**If You Want
to Write**

Workman
Publishing
Company
In his New

York Times
bestseller
Steal Like an
Artist, Austin
Kleon showed
readers how
to unlock their
creativity by
“stealing”
from the
community of
other movers
and shakers.
Now, in an

even more
forward-
thinking and
necessary
book, he
shows how to
take that
critical next
step on a
creative
journey—getti
ng known.
Show Your
Work! is about

why generosity trumps genius. It's about getting findable, about using the network instead of wasting time "networking." It's not self-promotion, it's self-discovery—let others into your process, then let them steal from you. Filled with illustrations, quotes, stories, and examples, *Show Your Work!* offers ten transformative rules for being open, generous,

brave, productive. In chapters such as *You Don't Have to Be a Genius*; *Share Something Small Every Day*; and *Stick Around*, Kleon creates a user's manual for embracing the communal nature of creativity—what he calls the "ecology of talent." From broader life lessons about work (you can't find your voice if you don't use it) to the etiquette of sharing—and the dangers of oversharing—to the practicalities

of Internet life (build a good domain name; give credit when credit is due), it's an inspiring manifesto for succeeding as any kind of artist or entrepreneur in the digital age.

The Road Less Stupid Noura Books

100 Essays I Don't Have Time to Write is an incisive, idiosyncratic collection on life and theater from major American playwright Sarah Ruhl. This is a book in which chimpanzees,

Chekhov, and child care are equally at home. A vibrant, provocative examination of the possibilities of the theater, it is also a map to a very particular artistic sensibility, and an unexpected guide for anyone who has chosen an artist's life. Sarah Ruhl is a mother of three and one of America's best-known playwrights. She has written a stunningly original book of essays

whose concerns range from the most minimal and personal subjects to the most encompassing matters of art and culture. The titles themselves speak to the volume's uniqueness: "On lice," "On sleeping in the theater," "On motherhood and stools (the furniture kind)," "Greek masks and Bell's palsy." *Holes* Harper Collins Examines Steig's history as a cartoonist for *The New Yorker*, and

discusses his work as a creator of children's books
[The Steal Like an Artist Journal](#)
 Harvard University Press
 Please note: This is a companion version & not the original book. Sample Book Insights: #1 When we stop trying to be original, we can embrace influence instead of running away from it. We can stop trying to make something out of nothing, and instead embrace

influence. #2
You are a mix
of what you
choose to
allow into your
life. You are
the result of
your
influences.

German writer
Goethe said,
We are
shaped and
fashioned by
what we love.

#3 The artist
is a collector.
He only
collects things
that he really
loves. Your job
is to collect
good ideas,
and the more
good ideas
you collect,
the more you
can choose
from to be
influenced by.

#4 You should
try to study

one thinker,
writer, artist,
or activist you
love. Then find
three people
that thinker
loved, and
learn
everything
about them.
This will help
you feel part
of a creative
lineage.

*The Way of
Kings* Simon
and Schuster

You don't
need to be a
genius, you
just need to
be yourself.
That's the
message from
Austin Kleon,
a young writer
and artist who
knows that
creativity is
everywhere,
creativity is
for everyone.

A manifesto
for the digital
age, *Steal Like
an Artist* is a
guide whose
positive
message,
graphic look
and
illustrations,
exercises, and
examples will
put readers
directly in
touch with
their artistic
side. When
Mr. Kleon was
asked to
address
college
students in
upstate New
York, he
shaped his
speech around
the ten things
he wished
someone had
told him when
he was
starting out.

The talk went viral, and its author dug deeper into his own ideas to create *Steal Like an Artist*, the book. The result is inspiring, hip, original, practical, and entertaining. And filled with new truths about creativity: Nothing is original, so embrace influence, collect ideas, and remix and re-imagine to discover your own path. Follow your interests wherever they take you. Stay smart, stay out of debt,

and risk being boring—the creative you will need to make room to be wild and daring in your imagination. Show Your Work! Workman Publishing In 1964, Calvin Tomkins spent a number of afternoons interviewing Marcel Duchamp in his apartment in New York City. It reveals him to be a man and an artist whose playful principles toward living freed him to make art that was as

unpredictable, complex, and surprising as life itself The WISE Journal Simon and Schuster A deeply researched warning about how the digital economy threatens artists' lives and work—the music, writing, and visual art that sustain our souls and societies—from an award-winning essayist and critic There are two stories you hear about earning a living as an artist in the digital age.

