Annual Report of the Board of Railroad Commissioners

Ditched
The Novella Collection has something for everyone...a paranormal ghost story, a high school reunion story told in a she said/he said format, and a Christmas story all about the spirit of giving. IF TOMBSTONES COULD TALK Had someone asked Melanie Sparks if she believed in ghosts, she'd have laughed before voicing

an emphatic "No." Then she takes a walking tour of the cemetery in her new hometown of Lindeman's Crossing, Colorado and meets one of the residents face to face. The story behind Andrew Lindeman's tragic death after the Pike's Peak Gold Rush in 1859 triggers dreams in which she relives his last moments. Drawn to the handsome ghost, attraction builds, and she resolves to clear his tarnished name. A passionate kiss sets his spirit free, but will Melanie lose her heart forever? DITCHED AGAIN Summer Clark: Yes, I'm excited for my ten year class

reunion-I flew all the way from Florida to Wisconsin so I could rub my success in Josh Nelson's face. I know it sounds vindictive, but the jerk ditched me at the Snowball dance, left me to find my own ride home, and never apologized. He's got it coming...if I can get a tow truck to come out in this freak May snowstorm and pull my rental car out of the ditch. Josh Nelson: No, I'm not looking forward to the reunion. Just hearing the name Summer Clark brings back memories of a night I buried long ago and never talked about again. Seeing her means skirting the truth while

trying to deliver a way-too-late apology. No, with this storm, I think I'll head home...as soon as I help this car sunk in the ditch. Clearly, there are two sides to every story. DRAGONFLY DREAMS Can a family connection to the ill-fated Titanic bring new hope to sinking dreams? With his antique shop on the brink of bankruptcy, Jake Coburn knows he shouldn't buy costume jewelry at a price that won't turn a profit. Then again, it's Christmas, and he hasn't been able to say no to Loral Evan's since the first time she entered his shop. Desperation is what drives Loral Evans to sell precious family heirlooms, but Jake's offer of one thousand dollars for a dragonfly brooch she knows is fake stings her pride. If only she could afford to walk away from the handsome antique dealer. During a season of giving, Loral learns there's a big difference between pride and dignity, and Jake's determination to do the right thing brings rewards beyond what either of them ever dreamed of. Romance Junkies: "IF TOMBSTONES COULD TALK is sweet, sensual and one of the most romantic stories I've ever read. The ending brought tears to my eyes, which doesn't happen

very often." Amanda Lady Jane 5Stars "I really liked the he said/she said format of [DITCHED AGAIN]. We get two points of view of the same incident. I'm a sucker for reunion stories anyway! This story is short and sweet like a Hershey's Kiss on the tongue." Got Romance Holiday Reviews 5 Stars "I sincerely adored this story. Dragonfly Dreams smacks of Gift of the Magi while remaining original, heartwarming, and honestly lovely. I would read it again and again." Becca Supreme Court Walker & Company Fourth report is accompanied by "Map and profiles of Iowa railroads, 1881". The Beauty Experiment Independently Published Ditch McGillicuddy is a rare individual. After facing a plethora of incredible challenges throughout his life, this guy can best be described as a survivor. No matter what has been thrown at him-a couple of bouts with insanity, multiple attempts on his life from reincarnations of Norse deities, marriage, kids-Ditch has always found a way to remain standing. Not only that, he has somehow managed to keep a sense of humor about the seemingly endless obstacles put before him. With the

help of his beautiful wife Sunny, Ditch and the band of godly vessels at his side have made great strides in not only helping the less fortunate around the world, but also taking down evildoers at every turn. Lately, though, Ditch has been on the sidelines. When the powers he'd wielded as Odin's Earthly vessel went away a year ago, he had to step down as team leader and now spends his days trudging through life as a mere mortal. If the quest to regain his powers isn't enough of a challenge, Ditch learns that an anonymous adversary has surfaced with evidence revealing the supernatural abilities that certain members of his group possess. His newest foe's threat to expose these abilities to the world could not only put an end to the group's good deeds, but to their very existence as well. If Ditch fails to thwart the plans of his elusive opponent, this mission could be his last.

