SANTOS SALAZAR

Crimson Shore Simon and Schuster
Describes how, in the summer of 1916, a lone great white shark headed for the New Jersey shoreline and a farming community eleven miles inland, attacking five people and igniting the most extensive shark hunt in history.

[I Survived the Shark Attacks of 1916 \(I Survived #2\)](#) Sleeping Bear Press
Winner of the 2016 Whiting Award One of

Publishers Weekly's "Most Anticipated Books of Spring 2016" One of Lit Hub's "10 must-read poetry collections for April" "Reading Vuong is like watching a fish move: he manages the varied currents of English with muscled intuition. His poems are by turns graceful and wonderstruck. His lines are both long and short, his pose narrative and lyric, his diction formal and insouciant. From the outside, Vuong has fashioned a poetry of inclusion."—The New Yorker "Night Sky with Exit Wounds establishes Vuong as a fierce new talent to be reckoned with...This book is a

masterpiece that captures, with elegance, the raw sorrows and joys of human existence."—Buzzfeed's "Most Exciting New Books of 2016" "This original, sprightly wordsmith of tumbling pulsing phrases pushes poetry to a new level...A stunning introduction to a young poet who writes with both assurance and vulnerability. Visceral, tender and lyrical, fleet and agile, these poems unflinchingly face the legacies of violence and cultural displacement but they also assume a position of wonder before the world."—2016 Whiting Award citation

"Night Sky with Exit Wounds is the kind of book that soon becomes worn with love. You will want to crease every page to come back to it, to underline every other line because each word resonates with power."—LitHub "Vuong's powerful voice explores passion, violence, history, identity—all with a tremendous humanity."—Slate "In his impressive debut collection, Vuong, a 2014 Ruth Lilly fellow, writes beauty into—and culls from—individual, familial, and historical traumas. Vuong exists as both observer and observed throughout the book as he explores deeply personal themes such as poverty, depression, queer sexuality, domestic abuse, and the various forms of violence inflicted on his family during the Vietnam War. Poems float and strike in equal measure as the poet strives to transform pain into clarity. Managing this balance becomes the crux of the collection, as when he writes, 'Your father is only your father/ until one of you forgets. Like how the spine/ won't remember its wings/ no matter how many times our knees/ kiss the pavement.'"—Publishers Weekly "What a treasure [Ocean Vuong] is to us. What a

perfume he's crushed and rendered of his heart and soul. What a gift this book is."—Li-Young Lee Torso of Air Suppose you do change your life. & the body is more than a portion of night—sealed with bruises. Suppose you woke & found your shadow replaced by a black wolf. The boy, beautiful & gone. So you take the knife to the wall instead. You carve & carve until a coin of light appears & you get to look in, at last, on happiness. The eye staring back from the other side— waiting. Born in Saigon, Vietnam, Ocean Vuong attended Brooklyn College. He is the author of two chapbooks as well as a full-length collection, *Night Sky with Exit Wounds*. A 2014 Ruth Lilly Fellow and winner of the 2016 Whiting Award, Ocean Vuong lives in New York City, New York.

Kafka on the Shore Vintage

A GQ Best Book of the Month • A New York Post Must-Read Book • A Flavorwire Book of the Week • A New York Daily News Can't-Put-Down Novel "[Parish] has got chops, and a feel for dialogue, and is a talent in the making." —Bill Buford, *The Wall Street Journal* "Read this book in a beach chair. . . . [A] worldly and propulsive debut."—GQ An exhilarating novel of

reinvention, friendship, and ambition—from the Jersey Shore to St. Andrews in Scotland Tom Alison has it all within his reach. He's smart, handsome, and about to graduate from a prestigious East Coast boarding school. After that it's off to the Ivy League and then a job on Wall Street, alongside the power brokers he's been watching from a distance as the working-class son of a single mom. And then the very life his mother worked so hard to escape catches up with him when he gets busted selling drugs. Lucky for Tom, there are places for boys and girls with ruined reputations. First, he returns to his roots on the Jersey Shore, reconnecting with a hard-living crew and cementing a bond with his new friend Clare Savage—the son of a recently disgraced financier. The two boys spend their summer surfing and partying. When fall arrives, they head to St. Andrews University in Scotland, a haven for Americans in need of a second chance and a favorite of the British ruling class. Tom and Clare escape to Scotland together, but it's Tom who discovers a world shaped by even more powerful forces of greed and ambition than the one he left behind.

