An unforgettable journey into the spirit world of good and evil. In this fact-filled book, you will come face to face with the two most opposing forces operating in our world: Angels and Demons. These are not figments of our imagination, but are alive and real at this very moment. You will discover: * Seven specific facts you need to know about angelic beings. * The form and function of seraphim and cherubim. * The work of zoa--"living creatures." * The mission of angels today. * Biblical evidence that angels

fathered the giants of the Old Testament. * The seven devious methods used by demons to gain entrance into the life of a person. * Twelve demonic "strong man" spirits spoken of in the Bible--and how to overcome them! * The role of angels and demons in God's end time agenda. The battle between right and wrong, moral and immoral, virtuous and vile is as old as recorded history. God placed the Tree of the Knowledge of Good and Evil in the Garden of Eden--and directed man not to eat of it, adding that death would occur if man ate of that tree. Today, the conflict still rages. The Holy Bible is the only book ever written that gives us an insight into the heavenlies and allows us to peek into what lies beyond. There are literally hundreds of scriptures revealing all we need to know about this unseen world. We often miss the truth because we become bogged down in so many details, yet what is spoken of is tangible and real. As you delve into the amazing revelations concerning both angels and demons, your heart, soul, and mind will hear from heaven. God is waiting to unlock His treasure-trove of knowledge just for you. Says Benny Hinn, "I am excited that you have chosen to read this book. It is the result of more than thirty years of study on this topic and has been life-changing for me. I believe you will be transformed too." ANGELS AND DEMONS will give you an understanding of what is taking place in the spirit world and help you discover who you are in Christ and the authority you have.

God, Greed, and the (Prosperity) Gospel Thomas Nelson

You are not limited to your own human abilities. This book will answer all of your questions about the anointing. It will prepare you to experience the precious touch of God on everything you do. How can some ministers whose personal and spiritual lives are dried up and in shambles still operate in the anointing and continue to minister with power? Pastor Benny Hinn asked this question during a season of personal trial, and his quest led him to an in-depth understanding of the three "rivers," or types, of anointing in Scripture: 1 John 2:27 (the anointing within you); Acts 1:8 (the anointing upon you); and Isaiah 10 (a global anointing related to building up and destroying nations). In *Mysteries of the Anointing*, Hinn explores these three types of anointing, sharing personal stories of things he learned firsthand from Kathryn Kuhlman and Oral Roberts, as well as providing biblical and historical examples that illustrate his teachings. Readers will discover: How to detect if the anointing within you is weakening or gone The blessings—and dangers—that can happen when God begins to use you When you're most vulnerable to demonic attack and what to do about it What hinders the anointing in your life and ministry and what increases it The impact of the anointing around the world and how the church will experience it in greater measure
