Harriet Jacobs'
narrative of a life as a
slave girl is
unabridged, and
contains an additional
annotation at the start
of the book. This
section aims to give
the reader an historical
context, and contains a
brief History of Slavery
in America, and the
Abolishment of
Slavery. This will help
set the stage for

Harriet Ann Jacobs
autobiography that is
to follow: "I am aware
that some of my
adventures may seem
incredible; but they
are, nevertheless,
strictly true. I have not
exaggerated the
wrongs inflicted by
Slavery; on the
contrary, my
descriptions fall far
short of the facts. I
have concealed the
names of places, and
given persons fictitious
names. I had no motive
for secrecy on my own
account, but I deemed
it kind and considerate
towards others to
pursue this course.
When I first arrived in
Philadelphia, Bishop
Paine advised me to
publish a sketch of my

life, but I told him I was altogether incompetent to such an undertaking. Though I have improved my mind somewhat since that time, I still remain of the same opinion; but I trust my motives will excuse what might otherwise seem presumptuous. I have not written my experiences in order to attract attention to myself; on the contrary, it would have been more pleasant to me to have been silent about my own history. I want to add my testimony to that of abler pens to convince the people of the Free States what Slavery really is. Only by experience can any one realize how deep, and dark, and foul is that pit of abominations. May the blessing of God rest on

this imperfect effort in behalf of my persecuted people!" -- Linda Brent (Pseudonym used by Harriet Ann Jacobs) *Incidents in the Life of a Slave Girl* Penguin

Original content) Font adjustments & biography included Illustrated About Incidents In The Life Of A Slave Girl by Harriet Jacobs Incidents in the Life of a Slave Girl is an autobiography by a young mother and fugitive slave published in 1861 by L. Maria Child, who edited the book for its author, Harriet Ann Jacobs. Jacobs used the pseudonym Linda Brent. The book documents Jacobs' life as a slave and how she gained freedom for herself and for her children. Jacobs contributed to the genre of slave narrative by using the techniques of sentimental novels "to address race and gender issues." She explores the struggles and sexual abuse that

female slaves faced on plantations as well as their efforts to practice motherhood and protect their children when their children might be sold away.

"Transracial adoption is never oversimplified, airbrushed, or sentimentalized, but instead, it's portrayed with bracing honesty as the messy institution it is: rearranging families, blending cultural and biological DNA, loss and joy. An exceptionally accomplished debut."—Kirkus, starred review For as long as she can remember, sixteen-year-old Alex Kirtridge has known two things

about herself: She's a stellar baseball player. She's adopted. Alex has had a comfortable childhood in Madison, Wisconsin. Despite some teasing, being a biracial girl in a wealthy white family hasn't been that big a deal. What mattered was that she was a star on the diamond, where her father, a former Major Leaguer, coached her hard and counted on her to make him proud. But now, things are changing: she meets Reggie, the first black guy who's wanted to get to know her; she discovers the letters from her biological father that her adoptive parents have kept from her; and her changing body starts to affect her game. Suddenly, Alex begins to question who she

really is. She's always dreamed of playing pro baseball just like her father, but can she really do it? Does she truly fit in with her white family? Who were her biological parents? What does it mean to be black? If she's going to find answers, Alex has to come to terms with her adoption, her race, and the dreams she thought would always guide her. • Winner of the Minnesota Book Award • A Kirkus Reviews Best Teen book of the Year • A Bank Street College Best Children's Book of the Year
Incidents in the Life of a Slave Girl - Illustrated & Annotated
 ReadHowYouWant.com
 After hiding in her grandmother's attic for seven years, Harriet

Ann Jacobs was finally able to escape servitude—and her master’s sexual abuse—when she fled to the North. Once there, she became a very active abolitionist, and her correspondence with Harriet Beecher Stowe inspired her to write *Incidents in the Life of a Slave Girl* about her years as a slave. She published the narrative in 1861 under the pseudonym Linda Brent, and the book was written as a novel with fictionalized characters to protect Jacobs from retribution by her former owners. (Dr. Flint, i.e., the real Dr. James Norcom, is Linda Brent’s master in the novel.) The story emphasized certain negative aspects of slavery—especially the struggles of female

slaves under sexually abusive masters, cruel mistresses, and the sale of their children—in order to play on the sympathies of white middle-class women in the North. *Incidents in the Life of a Slave Girl* was published at the beginning of the American Civil War. It contributed to the Union’s and abolitionists’ war effort, but is today seen as an important first-hand account from an escaped slave woman and an important abolitionist. After the Civil War, Jacobs continued to support the African-American cause, particularly education, until her death in 1897. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca

imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work

might not otherwise find a home.

