heart on my sleeve. He was a sophisticated, brooding billionaire who'd hidden his heart away, someone who constantly wanted new experiences. He shocked me with his view of the world. Introduced me to smoldering new emotions. Intrigued me with red-hot experiences that left me blushing and yearning for him every

second of the day. I knew it was wrong. I knew I was putting my job in jeopardy, by giving myself to the man I worked for. And yet, I sensed I'd found love where I'd least expected it. I wanted to grab it with both hands and never let go. But first I had to make the billionaire's hidden heart my own... A full-length contemporary romance with an HEA.