Sucked into a maelstrom of sex, drugs, and status, Tom learns what it takes to break the rules—and how we can be broken by them. Driven by a cast of young men and women living in an age of riotous prosperity, *Down the Shore* is an unflinching and unforgettable story of youth steeped in excess. Stan Parish has crafted a gripping novel that masterfully captures the lives of fallen financiers and the people they bring down with them—and reminds us that not even an ocean can separate us from our family, our friends, or our past.

Close to Shore Penguin

A novel about journalism and one man's moral choices, "evoking the rhythms of Ernest Hemingway's early fiction . . . A quietly affecting, mournful achievement" (Richmond Times-Dispatch). Ned Ayres has never wanted anything but a newspaper career. His defining moment comes early, when Ned is city editor of his hometown paper. One of his beat reporters fields a tip: William Grant, the town haberdasher, married to the bank president's daughter and the father of two children, once served six years in Joliet. The story runs—Ned offers no resistance

to his publisher's argument that the public has a right to know. The consequences, swift and shocking, haunt him throughout a long career—until eventually, as the editor of a major newspaper in post-Kennedy Washington, DC, Ned has reason to return to the question of privacy and its many violations.

A Distant Shore Scholastic Inc.

Every summer, thousands flock to the Jersey Shore for its beaches and boardwalks, but lurking in the depths beyond is a historic threat to tranquility. Dozens of shark attacks and interactions have occurred throughout Jersey Shore history that reveal bravery, heartbreak and the hubris of man. A boy paid a gruesome price for teasing a trapped shark in the first recorded attack in 1842. The three bloody attacks of 1960 left one man's limb amputated. The horrific summer of 1916 included seven attacks in a two-week span and crafted the caricature of the killer shark that remains in popular culture today. Authors Patricia and Robert Heyer dive into the history of when two apex predators, man and shark, cross paths on the shores of New Jersey.

The Jersey Shore Simon and Schuster

A once peaceful planet of refugees faces complete annihilation in this hard science fiction sequel to *Brightness Reef*. Book Two in the *Uplift Storm Trilogy* It's illegal to occupy the planet Jijo, but six castaway races have managed to coexist there for some time. They've successfully hidden from watchful law enforcers of the Five Galaxies—until now . . . After making an amazing discovery far away—a derelict armada whose mere existence triggered interstellar war—the Terran exploration vessel *Streaker* and its crew of humans and dolphins arrive at Jijo in search of sanctuary from the Galactic forces out to destroy them. But they were followed. As behemoth Galactic starships descend upon Jijo, heroic—and terrifying—choices must be made. Together, human and alien settlers must choose whether to fight the invaders or join them. The crew of the *Streaker*, meanwhile, discovers something that just might save Jijo and its inhabitants . . . or destroy every last one of them. "Well paced, immensely complex, highly literate . . . Superior SF." —Publishers Weekly, starred review "An imaginative drama of excitement and wonder . . . The sheer virtuosity of the prose alone makes

this book worth reading.” —SF Site

Night Sky with Exit Wounds Simon and Schuster

When a family spends a day at the beach, the children investigate various footprints to see what type of creatures live along the shoreline. Rhyming text turns a sandy beach into an outdoor classroom. The tracks and habits of local wildlife, including hopping sandpipers, scuttling crabs, and burrowing turtles, are identified and explained for young ecology detectives. Even Daddy's feet make an appearance! And at day's end, it's time for tired feet to make their way home. STEM-based back matter includes information on how clues like footprints can identify the type of wildlife inhabiting any given habitat.

