GCSE Edexcel Science Foundation Success Workbook

Letts and Lonsdale
 It's time to bring your GCSE Business resources into the 21st Century
Edexcel GCSE (9-1) Business, Second Edition Letts and Lonsdale
 This is the only revision guide tailored to match the Edexcel specification, so it covers exactly what your students need to get the best marks in the exam. The accessible content is broken down into small chunks, making revision easier for all your pupils. A checklist at the end of each chapter helps your students plan their work and highlights areas that need more revision. Sample questions and answers with real examiner feedback show what the examiners are looking for to help

students improve their exam skills.
Understanding Enterprise Letts and Lonsdale

This workbook offers accessible practice to help manage GCSE Science revision and prepare for the exam efficiently. The content is broken into manageable sections and advice is given to help build confidence. Tips and techniques provide support throughout the revision process.

Edexcel Business Studies for GCSE

Heinemann

Functional and attractive design allows students to dip in and out for information as and when they need it. Case studies apply theory to vocational practice and help bring the subject alive. Supports the three assessment objectives for Leisure and Tourism with helpful features throughout.

Complete Revision and Practice

HarperCollins UK

This book is for newly qualified teachers and PGCE students of business education and economics. It covers the training standards for NQTS but goes beyond this with a focus on the subject expertise they bring into teaching.

KS3 Maths Routledge

The emergence of an enterprise culture and entrepreneurial economy has led to the rapid development of theories, policies and practices in the field of entrepreneurship. Understanding Enterprise provides a critical introduction to enterprise in its broadest context, particularly its application to business through entrepreneurship and small business. The book is divided into three distinct parts, which examine traditional approaches to entrepreneurship, new perspectives on the subject, and the success or otherwise of government policy. Key features: - Extensively revised to take into account the latest thinking and research - Reassessment of traditional views and a critique of conventional wisdom - Updated coverage of the impact and failings of comparative government policies - A good balance between theoretical and practical perspectives Understanding Enterprise is an essential companion for undergraduate and postgraduate students of entrepreneurship. Policy makers and practitioners will also benefit from this comprehensive guide.

The administration of examinations for 15-19 year olds in England Pearson Education
