Research on Pentecostal and Charismatic Christianity has increased dramatically in recent decades, and a diverse array of disciplines have begun to address a range of elements of these movements. Yet, there exists very little understanding of Pentecostal theology, and it is not uncommon to encounter stereotypes and misperceptions. Addressing this gap in current research, *The Routledge Handbook of Pentecostal Theology* is an exceptional reference source to the key topics, challenges, and debates in this growing field of study and is the first collection of its kind to offer a comprehensive presentation and critical discussion of this subject. Comprising over forty chapters written by a team of international contributors, the Handbook is divided into five parts: Contextualizing Pentecostal Theology Sources Theological Method Doctrines and Practices Conversations and Challenges. These sections take the reader through a comprehensive introduction to what Pentecostals believe and how they practice their faith. Looking at issues such as the core teachings of Pentecostalism concerning Spirit baptism, divine healing, or eschatology; unique practices, such as spiritual warfare and worship; and less discussed issues, such as social justice and gender, each chapter builds towards a nuanced and global picture of the theology of the Pentecostal movement.

The Routledge Handbook of Pentecostal Theology is essential reading for students and researchers in Pentecostal Studies, World Christianity, and Theology as well as scholars working in contemporary Religious Studies.

The Forgotten War Against Chinese Americans

Penguin
This brief text covers the political, social, and cultural history of the United States from 1789-1829. While many books approach the period of the Early Republic from two distinct standpoints--either from a social and cultural perspective or from a political point of view--this book synthesizes all aspects of U.S. history during this era. *The Early American Republic 1789-1829* centers on two main themes: the politics and the process of nation-making, from the origins of government under the Constitution through the inauguration of Andrew Jackson, and the beginnings of American market society. Discussing the politics of American nationhood, democracy, and capitalism, it also examines such topics as family life, religion, the construction and reconstruction of gender systems, the rise of popular print and other forms of communication, and evolving attitudes toward slavery and race.

Univ of California Press
An international and historical look at how parenting choices change in the face of economic inequality *Love, Money, and Parenting* investigates how economic forces shape how parents raise their children. In countries with increasing economic inequality, parents push harder to ensure their children

have a path to security and success. In the United States, this force has transformed the hands-off parenting of the 60s and 70s into a frantic, overscheduled activity. Growing inequality has also resulted in an increasing "parenting gap" between richer and poorer families, raising the disturbing prospect of diminished social mobility. Drawing from the experiences of countries of high and low economic inequality, Matthias Doepke and Fabrizio Zilibotti discuss how changes to public policy can contribute to the ideal of equal opportunity for all.

Love, Money, and Parenting Orion Children's Books

A spiritual journey, a lush travelogue, a parable of sports and philosophy—John Updike called this unique novel “a golf classic if any exists in our day.” When an American traveler on his way to India stops to play a round on one of the most beautiful and legendary golf courses in Scotland, he doesn’t know that his game—and his life—are about to change forever. He is introduced to Shivas Irons, a mysterious golf pro whose sublime insights stick with him long after the eighteenth hole. From the first swing of the Scotsman’s club, he realizes he is in for a most extraordinary day. By turns comic, existential, and semiautobiographical, Michael Murphy’s tale traces the arc of twenty-four hours, from a round of golf on the Links of Burningbush to a night fueled by whiskey, wisdom, and wandering—even a sighting of Seamus MacDuff, the holy man who haunts the hole they call Lucifer’s Rug. “Murphy’s book is going to alter many visions,” The New York Times Book Review declared. More than an unforgettable approach to one of the world’s most popular sports, *Golf in the Kingdom* is a meditation on the power of

a game to transform the self.

A Shopkeeper's Millennium Penguin

A gripping and deeply revealing history of an infamous slave rebellion that nearly toppled New Orleans and changed the course of American history. In January 1811, five hundred slaves, dressed in military uniforms and armed with guns, cane knives, and axes, rose up from the plantations around New Orleans and set out to conquer the city. Ethnically diverse, politically astute, and highly organized, this self-made army challenged not only the economic system of plantation agriculture but also American expansion. Their march represented the largest act of armed resistance against slavery in the history of the United States. *American Uprising* is the riveting and long-neglected story of this elaborate plot, the rebel army's dramatic march on the city, and its shocking conclusion. No North American slave uprising—not Gabriel Prosser's, not Denmark Vesey's, not Nat Turner's—has rivaled the scale of this rebellion either in terms of the number of the slaves involved or the number who were killed. More than one hundred slaves were slaughtered by federal troops and French planters, who then sought to write the event out of history and prevent the spread of the slaves' revolutionary philosophy. With the Haitian revolution a recent memory and the War of 1812 looming on the horizon, the revolt had epic consequences for America. Through groundbreaking original research, Daniel Rasmussen offers a window into the young, expansionist country, illuminating the early history of New Orleans and providing new insight into the path to the Civil War and the slave revolutionaries who fought and died for justice and the hope of freedom.