On the Beach Simon and Schuster
 Vikings meets Frostblood in this romantic historical fantasy stand-alone from author Jessica Leake. The ancient land of Éirinn is mired in war. Ciara, princess of Mide, has never known a time when Éirinn's kingdoms were not battling for power, or Northmen were not plundering their

shores. The people of Mide have always been safe because of Ciara's unearthly ability to control her enemies' minds and actions. But lately a mysterious crow has been appearing to Ciara, whispering warnings of an even darker threat. Although her clansmen dismiss her visions as pagan nonsense, Ciara fears this coming evil will destroy not just Éirinn but the entire world. Then the crow leads Ciara to Leif, a young Northman leader. Leif should be Ciara's enemy, but when Ciara discovers that he, too, shares her prophetic visions, she knows he's something more. Leif is mounting an impressive army, and with Ciara's strength in battle, the two might have a chance to save their world. With evil rising around them, they'll do what it takes to defend the land they love...even if it means making the greatest sacrifice of all.

The Shore Turtleback Books

Combining rich historical detail and harrowing, pulse-pounding narrative, the author re-creates the summer of 1916, when a rogue great white shark attacked swimmers along the New Jersey shore. *Burning Shore* Astra Publishing House
 Combining rich historical detail and a

harrowing, pulse-pounding narrative, *Close to Shore* brilliantly re-creates the summer of 1916, when a rogue Great White shark attacked swimmers along the New Jersey shore, triggering mass hysteria and launching the most extensive shark hunt in history. In July 1916 a lone Great White left its usual deep-ocean habitat and headed in the direction of the New Jersey shoreline. There, near the towns of Beach Haven and Spring Lake--and, incredibly, a farming community eleven miles inland--the most ferocious and unpredictable of predators began a deadly rampage: the first shark attacks on swimmers in U.S. history. Capuzzo interweaves a vivid portrait of the era and meticulously drawn characters with chilling accounts of the shark's five attacks and the frenzied hunt that ensued. From the unnerving inevitability of the first attack on the esteemed son of a prosperous Philadelphia physician to the spine-tingling moment when a farm boy swimming in Matawan Creek feels the sandpaper-like skin of the passing shark, *Close to Shore* is an undeniably gripping saga. Heightening the drama are stories of the resulting panic in the citizenry, press and politicians, and of

colorful personalities such as Herman Oelrichs, a flamboyant millionaire who made a bet that a shark was no match for a man (and set out to prove it); Museum of Natural History ichthyologist John Treadwell Nichols, faced with the challenge of stopping a mythic sea creature about which little was known; and, most memorable, the rogue Great White itself moving through a world that couldn't conceive of either its destructive power or its moral right to destroy. Scrupulously researched and superbly written, *Close to Shore* brings to life a breathtaking, pivotal moment in American history. Masterfully written and suffused with fascinating period detail and insights into the science and behavior of sharks, *Close to Shore* recounts a breathtaking, pivotal moment in American history with startling immediacy.

For anyone whose best-laid plans have been foiled by faulty thinking, *Blunder* reveals how understanding seven simple traps-Exposure Anxiety, Causefusion, Flat View, Cure-Allism, Infomania, Mirror Imaging, Static Cling-can make us all less apt to err in our daily lives.

A Week at the Shore Penguin

This lauded work of science fiction and New York Times Notable Book of the Year explores a universe where genetic mutations have allowed certain individuals to traverse the stars. It is the second stage of human colonization—the first age, humanity's initial attempt to people the stars, ended in disaster when it was discovered that Earth's original superluminal drive did permanent genetic damage to all who used it—mutating Earth's far-flung colonists in mind and body. Now, one of Earth's first colonies has given humanity back the stars, but at a high price—a monopoly over all human

commerce. And when a satellite in Earth's outer orbit is viciously attacked by corporate raiders, an unusual young woman flees to a ship bound for the Up-and-Out. But her narrow escape does not mean safety. For speeding across the galaxy pursued by ruthless, but unknown adversaries, this young woman will discover a secret which is buried deep inside her psyche—a revelation the universe may not be ready to face....

