*A Modern Hawaiian  
Vocabulary* Gulf  
Professional Publishing

It begins with two wooden  
boats: the schooner  
designed by L. Francis  
Herreshoff and Bruce  
Kirby's sharpie ketch.

From these two float tales of then and now – stories of sail and sea in the Australian south, of design and artistic craftsmanship, builders, teacher-mentors, sprung planks, loss and the rescue of ageing boats. Like an ocean meanders, each tale breaks out from the main current, taking the reader on a sinuous journey from New England in the USA to the ‘inland sea’ of Port Phillip, across Bass Strait to Tasmania and the Southern Ocean. *Mit Besonderer Rücksicht Auf Den Gegenwärtigen*

Mamaka Kaiaoa  
Modern Hawaiian Vocabulary  
Comprehensive dictionary of approximately 100,100 terms from 102 scientific and technological disciplines. Entries indicate disciplines pertinent to terms and

pronunciations. About 3000 marginal illustrations. Miscellaneous appendixes. *Nouveau dictionnaire anglais-français et français-anglais* University of Hawaii Press  
 "The dictionary opens with a detailed description of how words are created by the Hawaiian Lexicon Committee with Pukui and Elbert's Hawaiian Dictionary serving as the primary written source and native speakers of Hawaiian as the primary spoken resource. The first

main section contains more than 6,000 Hawaiian entries (alphabetized according to the Hawaiian alphabet) followed by their English equivalents; the second contains English language entries followed by their Hawaiian translation. Teachers and students in Hawaiian language immersion schools and high school, college, and continuing education language courses, as well as those looking for an introduction to contemporary Hawaiian, will find Mamaka Kaiao a truly

invaluable resource."--  
 BOOK JACKET.

**Oxford English Dictionary Additions Series** Oxford University Press

This book fulfils a keenly-felt need for a modern, comprehensive dictionary of Scottish Gaelic into English. The numerous examples of usage and idiom in this work have been modelled on examples culled from modern literature, and encompass many registers ranging from modern colloquial speech, to more elaborate literary

constructions. The main contemporary terms and idiomatic phraseology, often not available in other dictionaries, provide excellent models for easier language learning. In addition to the main dictionary, the volume contains introductory material, providing guidance on using the dictionary, spelling and pronunciation. There are also twelve useful appendices which cover not only the various parts of speech, lenition and proper nouns, but also address the more difficult

issues of expressing time, direction and numerals. The clarity of the design and layout of the volume will greatly ease the process of attaining mastery of the Gaelic language. *Dictionary of National Biography* Routledge This is the third in a major series of volumes supplementing the Second Edition of the Oxford English Dictionary. Volume 3 contains 3,000 new words and meanings from around the English-speaking world, including the UK (Citizen's Charter),

North America (affluentia, Clintonomics), Australia (beardie), and the West Indies (zouk). A wide variety of subjects is covered, including the sciences (buckyball, nanotechnology, Tourette syndrome), finance (junk bond, negative equity), literary theory (metafiction), computing (freeware, core dump), and sport (basho, lowball). *Dictionary of National Biography* Bremen, Schünemann Nouveau dictionnaire anglais-français et français-anglais A New
