JC and Me is a personal journey that spans 33 years. Mark writes about Christianity as a relationship, rather than a list of dos and don'ts. As he details many of the concepts of Christian ministry, he continuously reminds the reader about the relationship with Jesus. At the end of each chapter, Mark adds experiences from his personal life that express what the chapter is all about. This book challenges the reader to rethink what he/she believes. Dare I say that it encourages the reader to explore Christianity from outside of the box? After centuries of doctrine and dogma, JC and Me presents Christianity as a relationship, a journey. Begin your own journey!

Learning God's Love Language Workbook is a Hebrew word study course that you can use in your personal Bible study. Learn Hebrew almost immediately, without years of memorization and other Hebrew language courses. There is an old proverb, "Give a man a fish and you feed him for a day; teach a man to fish, and you feed him for a lifetime." This comes from an even older proverb; "It is more worthwhile to teach someone to do something than to do it for him." My books have been feeding Christians for a day, that is, I have been doing Hebrew word studies every day for that I send out via e-mail and post online. Now I can now teach you to fish, to do your own word studies, so you will be fed for a lifetime. The Learning God's Love Language Workbook is the companion to my larger work, Learning God's Love Language. This book was previously published under the title Beyond the Hebrew Lexicon. This edition has been completely updated and edited to correct typographical errors and make the text more accurate and understandable. The new typeset in this edition helps the Hebrew alphabet stand out and makes the characters easily recognizable. Learning God's Love Language Workbook will bring you to the place where you can do your own Hebrew word study. Mine the riches of God's Word in the original language by learning the meanings of each Hebrew letter and uncovering the built-in commentary behind each Hebrew word. And by doing so, enrich your understanding of God's Word through His ancient love language.
