"Rich, expansive, and grounded in human truth...simply exquisite." —V. E. Schwab, New York Times bestselling author of the Shades of Magic series Even gods can be slain The Hokkaran empire has conquered every land within their bold reach—but failed to notice a lurking darkness festering within the people. Now, their border walls begin to crumble, and villages fall to demons swarming out of the forests. Away on the silver steppes, the remaining tribes of nomadic Qorin retreat and protect their own, having bartered a treaty with the empire, exchanging inheritance through the dynasties. It is up to two

young warriors, raised together across borders since their prophesied birth, to save the world from the encroaching demons. This is the story of an infamous Qorin warrior, Barsalayaa Shefali, a spoiled divine warrior empress, O Shizuka, and a power that can reach through time and space to save a land from a truly insidious evil. A crack in the wall heralds the end...two goddesses arm themselves...K Arsenault Rivera's *The Tiger's Daughter* is an adventure for the ages.

Icon. Celebrity. Artist. Madman. Genius. Nicolas Cage is many things, but love him, or laugh at him, there's no denying two things: you've seen one of his many films, and you certainly know his name. But who is he, really, and why has his career endured for over forty years, with more than a hundred films, and birthed a million memes? *Age of Cage* is a smart, beguiling book about the films of Nicolas Cage and the actor himself, as well as a sharp-eyed examination of the changes that have taken place in Hollywood over the course of his career. Critic and journalist Keith Phipps draws a portrait of the enigmatic icon by looking at—what else?—Cage's expansive filmography. As Phipps delights in charting Cage's films, *Age of Cage* also chronicles the transformation of film, as Cage's journey takes him through the world of 1980s comedies (*Valley Girl*, *Peggy Sue Got Married*, *Moonstruck*), to

the indie films and blockbuster juggernauts of the 1990s (Wild at Heart, Leaving Las Vegas, Face/Off, Con Air), through the wild and unpredictable video-on-demand world of today. Sweeping in scope and intimate in its profile of a fiercely passionate artist, *Age of Cage* is, like the man himself, surprising, insightful, funny, and one of a kind. So, snap out of it, and enjoy this appreciation of Nicolas Cage, national treasure.

The death of the Celtic tiger is not an extinction event to trouble naturalists. There was, in fact nothing natural about this tiger, if it ever really existed. The "Irish Economic miracle" was built on good old-fashioned subsidies (from the European Union) and the simple fact that until the 1980s Ireland was by the standards of the developed world so economically backward that the only way was up. And as it began to catch up to European and American averages, the Irish economy could boast some seemingly remarkable statistics. These lured in investors, the Irish deregulated and all but abandoned financial oversight, and a great Irish financial *ceilidh* began. It would last for a decade. When the global financial crash of 2008 arrived it struck Ireland harder than anywhere - even Iceland looked like a model of rectitude compared to the fiasco that stretched from Cork to Dublin. There was an avalanche of statistics as toxic as the property-based assets that lay beneath many of them And under all this rubble lay the corpse of the Celtic Tiger. How Ireland managed to achieve such a spectacular implosion is a stunning story of corruption, carelessness and venality, told with passion and fury by one of Ireland's most respected journalists and commentators.

Award-winning author Aliette de Bodard

returns with *Fireheart Tiger*, a powerful

romantic fantasy that reads like *The Goblin Emperor* meets *Howl's Moving Castle* in a pre-colonial Vietnamese-esque world *Fire burns bright* and has a long memory.... Quiet, thoughtful princess Thanh was sent away as a hostage to the powerful faraway country of Ephteria as a child. Now she's returned to her mother's imperial court, haunted not only by memories of her first romance, but by worrying magical echoes of a fire that devastated Ephteria's royal palace. Thanh's new role as a diplomat places her once again in the path of her first love, the powerful and magnetic Eldris of Ephteria, who knows exactly what she wants: romance from Thanh and much more from Thanh's home. Eldris won't take no for an answer, on either front. But the fire that burned down one palace is tempting Thanh with the possibility of making her own dangerous decisions. Can Thanh find the freedom to shape her country's fate—and her own? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Novel Vintage Books

Whenever Selina asked about her late father, the grandmother who raised her changed the subject. The chance discovery of a photograph gave Selina hope that he was still alive and sent her searching for him on a small Spanish island. In this lush paradise, Selina found George Dyer, a writer who would help her solve the mystery of her past...and might hold the key to her future. When you read a novel like *Sleeping Tiger* by Rosamunde Pilcher you enter a special world where emotions sing from the heart. A world that lovingly captures the ties that bind us to one another—the joys and sorrows, heartbreaks and misunderstandings, and glad, perfect moments when we are in true harmony. A world filled with evocative, engrossing, and above all, enjoyable portraits of people's lives and loves, tenderly laid open for us...