Sandy Feet! Whose Feet? Random House Join award-winning writer Jim Duffy as he ventures out in search of the heart and soul of the storied Delmarva Peninsula--wandering along backroads, visiting Chesapeake islands, touring quaint towns, and strolling beaches and parks. A follow-up to the regional bestseller "Eastern Shore Road Trips," "Eastern Shore Road Trips 2" serves up 26 all-new excursions that mix itineraries full of insider tips with fascinating stories from days gone by. The author is the co-founder of Secrets of the Eastern Shore, the go-to online source among locals and tourists alike for travel tips and engaging stories about the region. Whether you are a road tripper or an armchair traveler, "Eastern Shore Road

Trips 2" is sure to give you a fresh sense for what makes the Delmarva Peninsula such a timeless American treasure. In every chapter, the book delves into the fascinating events and key personalities that shaped the destination at hand. Trips are evenly divided among the lower, middle, and upper parts of the peninsula, which covers the Eastern Shore of Virginia, the Eastern Shore of Maryland, and the state of Delaware. Helpful maps provide a general sense for the geography of each trip.

Everywhere, Always Ballantine Books When a straightforward murder case spirals out of control, Pendergast and his ward investigate an ancient witches' colony in a sleepy New England town where a terrible evil awaits . . . A secret chamber. A mysterious shipwreck. A murder in the desolate salt marshes. A seemingly straightforward private case turns out to be much more complicated--and sinister--than Special Agent A.X.L. Pendergast ever could have anticipated. Pendergast, together with his ward Constance Greene, travels to the quaint seaside village of Exmouth, Massachusetts, to investigate the theft of

a priceless wine collection. But inside the wine cellar, they find something considerably more disturbing: a bricked-up niche that once held a crumbling skeleton. Pendergast and Constance soon learn that Exmouth is a town with a very dark and troubled history, and this skeleton may be only the first hint of an ancient transgression, kept secret all these years. But they will discover that the sins of the past are still very much alive. Local legend holds that during the 1692 witch trials in Salem, the real witches escaped, fleeing north to Exmouth and settling deep in the surrounding salt marshes, where they continued to practice their wicked arts. Then, a murdered corpse turns up in the marshes. The only clue is a series of mysterious carvings. Could these demonic symbols bear some relation to the ancient witches' colony, long believed to be abandoned? A terrible evil lurks beneath the surface of this sleepy seaside town--one with deep roots in Exmouth's grim history. And it may be that Constance, with her own troubled past, is the only one who truly comprehends the awful danger that she, Pendergast, and the residents of Exmouth must face . . .

The Shore HMH

When Avery Miller wakes up in her hospital room, it's to a life she didn't expect, want, or ever imagine for herself. She's barely given time to mourn the death of her mother as she's introduced to her new family—a father she never knew existed, a stepmother she didn't want, and a brother who gave himself the job of being her enthusiastic best friend and overbearing protector before they even met. All it takes is one car accident to change the trajectory of seventeen-year-old Avery's life forever, ripping her from the brink of poverty in Pennsylvania and tossing her into a new life in a penthouse apartment in the middle of New York City. The visible marks on her skin are a tangible reminder

of the pain she's gone through, but it's Ethan, the guy who lives one floor below and has a Shakespeare quote for every occasion, who helps her overcome loss, find herself again, and fall in love.

 SHORTLISTED FOR THE GUARDIAN FIRST BOOK AWARD 2015 SHORTLISTED FOR THE SUNDAY TIMES/PETERS FRASER & DUNLOP YOUNG WRITER OF THE YEAR AWARD LONGLISTED FOR THE BAILEYS WOMEN'S PRIZE FOR FICTION 2015
 The Shore. A collection of small islands sticking out from the coast of Virginia into the Atlantic Ocean that has been home to generations of fierce and resilient women. Sanctuary to some but nightmare to

others, it's a place they've inhabited, fled, and returned to for hundreds of years. The women are united by both small miracles and miseries: from a brave girl's determination to protect her younger sister as methamphetamine ravages their family, to a lesson in summoning storm clouds to help end a drought. Their interconnected stories form a deeply affecting legacy of two island families bound not just by blood, but by fate.
