Revelation Faber & Faber

Provan treats 1 and 2 Kings as a unified whole nestled within its canonical context. Kings constantly presupposes knowledge of the remainder of the story of Israel and invites reflection upon itself in the light of the prophetic writings and of the New Testament. It is examined here as narrative literature with historiographical intent, designed to teach its readers about God and the Ways of God. Provan does a masterful job of drawing the reader's attention to themes that are repeated in Kings, such as the theme of God's promise and how it is fulfilled among God's people.

He has succeeded in making Kings a more readily accessible book.

Jesus' journey to the woman at the well in Samaria offers insights and hope for women today to make peace with the past, find hope in the present, and step into the future. God wants us to move toward the goodness He has planned for us. But what do we do when challenges stop our forward momentum? What's the next step when we fall into a pit of despair with the determination knocked right out of us? On his way from Judea to Galilee, Jesus traveled through Samaria, a broken place everyone knew to avoid. In Samaria he stopped in Shechem, where evil had gained such a foothold of power that it

eventually reigned. Yet the place once condemned as somewhere no one wanted to visit—let alone hang out in for a while—was the location of one Samaritan woman's most hope-filled encounter with the Savior. The In-Between Place offers deeply important insights to anyone who feels stuck and can't see a way forward. It is for the person who feels that if she looks left, her face will be scraped by an immovable boulder, and if she looks right, she'll see nothing but hard to handle. It's for the person who feels lost and is not sure she is worth the effort to be found, for the person who feels overlooked and unfulfilled. Because sometimes Jesus saves our greatest spiritual breakthroughs for our in-between places.

All the women of the Bible offers a rich biographical perspective on every female figure in scripture -- including the famous, the little-known, and even the unnamed. In more than 300 engaging and insightful portraits, Edith Deen brings alive the saints and sorceresses, queens and servants, mothers and daughters, wives and widows whose profound influence is felt throughout the Bible. "You can almost trace light and darkness in the Bible by the women themselves," she writes. "Hannah, praying mother of Samuel, gave birth to a son who became the first great Hebrew prophet. And, of course, there was the mother of Jesus. On the other hand, Jezebel and Herodias were vile influences, the first tearing apart the northern kingdom of Israel, the second causing John the Baptist to be beheaded." Combining thorough detail with a lively and dramatic narrative, *All of the Women of the Bible* portrays the real women behind the Biblical stories and shows how, in their human struggles and triumphs, they are very much like the women of today. With each major biography identified by Bible

chapter and verse and prefaced by a key passage of scripture, this is an ideal resource for teachers, Bible students, preachers, and writers, as well as anyone who wants to learn what it was really like to be a woman in Biblical times.

Get ready for a challenge! We have compiled 1,500 Questions and Answers on the Bible that are going to show how much, or how little, you, or those you quiz, know about Scripture. Unfortunately, most will discover "how little" as these quizzes are certainly not designed to be easy. The good news is, that if you keep taking the quizzes over and over again, you will begin to acquire a great deal of knowledge concerning the Scripture. The purpose of these quizzes is not to make anyone feel stupid, but to challenge them to learn more! If you can master all 30 series

(1,500 questions) you most likely will know more about the Bible than anyone else you will ever come across. These questions do not call for knowledge of genealogical tables, but of the main Bible characters. They do not call for the details of Jewish history, and not a single date is asked for in all the fifteen hundred questions; but they do insist upon knowledge of the Bible's most significant and interesting events, from cover to cover. The questions are not theological – perhaps some would find them easier if they were, for then they could air their theories; but they call for an acquaintance with the most beautiful and uplifting sentences and passages in all the sixty-six books of the Bible, the inspired

wisdom on which all theology is based – or ought to be. How to Use: Use these questions to test yourself, your Sunday School Class, your Youth Group, your Bible Study, your Teachers, your Family, etc... *There are 30 Series with 50 Questions each. *Each question is worth 2 points (multiply the number right x2 and you'll have your score) *You can use the quizzes in any order you want, but we suggest doing one series over and over until you have mastered most of the content. Once you know all 50 questions, move onto the next one.