INCIDENTS in the LIFE of a SLAVE GIRL. Written by Herself (Annotated)

Cambridge University Press

This is a far-ranging study which contextualises both the historical figure of Harriet Jacobs and her autobiography as a created work of art.

[Incidents in the Life of a Slave Girl \(EasyRead Comfort Edition\)](#) BoD - Books on Demand

"Incidents in the Life of a Slave Girl," which was first published in 1861, was one of the first slave narratives penned by a woman. The book tells the story of Harriet Jacobs (1813-1897), a slave from North Carolina who suffered greatly (along with her family) at the hands of her

ruthless owner. After several failed attempts to escape, Harriet eventually made her way north. Her journey, which involved years of hiding, was incredibly slow. She did finally reach her destination, however, and was even reunited with her children. Harriet's book is a testimony to the truth of her words that, though slavery was terrible for men, it was even worse for a woman. Due to the Fugitive Slave Law of 1850, she was not protected from recapture even after her escape. Her book provides an eloquent recital of the suffering slavery brings, from unkept promises to broken families, whippings, beatings, and burnings. The entire narration, including stories of

masters selling their own children, is recounted with both precise detail and angry indignation. The story of her master's pursuit of her (which started when she was 15), his abuse, and her a hair-raising escape is a remarkable testimony to her strength, courage, and the resilience of the human spirit.

Incidents in the Life of a Slave Girl Infinity John Jacobs' short slave narrative, "A True Tale of Slavery", published in London in 1861, adds a brother's perspective to Harriet Jacobs' autobiography. This book is the enlarged edition of the most significant and celebrated slave narrative that completes the Jacobs family saga.

Part of the Hero Classics series Reader, did you ever hate? I hope not. I never did but once; and I trust I never shall again. Somebody has called it "the atmosphere of hell"; and I believe it is so. First published in 1861 under a pseudonym, this is the autobiography of Harriet Jacobs, a mother, fugitive and slave. The book

outlines her life, the struggles she faced as a female slave as well as the hardship she endured to protect her children and the fear of them being sold. As well as a precious historical document, it is also a timeless exploration of issues of race, gender and the struggle for freedom. The Hero Classics series: Meditations The Prophet A Room of One's Own Incidents in the Life of a Slave Girl The Art of War The Life of Charlotte Bronte The Republic The Prince Narrative of the Life of Frederick Douglass, an American Slave *Incidents In The Life Of A Slave Girl* Createspace Independent Publishing Platform Why buy our paperbacks? Incidents in the Life of a Slave Girl is an autobiography by a young mother and fugitive slave published in 1861 by L. Maria Child, who edited the book for its author, Harriet Ann Jacobs. Jacobs used the pseudonym Linda Brent. The book documents Jacobs' life as a slave and how she gained freedom for herself and for her children. Jacobs contributed to the genre of slave narrative by using the techniques of sentimental novels "to address race and gender issues." [1] She explores the struggles and sexual abuse that female slaves faced on plantations as well as their efforts to practice motherhood and protect their children when their children

might be sold away. Jacob's book is addressed to white women in the North who do not fully comprehend the evils of slavery. She makes direct appeals to their humanity to expand their knowledge and influence their thoughts about slavery as an institution. Jacobs began composing Incidents in the Life of a Slave Girl after her escape to New York, while living and working at Idlewild, the Hudson River home of writer and publisher Nathaniel Parker Willis. [2] Portions of her journals were published in serial form in the New-York Tribune, owned and edited by Horace Greeley. Jacobs' reports of sexual abuse were deemed too shocking for the

average newspaper reader of the day, and publication ceased before the completion of the narrative. Boston publishing house Phillips and Samson agreed to print the work in book form if Jacobs could convince Willis or abolitionist author Harriet Beecher Stowe to provide a preface. She refused to ask Willis for help and Stowe never responded to her request. The Phillips and Samson company closed.[3] Jacobs eventually signed an agreement with the Thayer & Eldridge publishing house, and they requested a preface by abolitionist Lydia Maria Child, who agreed. Child also edited the book, and the company introduced her to

Jacobs. The two women remained in contact for much of their remaining lives. Thayer & Eldridge, however, declared bankruptcy before the narrative could be published. Lydia Maria Francis Child (born Lydia Maria Francis) (February 11, 1802 - October 20, 1880), was an American abolitionist, women's rights activist, Native American rights activist, novelist, journalist, and opponent of American expansionism. Her journals, both fiction and domestic manuals reached wide audiences from the 1820s through the 1850s. At times she shocked her audience as she tried to take on issues of both male dominance and white supremacy in some of

her stories. Despite these challenges, Child may be most remembered for her poem "Over the River and Through the Wood." Her grandparents' house, which she wrote about visiting, was restored by Tufts University in 1976 and stands near the Mystic River on South Street, in Medford, Massachusetts.

