 The Divine Milieu is a meditation book for intellectuals and is addressed primarily to those who waver rather than to Christians who are firmly established in their beliefs. However, as the author writes in the preface, there is not much in this book on moral evil and sin. Teilhard de Chardin assumes that he is dealing here with souls who have already turned away from such errors. The subject to be treated in these pages is actual, supernaturalized human beings, seen in the restricted realm of conscious psychology.

Kicking Our Bad Habits Before They Kick Us Erin K Kennon
 Thoughtful and eloquent, as timely (or timeless) now as when it was originally published in 1956, *Thoughts in Solitude* addresses the pleasure of a solitary life, as well as the necessity for quiet reflection in an age when so little is private. Thomas Merton writes: "When society is made up of men who know no interior solitude it can no longer be held together by love: and consequently it is held together by a violent and abusive authority. But when men are violently deprived of the solitude and freedom which are their due, the society in which they live becomes putrid, it festers with servility, resentment and hate." *Thoughts in Solitude* stands alongside *The Seven Storey Mountain* as one of Merton's most uring and popular works. Thomas Merton, a Trappist monk, is perhaps the foremost spiritual thinker of the twentieth century. His diaries, social commentary, and spiritual writings continue to be widely read after his untimely death in 1968.

 Lucid and inspiring, *Behold the Man* is a unique exploration of Catholic spirituality for men. Much of the literature written for Catholic men focuses on topical issues such as fatherhood and sexuality. While this book does not exclude these subjects, it is the first to present a comprehensive picture of Catholic male spirituality. What is authentic male Catholic spirituality? What distinguishes it from Protestant male spirituality? How does masculine spirituality complement feminine spirituality? These questions and many more are answered in this book. Drawing from Scripture and Church teaching, the author roots Catholic male spirituality in a covenant relationship with God and the cross of Jesus Christ. He demonstrates that when a man embraces the cross he is truly able to be himself—the man that God created and calls him to be. *Behold the Man* can deepen a man's experience of Christ and help him to know the Lord more intimately.

The Master and Margarita (Russian: *Мáстер и Маргарита́*) is a novel by Mikhail Bulgakov, written between 1928 and 1940, but unpublished in book form until 1967. The story concerns a visit by the devil to the fervently atheistic Soviet Union. Many critics consider it to be one of the best novels of the 20th century, as well as the foremost of Soviet satires.

The reasons behind Detroit's persistent racialized poverty after World War II Once America's "arsenal of democracy," Detroit is now the symbol of the American urban crisis. In this reappraisal of America's racial and economic inequalities, Thomas Sugrue asks why Detroit and other industrial cities have become the sites of persistent racialized poverty. He challenges the conventional wisdom that urban decline is the product of the social programs and racial fissures of the 1960s. Weaving together the history of workplaces, unions, civil rights groups, political organizations, and real estate agencies, Sugrue finds the roots of today's urban poverty in a hidden history of racial violence, discrimination, and deindustrialization that reshaped the American urban landscape after World War II. This Princeton Classics edition includes a new preface by Sugrue, discussing the lasting impact of the postwar transformation on urban America and the chronic issues leading to Detroit's bankruptcy.

 A Baby Boomer's Decision Making drives the nation's 75 million baby boomers to examine life through the decisions they make, whether they are considering finances, changing national priorities or the needs of aging parents. Boomers will explore decisions of love, school, career, family and fun. From 1956 Chevrolets to Martin Luther King Jr., Vietnam and the 21st century, memoir snippets expose the author's best and worst decision making. From these engaging stories, a model of decision making emerges driven by individual experience in a distinctive combination of understanding, relationships and God. A Baby Boomer's Decision Making creates a bridge from abstract theoretical manuscripts to the daily reality, dreams and apprehensions of baby boomers. Mathematics unlocks the tools of decision making, and prejudice is an omnipresent force. The peaks and valleys of love, family and career highlight the ingredients of decision making. Guidelines and principles of decision making solidify and further assist readers in reviewing the past, assessing the present and preparing for their future. A series of activities and questions at the end of the book encourage individual reflection or small group discussion. Francis J. Kostel earned a Ph.D. from the University of Chicago. Most of us at one time have said, or thought, something like: "So I procrastinate, it's not like it's hurting anyone!" "Enough about you, back to me." "I deserve this, so I'm treating myself!" "If I can't have it, she shouldn't either." "I'll get around to it... or not." "It's not really gossip if it's all true, right?" (And the granddaddy of them all) "But that doesn't make me a bad person!" Are these really sins, you ask? After all, they're not murder, theft, or violence. Don't they just mean we're human? Writer, speaker, and blogger Elizabeth Scalia takes a look at thirteen of these "little sins" that, if left unexamined and unconfessed, can have a serious impact on our spiritual lives and relationship with Christ. Through her honest (and sometimes funny) examination of these same sins in her own life, as well as Church teaching on each one, she helps us ask ourselves the tough questions, and the tools to kick these bad habits before they kick us.

In recent years, Christians everywhere are rediscovering the Jewish roots of their faith. Every year at Easter time, many believers now celebrate Passover meals (known as Seders) seeking to understand exactly what happened at Jesus' final Passover, the night before he was crucified. Jesus and the Jewish Roots of the Eucharist shines fresh light on the Last Supper by looking at it through Jewish eyes. Using his in-depth knowledge of the Bible and ancient Judaism, Dr. Brant Pitre answers questions such as: What was the Passover like at the time of Jesus? What were the Jewish hopes for the Messiah? What was Jesus' purpose in instituting the Eucharist during the feast of Passover? And, most important of all, what did Jesus mean when he said, "This is my body... This is my blood"? To answer these questions, Pitre explores ancient Jewish beliefs about the Passover of the Messiah, the miraculous Manna from heaven, and the mysterious Bread of the Presence. As he shows, these three keys—the Passover, the Manna, and the Bread of the Presence—have the power to unlock the original meaning of the Eucharistic words of Jesus. Along the way, Pitre also explains how Jesus united the Last Supper to his death on Good Friday and his Resurrection on Easter Sunday. Inspiring and informative, *Jesus and the Jewish Roots of the Eucharist* is a groundbreaking work that is sure to illuminate one of the greatest mysteries of the Christian faith: the mystery of Jesus' presence in "the breaking of the bread." From the Hardcover edition.

"Catholicism takes a path less traveled in leading us to explore the faith through stories, biographies, and images."—Timothy M. Dolan, Archbishop of New York What is Catholicism? A 2,000-year-old living tradition? A worldview? A way of life? A relationship? A mystery? In *Catholicism* Father Robert Barron examines all these questions and more, seeking to capture the body, heart and mind of the Catholic faith. Starting from the essential foundation of Jesus Christ's incarnation, life, and teaching, Father Barron moves through the defining elements of Catholicism—from sacraments, worship, and prayer, to Mary, the Apostles, and Saints, to grace, salvation, heaven, and hell. Whether discussing Scripture or the rose window at Notre Dame, he uses his distinct and dynamic grasp of art, literature, architecture, personal stories, theology, philosophy, and history to present the Church to the world. Paired with his documentary film series of the same title, *Catholicism* is an intimate journey, capturing "The Catholic Thing" in all its depth and beauty. Eclectic, unique, and inspiring, Father Barron brings the faith to life for a new generation, in a style that is both faithful to timeless truths, while simultaneously speaking in the language of contemporary life.

Rooted in Scripture, these insights place the reader on a path to a deeper, more meaningful relationship with God. Scalia's illuminations. Archbishop Charles Chaput contributes a thought-provoking foreword, which begins the reader's exploration of the many important aspects of the Catholic faith presented in this book.