Unpack Your Impact Kensington Cozies He's playing for the heart she's had sidelined for years.

----- IVY HAYES Dating can be a rocky journey. Once the new shine wears off, you may end up with a case of buyer's remorse.

That's where I come in. I set the backdrop and coach you through the breakup. Don't want overblown drama, hard feelings, or a drink tossed in your face? Then I'm your fairy godmother, child. BECKET JONES As an NFL quarterback, endorsement ads and the media pandering after me are all part of the game. Ivy Hayes is the first woman who doesn't care about my money and the notoriety that goes along with it. But I'm a long-term guy, and she operates strictly in the now. Which means I need to bring my A-game. Otherwise, I'll end up getting ditched.

Ditched Seal Press (CA)

An elderly aunt wants her wedding to be perfect—and not even murder will get in her way—in “a hoot” of a mystery featuring “scads of loony characters” (Kirkus Reviews). Moving to Arizona to work for a private investigator, Sophie “Phee” Kimball is much closer to her mother Harriet now. And while the antics at Harriet's retirement community can drive Phee a little crazy, at least they're together for Aunt Ina's upcoming wedding. The seventy-four-year-old bridezilla has roped Phee into organizing the tent and the pastries for the lavish affair. But it's

Harriet who really gets demanding when a celebrity chef is found dead on the golf course just outside her front door. Working for a private investigator, Phee is drawn into the case. And with Harriet in a panic about her safety, Phee is doubly committed to solving it. But between planning a wedding and unveiling a murderer, Phee wonders which job might kill her first.

Serial set (no.0-3099) Villard

There's a girl. Justina Griffith was never the girl who dreamed of going to prom. Designer dresses and strappy heels? Not her thing. That said, she never expected her best friend, Ian Clark, to ask her. And there's a boy. Ian, who always passed her the baseball bat, handle first. Ian, who knew exactly when she needed red licorice. Ian, who promised her the most amazing night at prom. Then there's a ditch. But when Justina is ditched, figuratively and literally, she must piece together--stain-by-stain--on her thrift store dress--exactly how she ended up

dateless...with only the help of some opinionated ladies at the 7-Eleven. To get the whole story, Justina will have to face the boy who ditched her. Can losing out at her prom ultimately lead to finding true love?

Sessional Papers - Legislature of the Province of Ontario Stacey Joy Netzel Contains the reports of state departments and officials for the preceding fiscal biennium.

I looked at my reflection and despaired. As an exhausted young mother I felt ugly and saw that a new dress or face cream would never help. I was at risk of passing on a habit of feeling miserable about my looks to my baby girl—if nothing changed. Soon afterward Phoebe Baker Hyde made a vow: to give up new clothes, makeup, haircuts, and jewelry in hopes of revealing something she had always paid lip service to but never quite believed in—her inner beauty. *The Beauty Experiment* chronicles Hyde's quest for self-acceptance in nothing but her own skin. In thoughtful, exquisite prose, Hyde holds up a mirror to all women and shows how perfectionism can keep us from achieving what we really

want: happiness, confidence, and serenity. **Shameless** RC Boldt Publishing, LLC

 "Democrat to Deplorable" takes a deep look at the nine million Democrats who proudly switched parties to vote for

President Donald Trump. These voters feel the cold edge of the culture war more than any other group and this book captures their experiences and the current zeitgeist. Based on a national survey, in-depth interviews, and a personal narrative, "Democrat To Deplorable" is the definitive book which explores and explains the current cultural climate leading to President Donald Trump, Trumpism, and the New Right.

