She's every man's fantasy. She's totally off-limits. And she won't leave me alone... They say that Hell hath no fury like a woman scorned. I spent the last seven years in Australia to escape the vindictive plots of the woman who had once been my best friend. Today I came back home for the first time in years, and the first thing I saw was her innocent daughter, Callie. Now I can't stop thinking about the sexy little nymph and all the filthy things I'd like to

do to her. I'm dying to claim her for myself, but touching her would be utterly insane—she's half my age, and her mother is already my worst enemy. So why can't I get her out of my head? I'm trying my best to keep my hands off her. Callie has other ideas, though. She wants me, and she's pushing every button I've got. When she barges into my bedroom, I just can't take any more. Turns out it's Callie's first time. Do you think I'm going to stop? This 60,000 word (approximately 270 pages) collection includes all eight installments of the My Wildest Fantasy series. Baby Fever Pink Parts Press
A fake fiancé never felt so real. The idea of facing my cheating ex

at a friend's upcoming wedding sends me right back to the chubby, insecure guy I was when I met my very straight best friend. Since then Jude has been the most supportive person in my life. So when I ask him for a favor, he steps up and becomes the best fake fiancé a guy could ask for. With three months before the big day, my friends rally to make sure we come across as authentic as possible. Jude takes to the lessons better than any of us anticipated. Especially the kissing. Now the fake engagement is starting to feel kind of real. This wedding should be really interesting... Marry Me is a steamy, best friends to lovers, fake fiancé, gay awakening, low angst

story. It is book one in the Tattoos and Temptation series featuring hot Miami nights, Latin desserts, and guys with ink. It can be read as a standalone.

Lindsay has been best friends with Tom and Nick forever, but prom is coming up and she doesn't want to just go with friends. Tom and Nick have no intention of letting anyone else near her, though, and they're not content to be just friends any longer-they want her all to themselves and mean to claim her once and for all, even if it means they have to share her. Can Lindsay keep her virginity intact when her sexy best friends turn up the

heat? And if she can't, how will they pick who goes first?

The Preacher's Virgin Daughters Collection 1

Kendall Ryan

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same

time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

Experiment The

Preacher's Virgin Daughters Collection 1

This machine was the Professor's ultimate achievement. No woman who had lain on this table had yet been able to withstand it. Lord Elliston is at his wit's end with his

daughter Emily. Nothing he tries seems to make the slightest impact on her deplorable behavior, and when she is caught stealing a handkerchief he knows that it is time for desperate measures. One name comes up again and again—Professor George E. Feversham. The founder of Feversham’s Academy of Young Women’s Correctional Education has a reputation for reforming troubled young women of the lower classes, and his treatments for praefocatio matricis—female hysteria—are renowned in scientific circles. It seems that the Professor is his last, best hope for regaining control of his daughter. But what will the treatments mean

for Emily? With the many models of worship available, choosing a style to worship God can be a bit overwhelming. Is it better to go with traditional or contemporary models? Christians may find themselves asking how early believers worshiped and whether they can provide insight into how we should praise God today. Rooted in historical models and patristic church studies, Ancient-Future Worship examines how early Christian worship models can be applied to the postmodern church. Pastors and church leaders, as well as younger evangelical and emerging church groups, will find this last book in the respected Ancient-

Future series an invaluable resource for authentic worship.

Hysteria: A Victorian Medical Exam Erotica
Penguin

Kelsey is nineteen and still so innocent that she's hardly even kissed a boy before. When her ride gets pulled over for DUI after they've been out drinking with some frat boys from their college she figures she'll end up in jail for underage drinking. But hunky Deputy Jack Thompson has other ideas. He'll keep her out of jail and cover for her with her daddy-for a price. He wants her in his bed, and he's not interested in taking no for an answer. Will Kelsey trade her virginity for an alibi?
Possessing Shelbie (best friends dad teen erotica) Pink

 Jessica can't believe her bad luck. Her prim and overly-strict father has forced the family to move to the middle of nowhere to get Jessica away from some imagined trouble in the city. But the real trouble lurks where Jessica's father least expects it. Jackson can't believe his good luck when the new family moves in next door to him. The new pastor seems a serious, suspicious sort of man but his daughter is hotter than words. Jackson sets himself the quest of seducing young Jessica and getting her into bed, however, his quest may be more difficult than he imagines as he doesn't realize that she's a virgin, saving herself for marriage. A warning to would-be

readers that Freeman doesn't hold back in this highly sexual erotica story which is intended for an audience of 18 years and over. If you are underage or easily offended, this is definitely NOT the story for you!

