Since 1945: a
Bibliographical
Guide** Oxford

University Press

This is the story of
Europe's emergence
from the catastrophe
of fascism and world
war in the years after

1945 - and how the
broad anti-fascist
consensus on which
this was based has
ominously unravelled
in recent decades.
Essential reading for all
those interested in the
history of Europe in the
twentieth century - and
in the question of
where Europe is
heading in the twenty-
first century.

Europe since 1945

Macmillan International Higher Education
Anthony Forster argues that euroscepticism, in addition to being a political stance, displays the seeds of becoming a new faith. Through a detailed analysis of British post-war politics, he shows the development of a core set of beliefs, a history of persecution, displays of moral rectitude in opposing Europe and the power of scepticism to change existing beliefs. This challenging new history of euroscepticism will be a valuable resource for undergraduate students of politics and European studies.

An Author, Title and Chronological Index to British Primary Source Material on European Integration Issued

Since 1945 Burns & Oates
A Companion to Europe Since 1945 provides a stimulating guide to numerous important developments which have influenced the political, economic, social, and cultural character of Europe during and since the Cold War. Includes 22 original essays by an international team of expert scholars
Examines the social, intellectual, economic, cultural, and political changes that took place throughout Europe in the Cold War and Post Cold War periods
Discusses a wide range of topics including the Single Market, European-American relations, family life and employment, globalization, consumption, political

parties, European decolonization, European identity, security and defence policies, and Europe's fight against international terrorism. Presents Europe in a broad geographical conception, to give equal weighting to developments in the Eastern and Western European states.

Britain and Europe Since 1945 Routledge

The advance of women through the political system has been one of the most significant developments of the second half of the twentieth century. For the first time we have seen women Prime Ministers and Presidents in Europe. *Women and Political Power* examines the extent of progress women have made in ten western European

countries, and looks at the factors which have helped, or hindered, their greater involvement in the political process. This book not only explores fascinating contrasts between northern and southern European countries, it also reveals the strong similarities in all countries. It highlights, in particular, the continuing absence of women from leadership positions, and the concentration of women on committees dealing with social and welfare issues.

A Concise History

Routledge

Selected from the 1992 summer school of the Institute of Contemporary British History, 20 essays delve into why Britain, so quickly off the mark after World War II, has

turned out to be among the last to join a unified Europe, and still remains a semi-detached member. They are arranged in sections on Britain's early vision of a united Europe, her search for a role from 1956 to 1973, and the awkward and often tense marriage since then. Distributed in the US by St. Martin's Press. Annotation copyright by Book News, Inc., Portland, OR

... Update. Supplement
Penguin

Topics include the making of modern European society, equality and inequality, social institutions including the family, religion and education, the individual and the state, and the future for Europe.

Britain and Europe Since 1945 Longman

Publishing Group
Europe Since 1945: An Encyclopedia is a comprehensive reference work of some 1,700 entries in two volumes. Its scope includes all of Europe and the successor states to the former Soviet Union. The volumes provide a broad coverage of topics, with an emphasis on politics, governments, organizations, people, and events crucial to an understanding of postwar Europe. Also includes 100 maps and photos.

The European Economy Since 1945 Routledge

An examination of the ceaseless controversies surrounding ideas of nation and nationalism, showing that they are very far from dead in twenty-first century

Europe. Beginning by defining these terms and setting out theories and concepts clearly and concisely, this book analyses the impact of nationalism since the Second World War, covering themes including: * the relationship of nationalism to the Cold War * the re-emergence of demands by stateless nations * European integration and globalisation * immigration since the 1970s * the effects of nationalism on the former Soviet Union and Eastern block.

The Story of Europe Since 1945
Routledge

In 1945, many Europeans still heated

with coal, cooled their food with ice, and lacked indoor plumbing. This book presents an account of the extraordinary development of Europe's economy since the end of World War II. It argues that the continent's history has been critical to its economic performance.

Coordinated Capitalism and Beyond
University of Michigan Press

This Seminar Studies title is a succinct study of modern British foreign policy, focusing on the period from 1945 to the present day. Since the end of the Second World War, Britain has been engaged in international conflicts from the Suez Crisis to the Gulf War and has actively sought involvement in transnational and

global affairs. Starting with a brief overview of the rise and fall of the British Empire and continuing chronologically with detailed chapters covering the second half of the twentieth century and the beginning of the twenty-first, Alasdair Blair discusses the highs and lows of British foreign policy in an accessible yet analytical manner. Dealing with themes such as the issues triggered by decolonisation and the changing relationship between Britain and Europe, this text considers the pivotal moments in modern Britain's engagement with the wider world. Included in this title are supporting materials, such as a chronology of important events from

1945, a Who's Who of key government figures and a collection of relevant primary sources. Thorough yet concise, *Britain and the World since 1945* is the ideal resource for students interested in the development of British foreign policy. [Historiographical Perspectives on Integration](#) OUP Oxford Offering an introduction to Britain's relations with the European Union since 1945, this work combines an historical account with political analysis to illustrate the changing and multifaceted nature of British and European politics. [Britain and Europe Since 1945](#) Routledge *Europe Since 1945* is an exciting new survey of the history of Europe since the end of World