Incidents in the Life of a Slave Girl, written by herself is an autobiography by a young mother and fugitive slave published in 1861 by L. Maria Child, who edited the book for its author, Harriet Ann Jacobs. Jacobs used the

pseudonym Linda Brent. The book documents Jacobs's life as a slave and how she gained freedom for herself and for her children. Jacobs contributed to the genre of slave narrative by using the techniques of sentimental novels "to address race and gender issues." She explores the struggles and sexual abuse that female slaves faced on plantations as well as their efforts to practice motherhood and protect their children when their children might be sold away. In the book, Jacobs addresses white Northern women who fail to comprehend the evils of slavery. She makes direct appeals to their humanity to expand their knowledge and

influence their thoughts about slavery as an institution.

Harriet Jacobs Literary Licensing, LLC

Harriet Ann Jacobs (February 11, 1813 - March 7, 1897) was an American writer, who escaped from the horrors of slavery and became an abolitionist speaker and reformer. Jacobs' single work, 'Incidents in the Life of a Slave Girl', published in 1861 under the pseudonym Linda Brent, was one of the first autobiographical narratives about the struggle for freedom by female slaves and an account of the sexual harassment and abuse they endured. This important primary source includes a new introduction by Emmy award winning writer and historian Bob Carruthers.

Although millions of African American women were held in bondage over the 250 years that slavery was legal in the United States, Harriet Jacobs (1813-97) is the only one known to have left papers testifying to her life. Her autobiography, *Incidents in the Life of a Slave Girl*, holds a central place in the canon of American literature as the most important slave narrative by an African American woman. Born in Edenton, North Carolina, Jacobs

escaped from her owner in her mid-twenties and hid in the cramped attic crawlspace of her grandmother's house for seven years before making her way north as a fugitive slave. In Rochester, New York, she became an active abolitionist, working with all of the major abolitionists, feminists, and literary figures of her day, including Frederick Douglass, Lydia Maria Child, Amy Post, William Lloyd Garrison, Susan B. Anthony, Harriet Beecher Stowe, Fanny Fern, William C. Nell, Charlotte Forten Grimke, and Nathan Parker Willis. Jean Fagan Yellin has devoted much of her professional life to illuminating the remarkable life of Harriet Jacobs. Over

three decades of painstaking research, Yellin has discovered more than 900 primary source documents, approximately 300 of which are now collected in two volumes. These letters and papers written by, for, and about Jacobs and her activist brother and daughter provide for the thousands of readers of Incidents--from scholars to schoolchildren--access to the rich historical context of Jacobs's struggles against slavery, racism, and sexism beyond what she reveals in her pseudonymous narrative. Accompanied by a CD containing a searchable PDF file of the entire contents, this collection is a crucial launching point for future scholarship

on Jacobs's life and times.

The true story of an individual's struggle for self-identity, self-preservation, and freedom, *Incidents in the Life of a Slave Girl* remains among the few extant slave narratives written by a woman. This autobiographical account chronicles the remarkable odyssey of Harriet Jacobs (1813-1897) whose dauntless spirit and faith carried her from a life of servitude and degradation in North Carolina to liberty and reunion with her children in the North. Written and published in 1861 after Jacobs' harrowing escape from

a vile and predatory master, the memoir delivers a powerful and unflinching portrayal of the abuses and hypocrisy of the master-slave relationship. Jacobs writes frankly of the horrors she suffered as a slave, her eventual escape after several unsuccessful attempts, and her seven years in self-imposed exile, hiding in a coffin-like "garret" attached to her grandmother's porch. A rare firsthand account of a courageous woman's determination and endurance, this inspirational story also represents a valuable historical record of the continuing battle for freedom and the preservation of family.

Incidents in the Life of a Slave Girl Illustrated

CreateSpace
Incidents in the Life of a Slave Girl is one of the first personal narratives written by a slave and one of the few written by a woman. Harriet Jacobs, Linda Brent, was a slave in North Carolina who suffered terribly at the hands of a ruthless owner. She made several failed attempts to escape before successfully making her way north, a process that took years of hiding and slow travel. Jacobs is now perhaps the most read and studied Black American woman of the nineteenth century. "Reader be assured this narrative is no fiction. I am aware that some of my adventures may seem incredible; but they are, nevertheless, strictly true. I have not

exaggerated the wrongs inflicted by Slavery; on the contrary, my descriptions fall far short of the facts. I have concealed the names of places, and given persons fictitious names. I had no motive for secrecy on my own account, but I deemed it kind and considerate towards others to pursue this course."