Polly and Her Neighbor (College Girl Blackmail Erotica) Evernight Publishing

Holden Trimble is the fire-and-brimstone preacher who runs Bobcat Springs Church, and he abhors drinking, swearing, and sex outside of holy wedlock. Unfortunately for the poor preacher, he has six teenage daughters who are growing up fast: Kelsey, Lindsay, Brandi, the twins Shelbie and Avery, and sweet little Katie. All six of them are still

virgins - for now - but Briarwood Hollow is just packed with sexy blue-eyed deputies, hot athletic hunks, and mouth-watering older men who know exactly what they want and how to get it. What chance does a girl have against all of that? How long can the preacher's virgin daughters stay innocent when sinful temptation is always right around the corner? This collection includes the first four stories of the Preacher's Virgin Daughters series: Taking Kelsey, Sharing Lindsay, Arousing Brandi, and Punishing Shelbie. Delilah is thrown into the world of supernatural when she meets a bleeding man on a train who needs her blood to heal. The brutal strength of his passion coaxes her to abandon her senses and surrender to him. As time goes on, she begins to realize that the Vampire is not the only one she wants to submit to. Liam has watched her his whole life and seeing her with the Vampire makes his Wolf snarl. ~~~~~
I've never strayed far from home before. But now, I have no choice but to leave to find help for my sick mother. It is supposed to be an easy journey into town to hire a doctor. Of course, things are never that easy. I meet a bleeding man on a train who

pins me with his gaze and his strong hands. He touches me in a way no one ever had before and I am swept away by his gentle but firm caresses. He tells me he wants me. He needs me. Would I give myself to him? I am afraid, but his eyes draw me in and I can't find it in myself to deny him. He leans in and his teeth sinks into the soft flesh of my neck and my knees are weak. I cling to him, feeling the pleasure and pain of his mouth against my skin, his hands around my waist, lifting me and pressing me to his chest. He is strong enough to lift me off my feet and he does. Nothing will ever be the same again.

~~~~~ PG Excerpt  
~~~~~ The vampire is taunting him,

showing off all the way he has her. And Liam... Liam is too weak to look away. She is so beautiful, even as she is being defiled by the vampire. Her skin is lovely and so pale that all the love bites are featured prominently from a distance and she makes the loveliest noises, little moans and whimpers that makes him come undone. The vampire has been teaching her perverse things. He shouldn't be listening in on them as they make love, but he can't help himself. It's not like he doesn't know what sex is, but the way they go about it is insane. He almost panics when he scents how fertile she is one day, but as the days pass and it becomes clear that she's not carrying the vampire's

child, he begins to relax and have other thoughts. Some vampires are so ancient that they are no longer capable of siring offspring. It's a small trade-off for immortality. The first time he finds himself being a voyeur is entirely coincidental. He had been walking home from a long shift at work when he sees light from his neighbor's place. The door is opened, allowing the firelight to illuminate them. Even without it, he is able to see them clearly with his night vision. He feels himself growing angered by the sight of Delilah cradled in the vampire's chest, her legs curled up in her chest. She is turned to him so that her face is hidden in the nape of his neck. There is a

thick blanket spread over the both of them. They are just a couple enjoying the night view and he feels like a voyeur for stopping in his tracks to stare at them. Shamed, he means to walk past them without a word but he stops as a gust of air blows towards him from their direction. It carries her scent, sweet and innocent even now but with something else... a thick, musky scent that is undeniably one of arousal. He bristles but is able to keep his mind clear enough to stay hidden.

"Charles..." Her voice is small and hurt. For a second, he thinks to attack the man, thinking that he had caused her pain. She wriggles in his grasp and tries to shift and adjust her position. The

blanket falls from her shoulders and pools at their feet. Neither of them move to pull it back up.

God Spare the Girls

Pink Parts Press

A prescient warning of a future we now inhabit, where fake news stories and Internet conspiracy theories play to a disaffected American populace “A glorious book . . . A spirited defense of science . . . From the first page to the last, this book is a manifesto for clear thought.”—Los Angeles Times How can we make intelligent decisions about our increasingly technology-driven lives if we don’t understand the difference between the myths of pseudoscience and the testable hypotheses of science? Pulitzer Prize-

winning author and distinguished astronomer Carl Sagan argues that scientific thinking is critical not only to the pursuit of truth but to the very well-being of our democratic institutions. Casting a wide net through history and culture, Sagan examines and authoritatively debunks such celebrated fallacies of the past as witchcraft, faith healing, demons, and UFOs. And yet, disturbingly, in today’s so-called information age, pseudoscience is burgeoning with stories of alien abduction, channeling past lives, and communal hallucinations commanding growing attention and respect. As Sagan demonstrates with lucid eloquence, the

siren song of unreason is not just a cultural wrong turn but a dangerous plunge into darkness that threatens our most basic freedoms. Praise for *The Demon-Haunted World* "Powerful . . . A stirring defense of informed rationality. . . Rich in surprising information and beautiful writing."—The Washington Post Book World
 "Compelling."—USA Today
 "A clear vision of what good science means and why it makes a difference. . . . A testimonial to the power of science and a warning of the dangers of unrestrained credulity."—The Sciences
 "Passionate."—San Francisco Examiner-Chronicle
Ancient-Future Worship