One comes from Silicon Valley. There's never been a better time to be an artist, it goes. If you've got a laptop, you've got a recording studio. If you've got an iPhone, you've got a movie camera. And if production is cheap, distribution is free: it's called the Internet. Everyone's an artist; just tap your creativity and put your stuff out there. The other comes from artists themselves. Sure, it goes, you can put your stuff out

there, but who's going to pay you for it? Everyone is not an artist. Making art takes years of dedication, and that requires a means of support. If things don't change, a lot of art will cease to be sustainable. So which account is true? Since people are still making a living as artists today, how are they managing to do it? William Deresiewicz, a leading critic of the arts and of contemporary

culture, set out to answer those questions. Based on interviews with artists of all kinds, *The Death of the Artist* argues that we are in the midst of an epochal transformation. If artists were artisans in the Renaissance, bohemians in the nineteenth century, and professionals in the twentieth, a new paradigm is emerging in the digital age, one that is changing our fundamental ideas about

the nature of art and the role of the artist in society. Seeing with Fresh Eyes Macmillan + ORM Brenda Ueland was a journalist, editor, freelance writer, and teacher of writing. In *If You Want to Write: A Book about Art, Independence and Spirit* she shares her philosophies on writing and life in general. Ueland firmly believed that anyone can write, that everyone is talented,

original, and has something important to say. In this book she explains how find that spark that will make you a great writer. Carl Sandburg called this book the best book ever written about how to write. Join the millions of others who've found inspiration and unlocked their own talent. Learning by Heart Chronicle Books Every artist needs a little pep talk now and then. An

inspiring tool and beautiful art book in one, *Creative Pep Talk* offers illustrated words of wisdom from 50 of today's leading creative professionals. With full-color, typographic prints and explanatory statements from a host of creative luminaries—including Aaron Draplin, Oliver Jeffers, Lisa Congdon, Mike Perry, and many others—this volume encourages artists to stay excited, experiment

boldly, and
conquer fear.
"Create
curiosity,"
"Learn to say
no," and "If
you can't be
good, be
different" are
just a few of

stereotypes:
beautiful,
silent
princesses;
ugly, jealous,
and bitter
villainesses;
girls who need
rescuing; and
men who take
all the glory.
But in this
rousing new
prose and
poetry
collection,
Nikita Gill
gives Once
Upon a Time a
much-needed
modern
makeover.
Through her
gorgeous
reimagining of
fairytales
classics and
spellbinding
original tales,
she
dismantles the
old-fashioned
tropes that
have been
ingrained in
our minds. In
this book,
gone are the
docile women
and male
saviors.
Instead, lines
blur between
heroes and
villains. You
will meet
fearless
princesses, a
new kind of
wolf lurking in
the concrete
jungle, and an
independent
Gretel who
can bring
down

monsters on her own. Complete with beautifully hand-drawn illustrations by Gill herself, *Fierce Fairytales* is an empowering collection of poems and stories for a new generation. *Think Like an Artist* Noura Books In honor of Frank's 20th anniversary Fantagraphics is re-releasing the massive, long out of print Frank Book omnibus, which collected all the Frank material up to

the mid-aughts, including several jaw-droppingly beautiful full-color stories, literally dozens of lushly-delineated black-and-white stories, and a treasure trove of covers and illustrations. The Frank Book also features an introduction by one of Frank's biggest fans (himself a Frank, or almost): Francis Ford Coppola. *The Cute Manifesto* Hachette

Books
Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master

Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinocchio. It includes 40 illustrations. *Summary of Austin Kleon's Steal Like an Artist* Drawn & Quarterly "Deliciously drawn (with fragments of collage worked into each page), insightful and bubbling with delight in the process of artistic creation. A+" - Salon How do objects summon memories? What do real images feel like? For decades, these types of questions have permeated the pages of Lynda Barry's compositions, with words attracting pictures and conjuring places through a pen that first and foremost keeps on moving. What

It is demonstrates a tried-and-true creative method that is playful, powerful, and accessible to anyone with an inquisitive wish to write or to remember. Composed of completely new material, each page of Barry's first *Drawn & Quarterly* book is a full-color collage that is not only a gentle guide to this process but an invigorating example of exactly what it is: "The ordinary is extraordinary.

" *Show Your Work!* Artisan Publishers Unlock your creativity. An inspiring guide to creativity in the digital age, *Steal Like an Artist* presents ten transformative principles that will help readers discover their artistic side and build a more creative life. Nothing is original, so embrace influence, school yourself through the work of others, remix and reimagine to discover your own

path. Follow interests wherever they take you—what feels like a hobby may turn into your life's work. Forget the old cliché about writing what you know: Instead, write the book you want to read, make the movie you want to watch. And finally, stay Smart, stay out of debt, and risk being boring in the everyday world so that you have the space to be wild and daring in your imagination

and your work. "Brilliant and real and true."—Rosanne Cash