Tiger's Birthday Charlesbridge Publishing

Examining cases such as the introduction of the Maple Leaf to replace the Canadian Red Ensign and Union Jack as the national flag, *Champion* shows that, despite what he calls Canada's "crisis of Britishness," Pearson and his supporters unwittingly perpetuated a continuing Britishness because they - and their ideals - were the product of a British world. Using a fascinating array of personal papers, memoirs, and contemporary sources, this ground-breaking study demonstrates the ongoing influence of Britishness in Canada and showcases the personalities and views

of some of the country's most important political and cultural figures. An important study that provides a better understanding of Canada, *The Strange Demise of British Canada* also shows the lasting influence Britain has had on its former colonies across the globe.

The Strange Demise of British Canada HarperCollins

Bob Harig's *Tiger & Phil* provides an in-depth chronicle of the decades-long rivalry that drove the success of golf's two biggest stars, Tiger Woods and Phil Mickelson. For more than two decades, there have been two golfers who have captivated, bemused, inspired, frustrated, fascinated, and entertained us, and in doing so have demanded our attention - Tiger Woods and Phil Mickelson. Even with all the ink that has been spilled on Tiger, no one has ever written about his relationship with Phil and how their careers have been inextricably intertwined. Furthermore, very little has been written about Phil Mickelson, who is more than just an adversary. He is a fascinating Hall of Fame golfer in his own right. These two biggest names (and draws) in golf have, for better and for worse, been the ultimate rivals. But it is so much more complicated than that. Each player has pushed the other to be better. They have teased each other and fought. They have battled to the bitter end on the course making for some of the greatest moments in the game for the last 20 years. They have each gone through injury and health problems, legal problems, falling in and out of favor with the press. And over the course of their time together in the game they have gradually become not just rivals but friends. In the tradition of major bestsellers such as *Arnie & Jack*, *When the Game Was Ours*, *The Rivals*, and *Brady vs. Manning*, *Tiger & Phil* will change the way we look at these players and the game itself.

Ugenia Lavender and the Terrible Tiger

Farrar, Straus and Giroux

"Dangerous, subtle, unexpected and familiar, angry and ferocious and hopeful. .

. . The *Empress of Salt and Fortune* is a

remarkable accomplishment of storytelling."—NPR The cleric Chih finds themselves and their companions at the mercy of a band of fierce tigers who ache with hunger. To stay alive until the mammoths can save them, Chih must unwind the intricate, layered story of the tiger and her scholar lover—a woman of courage, intelligence, and beauty—and discover how truth can survive becoming history. Nghi Vo returns to the empire of Ahn and The Singing Hills Cycle in *When the Tiger Came Down the Mountain*, a mesmerizing, lush standalone follow-up to *The Empress of Salt and Fortune*. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Tiger Time 5 Activity Book Tor Books

"An eye-opening and enchanting book by one of our major scientist-explorers."

—Diane Ackerman, author of *The Zookeeper's Wife* Nicknamed the "Real-Life Lorax" by National Geographic, the biologist, botanist, and conservationist Meg Lowman—aka "CanopyMeg"—takes us on an adventure into the "eighth continent" of the world's treetops, along her journey as a tree scientist, and into climate action Welcome to the eighth continent! As a graduate student exploring the rain forests of Australia, Meg Lowman realized that she couldn't monitor her beloved leaves using any of the usual methods. So she put together a climbing kit: she sewed a harness from an old seat belt, gathered hundreds of feet of rope, and found a tool belt for her pencils and rulers. Up she went, into the trees. Forty years later, Lowman remains one of the world's foremost arbornauts, known as the "real-life Lorax." She planned one of the first treetop walkways and helps create more of these bridges through the eighth continent all over the world. With a voice as infectious in its enthusiasm as it is practical in its optimism, *The Arbornaut* chronicles Lowman's irresistible story. From climbing solo hundreds of feet into the air in Australia's rainforests to measuring tree growth in the northeastern United States, from searching the redwoods of the Pacific coast for new life to studying leaf eaters in Scotland's Highlands, from conducting a BioBlitz in Malaysia to conservation planning in India and collaborating with priests to save Ethiopia's last forests, Lowman launches us into the life and work of a field scientist, ecologist, and conservationist. She offers hope, specific plans, and recommendations for action; despite devastation across the world, through trees, we can still make an immediate and lasting impact against climate change. A