(Ancient-Future) Pink Parts Press
 He's done being the bad boy ... he's ready to be a father. DEX I'm the bad boy- the one mothers warn their daughters about. But I've never seen myself settling down, and that's been fine with me. Then life, reality, whatever you want to call it, bitch slapped me right across the face, and I knew what I wanted. A baby. At thirty-nine, I am having a severe case of baby fever, and that means convincing the one woman I've always wanted but knew was too good for me to be mine and be the mother of my child. EVA I've always wanted Dex. It's hard not to want a man like Dex. He's all raw power and cut muscle. He's the epitome of what a real

man is, but he's not a bastard about it. But then he throws me a curve ball and says he wants me not only as his woman ... but as the mother of his child. And I'll be honest; it's what I've always wanted. DEX The truth is Eva deserves better than me, but I'm too selfish, and I want her too badly to back away. Nothing will stop me from making her mine ... and putting my baby inside her.

Warning: This book is short and right to the point-like the kind of story that gives you whiplash. If you enjoy unbelievable plots, and insta-everything going on, you may enjoy this dirty little read.

Need You Tonight
(*Loving on the Edge*,
Book 5) Abrams

I've always had a thing for older guys - usually

much older guys. They're like my kryptonite or something... Christmas with the parents is tough when your boyfriends tend to be the same age as your dad, so this year Jenna is breaking in a younger guy from school she hopes her parents will approve of. But when her former teacher calls her two weeks before Christmas with a babysitting emergency, Jenna finds herself torn trying to choose between the two men. Will she stick with the younger man who will please her parents, or will she pick the older man who she knows will please her?

When your stepbrother is a hot hockey stud with more notches in his bedpost than, well anyone, he's the perfect candidate to help you gain a little bedroom experience. At least that's my plan this V-day... Note: This is a hot and steamy standalone novelette. Contents include: One sweet but rough-around-the-edges hockey player who's going a little crazy. One blunt, knows-what-she-wants heroine who picks

through his self-defense. No cheating. Low angst. And a sweet, melty HEA. [The Demon-Haunted World](#) Pink Parts Press "Read it for twists on twists, meditations on faith, and a deeply thoughtful treatment of an evangelical community." — Glamour, Beach Reads That Are Like Summer in a Book "A thoughtful and candid meditation on faith, family, and forgiveness . . . fabulous." —Claire Lombardo, New York Times bestselling author of *The Most Fun We Ever Had* Recommended by Good Housekeeping, Elle, Parade, Real Simple, Glamour, Refinery29, Bustle, Oprah Daily, The Millions, Shondaland, Yahoo!, Literary Hub, and more! A

mesmerizing debut novel set in northern Texas about two sisters who discover an unsettling secret about their father, the head pastor of an evangelical megachurch, that upends their lives and community—a story of family, identity, and the delicate line between faith and deception. Luke Nolan has led the Hope congregation for more than a decade, while his wife and daughters have patiently upheld what it means to live righteously. Made famous by a viral sermon on purity co-written with his eldest daughter, Abigail, Luke is the prototype of a modern preacher: tall, handsome, a spellbinding speaker. But his younger daughter Caroline has

begun to notice the cracks in their comfortable life. She is certain that her perfect, pristine sister is about to marry the wrong man—and Caroline has slid into sin with a boy she's known her entire life, wondering why God would care so much about her virginity anyway. When it comes to light, five weeks before Abigail's wedding, that Luke has been lying to his family, the entire Nolan clan falls into a tailspin. Caroline seizes the opportunity to be alone with her sister. The two girls flee to the ranch they inherited from their maternal grandmother, far removed from the embarrassing drama of their parents and the prying eyes of the community. But with

the date of Abigail's wedding fast approaching, the sisters will have to make a hard decision about which familial bonds are worth protecting. An intimate coming-of-age story and a modern woman's read, *God Spare the Girls* lays bare the rabid love of sisterhood and asks what we owe our communities, our families, and ourselves. "A deeply felt book about love — love for family and community, for people who sustain you and people who disappoint you. And love for God, too, which Kelsey McKinney writes about with humane and incisive frankness."—Linda Holmes, *New York Times* bestselling author of *Evvie Drake Starts Over* "The accomplishment of this

canny novel is in posing coming of age itself as a loss of faith—not only in the church, but in our parents, our family, and the world as we thought we understood it.” — Rumaan Alam, New York Times bestselling author of *Leave the World Behind* and *Rich and Pretty*

[The Greatest Taboo Hits Vol 1](#) Oxford University Press
Brad "Shadow" Swanson, who is posing as a preacher to escape the law, must choose between saving the reputation of artist Evie Washington by marrying her, which means revealing his true identity, or going on the run. Original.
