BRIANA DUDLEY

The X-Files Origins: Devil's Advocate Harper Collins
Cannibal Holocaust is one of the most controversial horror films ever made. Despite not achieving huge success when it was first released, the Italian production found an audience on home video in the 1980s and became a 'must-see' for connoisseurs of extreme cinema. Indeed, Cannibal Holocaust's foremost legacy is in the United Kingdom, where it obtained its reputation as one of the most harrowing and offensive 'video nasties' - a term used to refer to a group of films deemed to be 'obscene' by the Department of Public Prosecutions. However, as the years have progressed, Cannibal Holocaust has been re-evaluated, mainly as the forefather of the 'found footage' film, and recent home video re-releases have added some valuable perspective to the onscreen violence with extensive cast and crew interviews. What is missing from this contemporary activity is contextualization of

Cannibal Holocaust's style, affirmation and discussion of its locations and any extensive discourse about its representation of third world inhabitants (i.e. as 'primitives'). In addition, and also amiss from previous dialogue on the production, is that Cannibal Holocaust can be seen as one of the key post-Vietnam films. It is the spectre of war - and an explicit warning about Western involvement in civil conflict - which progresses Deodato's story of jungle adventurers in peril. By approaching the film from a more formalist position, this *Devil's Advocate* provides an insightful discussion of this groundbreaking film. A cop investigating a suspicious suicide uncovers a satanic plot in this thrilling prequel to *The Devil's Advocate*. After a promising young attorney plummets twenty stories to his death just outside his posh Manhattan apartment, the police wish to label the incident a suicide. But the detective assigned to the case, Lt. Matthew Blake, is troubled by the evidence. He senses something far more

sinister about the attorney's demise, and as he investigates, he discovers the unbelievable truth Meanwhile, charming defense attorney John Milton has an appointment at the law firm of Simon & James. He is all too eager to take on the caseload of their late employee. Although the firm is happy to have Blake on board, they have no idea just what their new hire is capable of doing in order to win "Andrew Neiderman displays his talent as he turns the storyline into an electrifying good (Blake) and evil (Milton) urban fantasy legal thriller." —Harriet Klausner, Genre Go Round Reviews "A book that's hard to put down." —Paperback Stash Blog

How did Dana Scully become a skeptic? *The X-Files Origins* has the answers in this young adult, science-fiction origin story by New York Times-bestselling author Jonathan Maberry. In the spring of 1979, fifteen-

year-old Dana Scully has bigger problems than being the new girl in school. Dana has always had dreams. Sometimes they've even come true. Until now, she tried to write this off as coincidence. But ever since her father's military career moved the family across the country to Craiger, Maryland, the dreams have been more like visions. Vivid, disturbing, and haunted by a shadowy figure who may be an angel . . . or the devil. When a classmate who recently died in a car accident appears before Dana, her wounds look anything but accidental. Compelled by a force she can't name, Dana uncovers even more suspicious deaths—and must face the dangerous knowledge that evil is real. But when a betrayal of faith makes her question everything, she begins to put her faith in being a skeptic. An Imprint Book
The Devil Advocate
 Liverpool University Press
 The bestselling author of *Pledged* returns with a groundbreaking look at the pressure to achieve faced by America's teens. In *Pledged*, Alexandra Robbins followed four college girls to produce a riveting narrative that

read like fiction. Now, in *The Overachievers*, Robbins uses the same captivating style to explore how our high-stakes educational culture has spiraled out of control. During the year of her ten-year reunion, Robbins goes back to her high school, where she follows heart-tuggingly likeable students including "AP" Frank, who grapples with horrifying parental pressure to succeed; Audrey, whose panicked perfectionism overshadows her life; Sam, who worries his years of overachieving will be wasted if he doesn't attend a name-brand college; Taylor, whose ambition threatens her popular girl status; and The Stealth Overachiever, a mystery junior who flies under the radar. Robbins tackles teen issues such as intense stress, the student and teacher cheating epidemic, sports rage, parental guilt, the black market for study drugs, and a college admissions process so cutthroat that students are driven to suicide and depression because of a B. With a compelling mix of fast-paced narrative and fascinating investigative journalism, *The Overachievers* aims

both to calm the admissions frenzy and to expose its escalating dangers.

The Devil Simon and Schuster

Publisher Description

The Devil's Advocate

Liverpool University Press

Just before dawn one

winter's morning, a

hijacked jetliner explodes

above the English

Channel. Through the

falling debris, two figures,

Gibreel Farishta, the

biggest star in India, and

Saladin Chamcha, an

expatriate returning from

his first visit to Bombay in

fifteen years, plummet

from the sky, washing up

on the snow-covered

sands of an English

beach, and proceed

through a series of

metamorphoses, dreams,

and revelations.

Poltergeist Harlequin

Treasury-Harlequin

Presents 90s

'Created' by Steven

Spielberg yet officially

directed by Tobe Hooper,

Poltergeist (1982) can be

best described as 'family

horror movie' both in its

target audience and in its

narrative context, the

story of an All-American

suburban family, the

Freelings, whose home

suddenly becomes the

site of a spectacular

haunting, apparently

summoned by their young

daughter. The film is somewhat of an anachronism and this Devil's Advocate explores this in both the scope of production and narrative. The book discusses the duality of the text highlighting debates surrounding both Spielberg's somewhat saccharine portrayal of middle-class Americana and his more subversive cinematic endeavours. The duality of the text also will also be discussed in the context of the film's production – with both Spielberg and Hooper on set for much of the time, the result was a movie with the production values, effects and marketing of a high budget mainstream cinema blockbuster apparently directed by a subversive 'grindhouse' cinema auteur. Yet Poltergeist is neither nor both of those things, instead being a unique hybrid of genres and styles taking the best and worst from both aspects of family blockbuster and cult horror film, and as such can be seen as a text that is something unique – a classic modern take on the traditional haunted house story.