War Two. In the second half of the twentieth century Europe has known a period of peace and stability unprecedented in its history and virtually unparalleled in the rest of the world. Europe explains the reasons for this state of affairs. Thought-provoking and wide ranging, this book discusses political, economic, social and cultural change in modern Europe. Covering both Western and Eastern Europe comprehensively and featuring extensive analysis of the 1990s, this book includes examination of: * the Cold War * War at the edges - Northern Ireland and Yugoslavia * the European Union * the issues of Nationalism * the end of the dictatorships *

economic prosperity, the EEC and the Euro * the break-up of the European Empires and the consequences.

An Encyclopedia

Routledge

This is a succinct, timely introduction to one of the most highly charged political questions which has dominated British politics since 1945: Britain's position in Europe. The study traces the evolution of British policy towards Europe since 1945, presenting the full international context as well as the impact on domestic party politics - including an analysis of the divisions in the Conservative Party under John Major. *British and Europe since 1945* Psychology Press

This book examines

Britain and Norway in Europe from 1945 through to the former's departure from the European Union in 2020. It compares their European relations and investigates their bilateral relationship within the contexts of security, trade and, above all, European integration. Britain and Norway are outsiders in Europe, and they have both been sceptical of the continental federalist approach to European integration. The question of membership itself has been highly controversial in both countries: the public has been divided on the issue; it has plagued political parties and governments; and prime ministers have resigned over

European issues. This book explores why these countries have struggled so deeply with the idea of Europe since 1945, and looks ahead to how the relationship between Britain and Norway might develop after Brexit.

Britain and Europe Since 1945 Pergamon
Broad in geographical scope, this collection explores the most important transformations and upheavals of post-1945 Europe in the light of recent scholarship. A wide array of authors from the UK, the USA and across Europe contribute twelve chapters consider key political, cultural and economic changes of an era that needs reevaluation and reconsideration from a historical perspective.

Cross-disciplinary, covering a wide range of issues – politics, economics, social and cultural aspects
 Themes in Modern European History since 1945 is structured around recent theoretical debates on the postwar, and will find a firm standing on the bookshelves of European history students.

Britain and Europe Since 1945.

Supplement Britain and Europe since 1945
 The first history of Europe since 1945 which examines the continent from a mainly ethnic perspective, Panikos Panayi has drawn on years of research to produce this comparative and exploratory account of the experience of ethnic minorities in

post-war Europe. The coverage encompasses all categories of minorities including immigrants and refugees, localised ethnic groupings and dispersed peoples. Geographically, the scope of the book ranges from the Atlantic to the Urals and the Mediterranean to the Arctic, looking in particular at the Soviet Union, Britain, France, Germany, Romania, Cyprus and the former Yugoslavia.

The European Union Since 1945 Routledge

This important book offers a refreshing and challenging perspective on the nature of history by analyzing the character, role, functioning and wider uses of historiography. Taking British policies toward European

integration since the Second World War as a case study, the author demonstrates how its interpretation and reportage over time is subject to changing trends. Seeking to explain these trends in terms of the different conceptions of the past which are maintained by different schools of writing, it forces us to confront the fundamental difficulties we encounter in undertaking studies in history. It draws attention to the impact on historical interpretation of changing times, political discourse, the opening of archives, and of subjects being brought to the fore by professional historians. *Britain and Europe Since 1945* Routledge Taking a thematic approach, this keenly

awaited new edition addresses the major political and economic developments in Western Europe since World War II, right up to the present day. The book covers issues and developments in national politics, the movement towards greater unity in Western Europe, and the role of Europe in global politics and in the international economy. The text has been revised throughout and updated to take account of the political consequences of the ending of the Cold War and the troubled progress of European integration since Maastricht. *Britain and European Integration Since 1945* Springer Nature Finalist for the Pulitzer Prize • Winner of the

Council on Foreign Relations Arthur Ross Book Award • One of the New York Times' Ten Best Books of the Year “Impressive . . . Mr. Judt writes with enormous authority.” —The Wall Street Journal “Magisterial . . . It is, without a doubt, the most comprehensive, authoritative, and yes, readable postwar history.” —The Boston Globe Almost a decade in the making, this much-anticipated grand history of postwar Europe from one of the world's most esteemed historians and intellectuals is a singular achievement. Postwar is the first

modern history that covers all of Europe, both east and west, drawing on research in six languages to sweep readers through thirty-four nations and sixty years of political and cultural change—all in one integrated, enthralling narrative. Both intellectually ambitious and compelling to read, thrilling in its scope and delightful in its small details, Postwar is a rare joy. Judt's book, *Ill Fares the Land*, republished in 2021 featuring a new preface by bestselling author of *Between the World and Me* and *The Water Dancer*, Ta-Nehisi Coates.
