The book will update the aspirants on the latest changes in the syllabus of the Preliminary and Mains exams. It is an important handy tool for the aspirants which they can refer throughout their preparation.

Luna (Punjabi Award Winning) Oxford University Press
 A discussion with a friend soon turned into a matter of self-assessment, leading to this discourse on why Bhagat Singh chose to be an atheist. Even in the face of death at a very young age, with uncanny observations and sharp questions, he forces us to re-think our foundations to faith in god.
 Greenwood Publishing Group

A veteran journalist and former member of Parliament, Kuldip Nayar is India's most well known and widely syndicated journalist. He was born in Sialkot in 1923 and educated at Lahore University before migrating to Delhi with his family at the time of Partition. He began his career in the Urdu newspaper Anjam and after a spell in the USA worked as information officer of Lal Bahadur Shastri and Govind Ballabh Pant. He eventually became Resident Editor of the Statesman and managing editor of the Indian news agency UNI. He corresponded for the Times for twenty-five years and later served as Indian high commissioner to the UK during the V.P. Singh government. His stand for press freedom during the Emergency, when he was detained; his commitment to better relations between India and Pakistan, and his role as a human rights activist have won him respect and affection in both countries. Author of more than a dozen books, his weekly columns are read across South Asia.

Literary Responses in Prose & Poetry Niyogi Books

Shri Mataji writes that "India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it." This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. "The

knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form."

Jallianwala Bagh Penguin

A wide-ranging survey of the Indian sub-continent, Modern South Asia gives an enthralling account of South Asian history. After sketching the pre-modern history of the subcontinent, the book concentrates on the last three centuries from c.1700 to the present. Jointly written by two leading Indian and Pakistani historians, Modern South Asia offers a rare depth of understanding of the social, economic and political realities of this region. This comprehensive study includes detailed discussions of: the structure and ideology of the British raj; the meaning of subaltern resistance; the refashioning of social relations along lines of caste class, community and gender; and the state and economy, society and politics of post-colonial South Asia The new edition includes a rewritten, accessible introduction and a chapter by chapter revision to take into account recent research. The second edition will also bring the book completely up to date with a chapter on the period from 1991 to 2002 and adiscussion of the last millennium in sub-continental history.

History, Culture, Political Economy Kalinjar Publications
 Number theory is one of the oldest branches of mathematics that is primarily concerned with positive integers. While it has long been studied for its beauty and elegance as a branch of pure mathematics, it has seen a resurgence in recent years with the advent of the digital world for its modern applications in both computer science and cryptography. Number Theory: Step by Step is an undergraduate-level introduction to number theory that assumes no prior knowledge, but works to gradually increase the reader's confidence and ability to tackle more difficult material. The strength of the text is in its large number of examples and the step-by-step explanation of each topic as it is introduced to help aid understanding the abstract mathematics of number theory. It is compiled in such a way that allows self-study, with explicit solutions to all the set of problems freely available online via the companion website. Punctuating the text are short and engaging historical profiles that add context for the topics covered and provide a dynamic background for the subject matter.

White Blood Notion Press

Five hundred years ago, Guru Nanak founded the Sikh faith in India. The Sikhs defied the caste system; rejected the authority of Hindu priests; forbade magic and idolatry; and promoted the equality of men and women -- beliefs that incurred the wrath of both Hindus and Muslims. In the centuries that followed, three of Nanak's nine successors met violent ends, and his people continued to battle hostile regimes. The conflict has raged into our own time: in 1984 the Golden Temple of Amritsar -- the holy

shrine of the Sikhs--was destroyed by the Indian Army. In retaliation, Sikh bodyguards assassinated Prime Minister Indira Gandhi. Now, Patwant Singh gives us the compelling story of the Sikhs -- their origins, traditions and beliefs, and more recent history. He shows how a movement based on tenets of compassion and humaneness transformed itself, of necessity, into a community that values bravery and military prowess as well as spirituality. We learn how Gobind Singh, the tenth and last Guru, welded the Sikhs into a brotherhood, with each man bearing the surname Singh, or "Lion," and abiding by a distinctive code of dress and conduct. He tells of Banda the Brave's daring conquests, which sowed the seeds of a Sikh state, and how the enlightened ruler Ranjit Singh fulfilled this promise by founding a Sikh empire. The author examines how, through the centuries, the Sikh soldier became an exemplar of discipline and courage and explains how Sikhs -- now numbering nearly 20 million worldwide -- have come to be known for their commitment to education, their business acumen, and their enterprising spirit. Finally, Singh concludes that it would be a grave error to alienate an energetic and vital community like the Sikhs if modern India is to realize its full potential. He urges India's leaders to learn from the past and to "honour the social contract with Indians of every background and persuasion."

