Susan Vogt knew she had far more stuff in her closets than she needed. So, for Lent one year, Susan took action: she gave away one thing a day for forty days. But what happened during that penitential period surprised her; she became so addicted to identifying unnecessary things in her life that she continued the practice for a full year. Then she began letting go of other baggage--some physical, some emotional--and found that, far from feeling poorer, she felt freer and more fulfilled than ever before. A spiritual place had opened that allowed Susan to unclutter her mind and deepen her faith. Blessed by Less offers encouragement and inspiration for all who are burdened down by "things" in their homes and hearts but don't quite know how to begin the

process of letting go. Susan includes tips for beginners and challenges for those who've been simplifying for years. Rather than making readers feel guilty for all the stuff they've accumulated, Susan gently nudges them to see all that they have to gain--physically, emotionally, and most of all spiritually--by living lightly. Practical from start to finish, *Blessed by Less* shows how one woman's journey into a simpler, less cluttered life can also be our journey and how taking a spiritual perspective on the matter can lead to abundant blessings we would have otherwise missed.

While this new Bible is certainly an inclusive-language translation, it is much more: it is a re-imagining of the scriptures and our relationship to them. Not merely replacing male pronouns, the translators have rethought what kind of language has built barriers between the text and its readers. Seeking to be faithful to the original languages, they have sought new and non-sexist ways to express the same ancient truths. The Inclusive Bible is a fresh, dynamic translation into modern English, carefully crafted to let the power and poetry of the language shine forth--particularly when read aloud--giving it an immediacy and intimacy rarely found in traditional translations of the Bible. The Inclusive Bible contains both the Old and the New Testaments.

\*The basis for the wonderfully funny and moving TV series developed by Amy Poehler and Scout Productions\* A charming, practical, and unsentimental approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called *döstädning*, *dö* meaning "death" and *städning* meaning "cleaning." This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In *The Gentle Art of Swedish Death Cleaning*, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you'd ever use) and which you might want to keep (photographs, love letters, a few of your children's art projects). Digging into her late husband's tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.

Dear fellow believer in Christ, how has it been with you? How far are you progressing in your spiritual life, which is your journey to the wealthy place? Some have even forgotten that they are on a journey, that their Christian life is a journey. Yes, it is a journey, for it has a starting point and a destination as well. So, how are you getting on in your journey to the wealthy place? To the place of abundant life in Christ. Has it been hectic and dreary? Have things turned upside down beyond every human control? Do you feel like giving up your Christian faith? Are you frustrated already? Remember, you are on a journey! A passenger in transit does not stop midway on his journey nor cease to move on his journey simply because the roads are bad or because it is raining or for whatever reasons. The person is determined to get to his destination and to fulfill whatever obligation or assignment he has to accomplish, no matter the pains, difficulties and uncomfortable experiences he might have on the way. Naturally, we deem it fit to overlook, or rather, endure with great hope when for instance our promotion in the office is delayed. We join the queue when there is much traffic, for we can't fly over it. In the hospitals, we wait patiently for the doctor to diagnose us very well and proper medications given. Now, why is it that we refuse to endure afflictions, persecutions, trials, chastisement and of course hard times, with great hope too, when it comes to our Christian journey? This is more especially when we know that these things are allowed by God for our ultimate maturity. This is food for thought. He that has ears should listen to what the Spirit of God is saying. The truth is that we all want the accomplishment of God's promises in our lives but refrain from the sacrifices required! For instance, how would you explain this - you are asking and believing God for material blessings and all of a sudden you receive a letter from your director in the office saying that you have been fired! What a paradox! Isn't it? It does not look like what a good God will permit to befall His child, one may say. But then, on our journey to the wealthy land, such instruments of purging (afflictions, disappointments, trials, etc.) are bound to come. They are "necessary evils" that the Holy Spirit takes a believer through, to season and prove him or her, so as to make them ready for the Master's use. For in-depth revelation, proper understanding and a deeper relationship with God, you may have to pause now and ask the Holy Spirit to take you through the pages of this book by HIMSELF. In *See Now Then*, the brilliant and evocative new novel from Jamaica Kincaid—her first in ten years—a marriage is revealed in all its joys and agonies. This piercing examination of the manifold ways in which the passing of time operates on the human consciousness unfolds gracefully, and Kincaid inhabits each of her characters—a mother, a father, and their two children, living in a small village in New England—as they move, in their own minds, between the present, the past, and the future: for, as she writes, "the present will be now then and the past is now then and the future will be a now then." Her characters, constrained by the world, despair in their domestic situations. But their minds wander, trying to make linear sense of what is, in fact, nonlinear. *See Now Then* is Kincaid's attempt to make clear what is unclear, and to make unclear what we assumed was clear: that is, the beginning, the middle, and the end. Since the publication of her first short-story collection, *At the Bottom of the River*, which was nominated for a PEN/Faulkner Award for Fiction, Kincaid has demonstrated a unique talent for seeing beyond and through the surface of things. In *See Now Then*, she envelops the reader in a world that is both familiar and startling—creating her most emotionally and thematically daring work yet.

The end is just the beginning. The rapture is one of the simplest concepts found in the Holy Bible, yet there is a great amount of confusion and division concerning whether the next and final rapture will occur before the Tribulation, in the middle of the Tribulation, or after the Tribulation. Doc Marquis settles the question once and for all in *The Final Rapture*. Marquis dissects specific prophecies to show how close we truly are to the final rapture. He uses information from the Book of Revelation to alert those who are in danger of missing it--those who may still be on Earth during the Tribulation Period--to what they must live through if they are still here.