The Devil's Advocate
Simon and Schuster
Kevin Taylor is taken on

by a big New York law firm. He discovers that they have an eerie file on crimes not yet committed, and gradually comes to realize that he's been hired as the devil's advocate, for whom the wages of sin lead ultimately to death. The author also wrote Pin and Brainchild.

Penguin
Graphic novel. The joker is facing the death sentence but Batman believes he is innocent. Can he, indeed should he, try to prove his innocence when he knows that the joker has killed many people?

The Devil's Alternative
Liverpool University Press
Sophie's mine. And I'll kill to keep her. Navigating the mafia underground in Chicago is not easy. It's like a waltz where nobody ever taught you the steps. You show respect when it's due, never back down, And kill who they want you to kill. I didn't become a Made Man by being careless, But even the most ardent professional stumbles now and again.

Sophie's job is to keep me from ending up in the slammer, She thinks we're done once I walk out of court a free man. Too bad I'm hooked on my defense lawyer's lovely charms, And what I want, I get. You see, Indro Lastra is a Made Man, And a Made Man gets what he wants. I want Sophie Vercetti. And I won't let anything stop me. Not a gang war. Not the police. And not even the Family stand in my way. And once I get her... I'm never, ever, letting her go.

The Joker Penguin
Breathing life into a Milton for the Twenty-first century, this cutting-edge collection shows students and scholars alike how Milton transforms and is transformed by popular literature and polemics, film and television, and other modern media.

Devil's Advocate Devil's Playground Romance
Designed to explain the principles governing the law of trusts in Scotland, this textbook takes account of recent developments such as new rules on the administration and supervision of charitable trusts, and new statutory rules contained in the Recognition of Trusts Act 1987.

Devil's Advocate Reaktion

Books

Brian De Palma's adaptation of Stephen King's debut novel, *Carrie* (1976), is one of the defining films of 1970s "New Hollywood" style and a horror classic. The story of a teenage social outcast who discovers she possesses latent psychic powers that allow her to deliver retribution to her peers, teachers, and abusive mother, *Carrie* was an enormous commercial and critical success and is still one of the finest screen adaptations of a King novel. This contribution to the *Devil's Advocate* series not only breaks the film down into its formal components—its themes, stylistic tropes, technical approaches, uses of color and sound, dialogue, and visual symbolism—but also considers a multitude of other factors contributing to the work's classic status. The act of adapting King's novel for the big screen, the origins of the novel itself, the place of *Carrie* in De Palma's oeuvre, the subsequent versions and sequel, and the social, political, and cultural climate of the era (including the influence of second wave feminism, loosening sexual norms, and changing

representations of adolescence), as well as the explosion of interest in and the evolution of the horror genre during the decade, are all shown to have played an important part in the film's success and enduring reputation.

The Devil's Advocate

Open Road Media

The shoes of the fisherman: A story of drama and intrigue set in the Vatican in Rome. The book tells of the Vatican's links with international politics.

The Devil's Arithmetic
Imprint

'The Devil's Advocate' brings a fresh approach to the do's and don'ts of good advocacy. Written with humour and style, the title explains clear techniques, taking the reader through the practical application of advocacy step-by-step.

Weekly Weather and Crop Bulletin

RoutledgeCurzon

#1 New York Times

bestselling author Frederick Forsyth delivers a frighteningly possible novel of international terrorism and impending war... As the Russian people face starvation, the Politburo is faced with a hard choice: negotiate with America for food, go to war for national survival, or deal with an

uprising in the motherland. Through an informant, British Agent Adam Munro learns that the situation is growing dangerously tense, with powerful forces in the USSR maneuvering for supremacy. But even as East and West conduct delicate talks, events spiral out of control and threaten to undo every step taken. The world's largest oil tanker is hijacked by terrorists, and a Ukrainian "freedom fighter" is rescued in a bloody catastrophe on the Black Sea. From Moscow to Washington, the stakes grow ever more perilous as the mad actions of a few threaten to engulf the entire world in nuclear war—unless Munro can stop them.

UNTITLED CAVANAGH.

Penguin

Satan is not God's enemy in the Bible, and he's not always bad—much less evil. Through the lens of the Old and New Testaments, Erik Butler explores the Devil in literature, theology, visual art, and music from antiquity up to the present, discussing canonical authors (Dante, Milton, and Goethe among them) and a wealth of lesser-known sources. Since his first appearance in the Book of Job, Satan

has pursued a single objective: to test human beings, whose moral worth and piety leave plenty of room for doubt. Satan can be manipulative, but at worst he facilitates what mortals are inclined to do anyway. "The Devil made me do it" does not hold up in the court of cosmic law. With wit and surprising examples, this book explains why. Judgement Day Springer

The Enneagram is a powerful tool, with ancient roots and modern appeal, for detailing the human

personality. It illuminates the painful truth of where we are and inspires us with the promise of where we could be. As the Enneagram has grown in popularity over the past 30 years, the insights offered have focused either on the present or the future, with little guidance on how to move from Point A to Point B. In the The Conscious Enneagram Abi Robins offers a rich, insightful guide for those seeking to move from patterns to promise. Through

practical, easy-to-understand coaching, storytelling, and personal inquiry, Robins explores three main ways for getting from where we are to where we could be: Practice, Lineage, and Community. These make up the three-legged stool of the inner and outer work required to radically change the way we think, feel, and move through the world. This book will show you how to cultivate each of these legs in your life in meaningful, enriching ways that are tailored to your type.