Jallianwala Bagh. 13 April 1919. Twenty-two-year-old Nanak Singh joins the mass of peaceful protestors agitating against the Rowlatt Act. What then turns out to be one of the worst atrocities perpetrated by the British Raj, and a turning point in India's independence movement, also becomes a life-changing experience for Nanak Singh, who survives the massacre, unconscious and unnoticed among the hundreds of corpses. After going through the traumatic experience, Nanak Singh proceeds to write Khooni Vaisakhi, a long poem in Punjabi. The poem was a scathing critique of the British Raj and was banned soon after its publication in May 1920. After sixty long years, it was rediscovered and has been translated into English for the first time by the author's grandson, Navdeep Suri. Featuring the poem in translation and in original, this bilingual book is accompanied by essays from Navdeep Suri, Punjabi literature scholar H.S.

Bhatia and BBC correspondent Justin Rowlett. Khooni Vaisakhi is not only a poignant piece of protest literature but also a historical artefact and a resurrected witness to how Sikhs, Hindus and Muslims came together to stand up to colonization and oppression in one of India's darkest moments.

Modern South Asia Penguin Books India

Novel - masterpiece of a writer.

A Story of Three Generations Psychology Press

British agitations, are thoughts of going home to his wife. When he returns, he finds out that his wife has died, leaving behind their infant child. As Kuldeep's world collapses around him, he negotiates the divergent pulls exerted by people around him: a holy man who advocates renunciation; his childhood friend Saroj, who has always loved him; and the tempestuous Prakash who hides an unsavoury past. Sahitya Akademi Award-winning author Nanak Singh draws on personal experiences to create this compelling portrait of Punjab in the 1920s. Originally published in Punjabi in 1940, Adh Kidhiya Phool is an intense meditation on the choices people make and the consequences these may have.

Mission IAS - Prelim/ Main Exam, Trends, How to prepare, Strategies, Tips & Detailed Syllabus Sahitya Akademi

In today's highly competitive world with ever expanding boundaries of knowledge, if you want to find a success mantra, then it has to be - 'know the right thing at the right time, make right use of it in just the right words.' Everybody has his own bank of knowledge; some have more than others, but, does it serve any purpose if you don't know how to use your knowledge well.

Disha's 'Mission IAS' is acclaimed as one of the most authoritative and comprehensive books of high-quality reference materials to cater to aspirants of IAS exams. Main features of the book are --

- Exclusively designed to cater to the aspirants of IAS.
- Covers exam patterns of CSAT (Prelims & Main - English, GS & optional subjects) as well as Interview.
- Covers service profile -- recruitment, training, functions, promotions, designations, remunerations of 'All India Services' & 'Central Civil Service' - Group 'A' & 'B' under UPSC -- Civil Service Exams like IAS, IPS, IFS, IRS, etc.
- Infographics, bar charts and data in tabular form facilitating information quickly and clearly.
- Features interviews of IAS 2015 toppers, including Tina Dabi, Rank-1, and their tips & strategies for prospective IAS aspirants.
- Language is lucid making problem-solving fun to candidates of diverse backgrounds.
- Keeping the whole coverage of the book in accordance with the syllabus and pattern of the exam, it will act as a standard reference and preparation material for all the needs of aspirants of CSAT.
- Preparation material is in line with the analysis of Previous Years' Exams Papers which will help aspirants know the trend of the questions and the difficulty level of the same.

Punjab Revenue Patwari Recruitment Exam 2020 Kalinjar Publications

This book is meant to reinvigorate your thought process and give your life a new vision and perspective. This book is a spiritual journey with the teachings of Shri Guru Granth Sahib Ji. The approach is not to be religious or dogmatic but spiritual and liberal. The book contains the teachings of Sri Guru Granth Sahib Ji, which contains the teachings of Sikh Gurus, other saints, and words of eternal wisdom. Each chapter is like peeling a layer of an onion, intended to step by step, on a daily basis, unclutter your mind and sharpen your vision. This book is meant for those who are searching for or are at the edge of a new direction, a new beginning in their life but are unsure whether or not to take the plunge. This may also be helpful to those who have a deep-seated unfulfilled purpose in their life but are just unsure whether or not to do what they would be happy to do in their lives. Modern day youth often finds themselves at cross roads because they find a sea of difference in the value system that they have grown up in and the value system that contemporary society demands. The correct way would be to have a strong value system so that one is unmoved by the conflicting thought processes that one comes across on a daily basis. This book is intended to give that strength and robustness of thought process to those who are always in two

minds in choosing what's right for them and what is in front of them.