Driven-Out, Ditched and Deserted

Bella Books Incorporated
 Ditched Dreams is a dazzling novel about workers in a mysterious mine where they must remain for two years without leaving. To escape that suffocating environment, the miners tell tales of frustrated love affairs, revenge, dreams, and witchcraft which are written down and retold by a worker nicknamed Foureyes. The novel is spiced with scatological and picaresque scenes, witchcraft spells and mythological beings, along with science-fiction inventions such as a Pleasurematic. Readers have recognized scenes alluding to classical literary works, biblical passages, adventure novels, old movie serials, and contemporary films. Ditched

Dreams is a cavalcade in which down-to-earth Brazilian humor provokes non-stop Rabelaisian laughter as the whip of social criticism. The narrative, essentially oral, includes samples of the vast linguistic mosaic found in Brazilian Portuguese, dexterously adapted into a literary dialect that evokes vernacular English from everywhere and nowhere in particular. *Democrat to Deplorable* Rodale Books
 A funny, sexy, and wildly entertaining look at the rewards of fully realized desire in the life of one ordinary woman. At 43 years old, Pamela Madsen was happily married to the man she fell in love with at 17. She was the mother of two sons and had a successful career as a nationally known advocate for fertility issues. But she felt a growing sexual restlessness and yearning that wouldn't let up. And though Pamela loved her husband and didn't want to have an affair, she knew deep down that she needed more, much more. In *Shameless*, she tells the story of how she found it—and not only kept her marriage intact but made it stronger than ever. In this fearless memoir, Pamela tells the story of her search for sexual, personal, and spiritual wholeness. She explores, in

riveting detail, what she experienced at the hands of sexual healers, men who brought her untold pleasure (and became her close friends in the process). But this is not just another sex book: Shameless is also an account of how Pamela's journey healed her issues with food and body image and most important, helped her weave the many roles that she played—daughter, friend, partner, mother—into one fully integrated person. It is a story about a woman falling in love with herself and a call to other women to do the same.

Ditched by Dr. Right CreateSpace
In witty slice-of-life vignettes and laugh-out-loud cultural riffs, Elizabeth Warner shares her divinely demented view of the world. Raised by a mild-mannered psychiatrist father and a slightly off-kilter mother, Warner opted out of the life that awaited the youth of WASP heaven (aka Philadelphia's Main Line)—that is, to be "typically weaned, whelped, and privately schooled, whereupon you move on to the roost-and-spawn phase." Yet no matter how far afield she ventures—to New York to become a master junk-mail marketer or to L.A. to do a little acting—Warner can't help but feel that sometimes she's getting nowhere fast on "some kind of Protestant monorail to doom." Whether she's spelling out the invisible word "help" on a guy's shoulder blades during unfulfilling sex, getting out of jury duty by smearing herself with soy sauce, or convincing her mother that the words "career girl" are not

her death knell, Warner proves that sometimes it doesn't matter where you go in life—just as long as you've got a killer punch line.

Ditched

Over 40, single again, you crave a hug, orgasmquake or personally imposed solitary confinement. Your peeps press for your dating debut and potential relationship anew. Warnings about intimidating posers and pervs heighten anxieties. Dating or not, exclusive data and input from 750 peers challenge your choice. Edgy, steamy and humorous stories of rude, crude, lewd and despicable behavior by aggressive, confused and/or naive daters ultimately lead to understanding new rules, reduced fears and calmed nerves.

Ditched

Lonnie Squires has few fond memories of her Aunt Kate, and nearly ten years after her death, the battleaxe is still yanking Lonnie's chain. This time, it's with the dangling promise of a sizeable inheritance after all these years—but there's a catch. It sounds so easy: pick up a valuable, near mint-condition classic Ford Fairlane racecar and drive around Lake Michigan

taking photos of herself--and the Fairlane--at appointed landmarks. A weekend of traveling for almost a half million dollars and a pretty cool car? The offer is tempting, but Lonnie can't abandon her parish on a moment's notice. Not when her nemesis has staged an all-out religious war designed to harass Lonnie out of her position as the lone Episcopal priest in Middelburg. Finding another dead body doesn't help matters in the least. In fact, it definitely seems like the end of the road for the inheritance--and only the beginning of an even wilder ride. Ditched joins

Toasted and Whacked in this Lambda Literary Award-winning mystery series from Josie Gordon .
