This means that it is intended for use as an Architectural Design Primer. I love to draw. I am not a student of Architectural Design. However, because I am openminded and love to learn, I found this elegant book mesmirizing. Amazon.com: Customer reviews: Drawing and Reinventing ...Drawing forces you to take time and really look at what is in front of you. It is a haptic experience. When you hold a pencil and retrace what you see, you can almost feel the object, its forms and structures. This can especially be experienced when sketching landscapes. Landscape architects deal with landscapes on different scales all the time.