blend of memoir and fieldwork account, *The Arbornaut* gives us the chance to live among scientists and travel the world—even in a hot-air balloon! It is the engrossing, uplifting story of a nerdy tree climber—the only girl at the science fair—who becomes a giant inspiration, a groundbreaking, ground-defying field biologist, and a hero for trees everywhere. Includes black-and-white illustrations
Siren Queen St. Martin's Paperbacks
The first book in an epic heart-pounding fantasy trilogy inspired by ancient Indian history and Hindu mythology, perfect for fans of Sabaa Tahir and Renée Ahdieh. * A Book Riot Most Anticipated Novel of 2019 * B&N Top 50 Most Anticipated Novels * A broken bond. A dying land. A cat-and-mouse game that can only end in bloodshed. Esha lost everything in the royal coup—and as the legendary rebel known as the Viper, she's made the guilty pay. Now she's been tasked with her most important mission to date: taking down the ruthless General Hotha. Kunal has been a soldier since childhood. His uncle, the general, has ensured that Kunal never strays from the path—even as a part of Kunal longs to join the outside world, which has only been growing more volatile. When Esha and Kunal's paths cross one fated night, an impossible chain of events unfolds. Both the Viper and the soldier think they're calling the shots, but they're not the only players moving the pieces. As the bonds that hold their land in order break down and the sins of the past meet the promise of a new future, both the soldier and the rebel must decide where their loyalties lie: with the lives they've killed to hold on to or with the love that's made them dream of something more.

Tiger Time 1 Activity Book Henry Holt and Company

Thoughtful, brave and sassy, Ugenia Lavender is one amazing kid. With bags of energy, heaps of attitude and brainwaves like thunderbolts of lightning, Ugenia leaps into adventures that are not only full of fun, but which also contain a great message: that every child is special and capable of great things! With three stories, plus Ugenia's Big News, Top Tips and extra puzzle pages in each book, UGENIA LAVENDER will delight children and adults alike. In Book 2, Ugenia battles a rival for the role of leading lady in the class play, rescues a fearsome tiger from the circus, and discovers that popularity isn't always quite what it's cracked up to be!

Fireheart Tiger Pan Macmillan
When is a mouse not a mouse? When he's a tiger of course! This funny story is all about being who you want to be!

Macmillan

From the author of *The Almost Nearly Perfect People*, a lively tour through Japan, Korea, and China, exploring the intertwined cultures and often fraught history of these neighboring countries. There is an ancient Chinese proverb that states, "Two tigers cannot share the same mountain." However, in East Asia, there are three tigers on that mountain: China, Japan, and Korea, and they have a long history of turmoil and tension with each other. In his latest entertaining and thought provoking narrative travelogue, Michael Booth sets out to discover how deep, really, is the enmity between these three "tiger" nations, and what prevents them from making peace. Currently China's economic power continues to grow, Japan is becoming more militaristic, and Korea struggles to reconcile its westernized south with the dictatorial Communist north. Booth, long fascinated with the region, travels by car, ferry, train, and foot, experiencing the people and culture of these nations up close. No matter where he goes, the burden of history, and the memory of past atrocities, continues to overshadow present relationships. Ultimately, Booth seeks a way forward for these closely intertwined, neighboring nations. An enlightening, entertaining and sometimes sobering journey through China, Japan, and Korea, *Three Tigers, One Mountain* is an intimate and in-depth look at some of the world's most powerful and important countries.
Tiger Time 2 Activity Book McGill-Queen's Press - MQUP

Once a hotshot investigative reporter, middle-aged Jack Tagger now bangs out obituaries for a South Florida daily. When Jimmy Stoma, the infamous front man of Jimmy and the Slut Puppies, dies in a diving "accident," Jack uses clues from the singer's own music to unravel the mystery and resurrect his career in the process.

The Tiger and the Wolf Scholastic Inc.
When a tiger cub goes missing from the reserve, Neil is determined to find her before the greedy Gupta gets his hands on her to kill her and sell her body parts on the black market. Neil's parents, however, are counting on him to study hard and win a prestigious scholarship to study in Kolkata. Neil doesn't want to leave his family or his island home and he struggles with his familial duty and his desire to maintain the beauty and wildness of his island home in West Bengal's Sunderbans.
