A Bibliography of Mississippi ABC- CLIO

How did the acquisition of overseas colonies affect the development of the American state? How did the constitutional system shape the expansion and governance of American empire? American Imperialism and the State offers a new perspective on these questions by recasting American

imperial governance as an episode of state building. Colin D. Moore argues that the empire was decisively shaped by the efforts of colonial state officials to achieve greater autonomy in the face of congressional obstruction, public indifference and limitations on administrative capacity. Drawing on extensive archival research, the book focuses principally upon four cases of imperial governance - Hawai'i, the Philippines, the Dominican Republic and Haiti - to highlight the essential tension between American mass democracy and

imperial expansion.

A People's History of the United States

Da Capo Press, Incorporated
 A comprehensive overview of the wars that saw the United States emerge as a world power; one that had immense implications for America, especially in Latin America and Asia. • Over 600 alphabetically organized entries in two volumes, covering leading individuals, battles, weapons systems, and events in the United States, Spain, and other nations, as well as economic, cultural, and social topics • Written by expert contributors, with distinguished scholars of American military history and of the era in which the Spanish-American War took place • Over 150 primary-source documents in a separate volume giving readers firsthand access to the way the

Spanish-American War unfolded and was experienced • 350 photographs and illustrations, as well as 16 maps, providing a rich array of images to help readers visualize the war's key events and lasting impact • An exceptionally extensive bibliography guiding readers to significant additional resources in print

True Version of the Philippine Revolution

Farrar, Straus and Giroux

Guide for social studies teachers in using primary sources, particularly those available from the National Archives, to teach history.

"Benevolent Assimilation" UP Press

Please note this is a 'Palgrave to Order' title (PTO). Stock of this book requires shipment from an overseas supplier. It will be delivered to you within 12 weeks.

This book offers the first history of the Filipinos in the United States, focusing on the significance of the Moro people's struggle for self-determination.

Congressional Record Yale University Press

Named one of the ten best books of the year by the Chicago Tribune A Publishers Weekly best book of 2019 | A 2019 NPR Staff Pick A pathbreaking history of the United States' overseas possessions and the true meaning of its empire We are familiar with maps that outline all fifty states. And we are also familiar with the idea that the United States is an "empire," exercising power around the world. But what about the actual territories—the islands, atolls, and archipelagos—this country has governed and inhabited? In How to Hide an

Empire, Daniel Immerwahr tells the fascinating story of the United States outside the United States. In crackling, fast-paced prose, he reveals forgotten episodes that cast American history in a new light. We travel to the Guano Islands, where prospectors collected one of the nineteenth century's most valuable commodities, and the Philippines, site of the most destructive event on U.S. soil. In Puerto Rico, Immerwahr shows how U.S. doctors conducted grisly experiments they would never have conducted on the mainland and charts the emergence of independence fighters who would shoot up the U.S. Congress. In the years after World War II, Immerwahr notes, the United States moved away from colonialism. Instead, it put innovations in

electronics, transportation, and culture to use, devising a new sort of influence that did not require the control of colonies. Rich with absorbing vignettes, full of surprises, and driven by an original conception of what empire and globalization mean today, *How to Hide an Empire* is a major and compulsively readable work of history.

A History of the Philippines Nomos Verlag

This comparative study of piracy and maritime violence provides a fresh understanding of European overseas expansion and colonisation in Asia. This title is also available as Open Access on Cambridge Core.

Our Country National Archives Trust Fund Board

books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

American Imperialism and the State, 1893-1921 Harper Collins

This book makes a postcolonial reading of the American invasion and colonization of the Philippines in 1898. It considers how nineteenth-century American popular culture, specifically political cartoons and caricatures, influenced American foreign policy. These sources, drawn from several U.S. libraries and archives, show how race and gender ideologies significantly influenced the move of the U.S. to annex

the Philippines. The book not only includes a significant collection of political cartoons and caricatures about Filipinos, it also offers an alternative interpretation of the reasons why the U.S. ventured into colonial expansion in Asia.

The Annexation of Mexico John Wiley & Sons

First published in the year 1905, the present book 'A History of the Philippines' by David P. Barrows was written on the Philippinean government's recommendation with an aim to provide the history of their country to the students in schools.

The Influence of Sea Power Upon History, 1660-1783 University of Hawaii Press
History of the Spanish-American War largely based on the daily records of

Theodore Roosevelt, who trained and led the Rough Riders during the war.

Middle school level.

Conditions in the Philippines ... Oxford University Press

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States

(1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Chinese and Chinese Mestizos of Manila Cambridge University Press

Moderne Diplomatie wirkt heute in viele Bereiche des modernen Lebens hinein. Sie ist zugleich selbst neuen Einflüssen ausgesetzt. Faktoren, die unsere Gesellschaften verändern, verändern auch unser Regierungshandeln, auch in der Außenpolitik, seien es Digitalisierung, emotionalisierte Sensibilitäten unserer Öffentlichkeiten oder nicht-staatliche internationale Akteure. Derartige Entwicklungen müssen von der Diplomatie aufgenommen werden, damit sie weiter als Instrument einer Regierung funktionieren kann. Regierungen sollten

Wege finden, zwischen den neuen Bedürfnissen der Gesellschaft und den Notwendigkeiten legitimen Regierungshandelns zu vermitteln. Das Ziel sollte sein, als souveräner Staat handeln zu können und zugleich das Potential der tiefgreifenden gesellschaftlichen Veränderungen zu nutzen. Mit Beiträgen von Volker Stanzel, Sascha Lohmann, Andrew Cooper, Christer Jönsson, Corneliu Bjola, Emillie V. de Keulenaar, Jan Melissen, Karsten D. Voigt, Kim B. Olsen, Hanns W. Maull und R. S. Zaharna

The Literary Digest Cambridge University Press

This book studies the activities undertaken by the ASEAN states and reflects the inspiration and support of many individuals. The ASEAN

phenomenon is about the successful consultative process, the accommodation, that these states used in managing tensions and dealing with external environments.

The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security. Founded by Manhattan Project Scientists, the Bulletin's iconic "Doomsday Clock" stimulates solutions for a safer world.

Bulletin of the Atomic Scientists
Routledge

Liliuokalani is a play about the overthrow of the Hawaiian monarchy and the annexation of the Islands by the United States. Playwright Aldyth Morris became intrigued with the story in 1929, when

she came to make her home in the Islands Hawaii had been an American territory for only thirty-one years and its last monarch had been dead for only twelve. But loving memories of Queen Liliuokalani, amounting almost to reverence, were very much alive. Now, after more than sixty years of living in Hawaii, Mrs. Morris has captured the story in dramatic form. Following early years of asking questions and listening to the answers, and of reading books, articles, and diaries, Mrs. Morris saw

clearly the story that must be told. She shares it with us, with sensitivity and respect for the characters involved.

Political Science Quarterly Prabhat Prakashan

A century after the Cuban war for independence was fought, Louis Pérez examines the meaning of the war of 1898 as represented in one hundred years of American historical writing. Offering both a critique of the conventional historiography and an alternate
