 The Wounded Warrior Handbook
 provides our wounded heroes and their
 families with quick, straightforward
 answers to the questions they suddenly
 face and guides them through the
 deluge of processes, procedures, and
 policies they must adhere to in order to
 receive the care they d...

The Wounded Warrior Handbook Multnomah

Life's gut-wrenching blows can leave the
 strongest of men bloodied, beaten, and
 broken. Here, Dr. Steve Stephens speaks
 man-to-man and blazes the trail to
 complete recovery.

The Wounded Warrior Military Life
 The typical wounded soldier must
 complete and file twenty-two forms after
 an active-duty injury. To soldiers and
 their families coping with the shock and
 reality of the injuries, figuring out what
 to do next—even completing tasks that
 seem easy like submitting
 paperwork—can be overwhelming and
 confusing. The second edition of this
 popular resource guide has been

thoroughly revised to reflect new
 policies, additional benefits, updated
 procedures, and changes to insurance,
 including traumatic injury insurance and
 social security disability insurance. New
 chapters cover veterans' benefits in
 depth—which have seen significant
 changes in the last two years—and
 returning to active duty after an injury.
 As in the previous edition, this guide
 directs you to answers and resources for
 the most pressing and difficult questions
 that wounded veterans face, such as:
 Where can I find information on
 symptoms and treatments of injuries?
 How do I get through all this paperwork?
 Where can I get legal assistance? What
 can I do for employment? How do I get
 back into everyday life? How can I return
 to active duty? How do I deal with
 insurance? What benefits are available
 to me, and how do I claim them? What
 about my family? How can they help
 me? This trusted resource is both
 comprehensive and easy to use, and
 now the most up-to-date guide for
 wounded veterans and their families
 dealing with active-duty injuries.

Wounded Warrior Regiment Handbook

The Wounded Warrior Handbook
 provides our wounded heroes and their

families with quick, straightforward answers to the questions they suddenly face and guides them through the deluge of processes, procedures, and policies they must adhere to in order to receive the care they deserve and need. Comprehensive and easy to use, the

Handbook compiles information regarding medical treatment, rehabilitation, counseling, support, and transition.
