When I was a girl, my father forced me to swallow a magical crystal. The Dragon's Tear turned my bones fragile as glass. I was no longer strong enough to dance or learn to fight...or take any lover until my wedding day. I was destined to wed the King of the Dragons, and only he could restore my health. Now it is time to fulfill the prophecy. To become King Aurekdel's bride. I don't want him. I want the dashing young head of my guard, Oszin, who has been my best friend and secret crush since I was fifteen. But Oszin can't heal me. Only Aurekdel can. I already hate him and his tall, fierce warrior champion Lord Seron. I really had no idea what I was in for. Aurekdel is charming and clever and he wants to give me everything I ever wanted and then some. The love of three protective men, a magical garden, a blessed sword, and the role of a great queen. But there is one thing he cannot give me after all: a cure. The prophecy was a lie. I am still broken and no one knows went wrong. I'm determined to learn to fight for everything I hold dear, but the truth of the prophecy will shatter the kingdom Aurekdel has built...and gain the attention of the dark dragon who will change our destiny. Glass Princess is an 85,000 word fast-burn epic fantasy reverse harem romance with dragon shifters!

A Tale of the Wide-Awake Princess Franklin Classics

The Colour Thief is a simple, heart-warming tale which helps to open up the conversations around depression and to support young children whose families have been affected. We follow a young boy who loves spending time with his dad, doing fun things together. When his father becomes sad and distant, he doesn't understand and believes he has done something to make his dad so, despite being told otherwise. Time passes and his father begins to get happier again and they have fun together like before. Narrated from the child's perspective and illustrated with beautiful pictures by the award-winning artist Karin Littlewood, this is the perfect book to read with children aged 7-9 years old who are trying to understand the cause and effects of depression, and reassure them that depression passes and their parents are not lost to them. 'It's crucial kids learn about depression; that it's nothing to feel ashamed about and they are not alone - one fourth of the world knows what it feels like. It's going to be them that break the stigma, not us.' Ruby Wax 'This book brings freshness and vibrancy into a world often portrayed as dark and hidden, and it can help take away the feelings of helplessness and fear that can make families feel so alone.' Marjorie Wallace CBE, Hon FRC

Psych, Founder of SANE. 'Vividly depict[s] a young boy's reaction to his father's depression... it's worth sharing this clever and heartfelt book with the kids in your life.' - Elise Moon (6) and Nick Moon (42), Kent - Single Step Magazine

But her carefully crafted persona is just an act to hide the fact that Gemma is a powerful mind magier—and a spy. Gemma is undercover, trying to figure out who is stealing large amounts of tearstone from one of the Ripley royal mines when she encounters Prince Leonidas Morricone of Morta—her mortal enemy. Gemma tries to steer clear of the handsome prince, but when she finds herself behind enemy lines, she reluctantly joins forces with Leo. Also coming to Gemma's aid is Grimley, her beloved gargoyle. Despite the fact that Andvari and Morta are old, bitter enemies, a dangerous attraction sparks between Gemma and Leo. Further complicating matters is Leo's murderous family, especially Queen Maeven Morricone, the mastermind behind the infamous Seven Spire massacre. The closer Gemma gets to the stolen tearstone, the more deadly plots she uncovers. Everyone is trying to capture the crown, but only one queen can sit on the throne ...