The Washingtons' Relentless Pursuit of Their Runaway Slave, Ona Judge OUP USA

In 1770 there were fewer than 1,000 Methodists in America. Fifty years later, the church counted more than 250,000 adherents. Identifying Methodism as America's most significant large-scale popular religious movement of the antebellum period, John H. Wigger reveals what made Methodism so attractive to post-revolutionary America. *Taking Heaven by Storm* shows how Methodism fed into popular religious enthusiasm as well as the social and economic ambitions of the "middling people on the make"--skilled artisans, shopkeepers, small planters, petty merchants--who constituted its core. Wigger describes how the movement expanded its reach and fostered communal intimacy and "intemperate zeal" by means of an efficient system of itinerant and local preachers, class meetings, love feasts, quarterly meetings, and camp meetings. He also examines the important role of African Americans and women in early American Methodism and explains how the movement's willingness to accept impressions, dreams, and visions as evidence of the work and call of God circumvented conventional assumptions about education, social standing, gender, and race. A pivotal text on the role of religion in American life, *Taking Heaven by Storm* shows how the enthusiastic, egalitarian, entrepreneurial, lay-oriented spirit of early American Methodism continues to shape popular religion today.

Summer for the Gods Cambridge University Press

A startling and eye-opening look into America's First Family, *Never Caught* is the powerful story about a daring

woman of "extraordinary grit" (The Philadelphia Inquirer). When George Washington was elected president, he reluctantly left behind his beloved Mount Vernon to serve in Philadelphia, the temporary seat of the nation's capital. In setting up his household he brought along nine slaves, including Ona Judge. As the President grew accustomed to Northern ways, there was one change he couldn't abide: Pennsylvania law required enslaved people be set free after six months of residency in the state. Rather than comply, Washington decided to circumvent the law. Every six months he sent the slaves back down south just as the clock was about to expire. Though Ona Judge lived a life of relative comfort, she was denied freedom. So, when the opportunity presented itself one clear and pleasant spring day in Philadelphia, Judge left everything she knew to escape to New England. Yet freedom would not come without its costs. At just twenty-two-years-old, Ona became the subject of an intense manhunt led by George Washington, who used his political and personal contacts to recapture his property. "A crisp and compulsively readable feat of research and storytelling" (USA TODAY), historian and National Book Award finalist Erica Armstrong Dunbar weaves a powerful tale and offers fascinating new scholarship on how one young woman risked everything to gain freedom from the famous founding father and most powerful man in the United States at the time.

Kingdom of Dreams Oxford University Press, USA

A failed 1825 effort to establish a Jewish state on an island near Buffalo, New York, forms the starting point for a graphic novel, set on the streets of

1830s New York, that follows a diverse group of colorful characters struggling to establish new lives for themselves in the New World. Reprint. 15,000 first printing.

Crooked Kingdom Harper Collins
 Recounts the true story of Matthias Corvinus, the "Raven King," who sought to build the greatest library in Christendom in the fifteenth century, only to have it plundered by the Ottoman Empire after his death, and examines how Hungary's royal family has tried to restore the contents of the library.

Daniel Hill and Wang

The hotly-anticipated sequel to SIX OF CROWS, this is GAME OF THRONES meets OCEAN'S ELEVEN in a fantasy epic from the number 1 NEW YORK TIMES bestselling author Leigh Bardugo.

Welcome to the world of the Grisha. Kaz Brekker and his crew of deadly outcasts have just pulled off a heist so daring even they didn't think they'd survive. But instead of divvying up a fat reward, they're right back to fighting for their lives. Double-crossed and badly weakened, the crew is low on resources, allies, and hope. As powerful forces from around the world descend on Ketterdam to root out the secrets of the dangerous drug known as jurda parem, old rivals and new enemies emerge to challenge Kaz's cunning and test the team's fragile loyalties. A war will be waged on the city's dark and twisting streets - a battle for revenge and redemption that will decide the fate of the Grisha world. As gripping, sweeping and memorable as the Grisha trilogy - SHADOW AND BONE, SIEGE AND STORM and RUIN AND RISING - this novel is perfect for fans of Sarah J. Maas, Laini Taylor, Kristin Cashore and GAME OF THRONES. Winner of the Teen Choice Book Award for Book of the Year.

 Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

My Secret Life & Tangled Allegiances as a KGB Spy in America Routledge
 Although Sojourner Truth was born into bondage and oppression, in liberation she emerged as a leader in the most radical causes of her era. She travelled the country as an outspoken and riveting presence, battling for the abolition of slavery and for women's suffrage. While her role in these movements has been well-documented, biographers have frequently overlooked the influence of religion in Truth's life. A participant in a number of the most significant religious movements of her day, including the Methodist Perfectionists, the Kingdom of Matthias, the Utopians, and the Spiritualists, Truth drew her notions of justice from religion. *Sojourner Truth: Prophet of Social Justice* provides a concise biography of this important figure, integrating her religious life in ways that shed light on Truth's work and the religious movements of her day. Accompanied by primary source documents including political records, speech transcripts, and selections from her autobiography, Richman's biography provides a rich and accessible narrative of Truth's life and legacy.

Driven Out Vintage

In this book, the strange tale of Matthias the Prophet provides a fascinating window into the turbulent movements of the religious revival known as the Second Great Awakening--movements

which swept up great numbers of evangelical Americans and gave rise to new sects like the Mormons. Shedding new light on the communal religious cultism that has continued to shock and perplex Americans today, the authors elucidate the many enduring connections between the American religious experience and rapid economic change, sex and gender, race relations, and literature (high and low).

The Kingdom of Matthias : A Story of Sex and Salvation in 19th-Century America ARC Humanities Press

Chronicles the life of the founder of the Mormon Church from his birth in 1805, through the visions he started receiving at age fourteen, to his assassination in 1844.

A Story of Sex and Salvation in 19th-Century America Open Road Media
WINNER OF THE PULITZER PRIZE

Drawing on the diaries of one woman in eighteenth-century Maine, this intimate history illuminates the medical practices, household economies, religious rivalries, and sexual mores of the New England frontier. Between 1785 and 1812 a midwife and healer named Martha Ballard kept a diary that recorded her arduous work (in 27 years she attended 816 births) as well as her domestic life in Hallowell, Maine. On the basis of that diary, Laurel Thatcher Ulrich gives us an intimate and densely imagined portrait, not only of the industrious and reticent Martha Ballard but of her society. At once lively and impeccably scholarly, *A Midwife's Tale* is a triumph of history on a human scale.

A Sequel to Six of Crows Baker Academic
In the autumn of 1834, New York City was awash with rumors of a strange religious cult operating nearby, centered around a mysterious, self-styled prophet

named Matthias. It was said that Matthias the Prophet was stealing money from one of his followers; then came reports of lascivious sexual relations, based on odd teachings of matched spirits, apostolic priesthoods, and the inferiority of women. At its climax, the rumors transformed into legal charges, as the Prophet was arrested for the murder of a once highly-regarded Christian gentleman who had fallen under his sway. By the time the story played out, it became one of the nation's first penny-press sensations, casting a peculiar but revealing light on the sexual and spiritual tensions of the day. In *The Kingdom of Matthias*, the distinguished historians Paul Johnson and Sean Wilentz brilliantly recapture this forgotten story, imbuing their richly researched account with the dramatic force of a novel. In this book, the strange tale of Matthias the Prophet provides a fascinating window into the turbulent movements of the religious revival--movements which swept up great numbers of evangelical Americans and gave rise to new sects like the Mormons. Into this teeming environment walked a down-and-out carpenter named Robert Matthews, who announced himself as Matthias, prophet of the God of the Jews. His hypnotic spell drew in a cast of unforgettable characters--the meekly devout businessman Elijah Pierson, who once tried to raise his late wife from the dead; the young attractive Christian couple, Benjamin Folger and his wife Ann (who seduced the woman-hating Prophet); and the shrewd ex-slave Isabella Van Wagenen, regarded by some as "the most wicked of the wicked." None was more colorful than the Prophet himself, a bearded, thundering tyrant who gathered his

followers into an absolutist household, using their money to buy an elaborate, eccentric wardrobe, and reordering their marital relations. By the time the tensions within the kingdom exploded into a clash with the law, Matthias had become a national scandal. In the hands of Johnson and Wilentz, the strange tale of the Prophet and his kingdom comes vividly to life, recalling scenes from recent experiences at Jonestown and Waco. They also reveal much about a formative period in American history, showing the connections among rapid economic change, sex and race relations, politics, popular culture, and the rich varieties of American religious experience.

"the Greatest German Living" Pantheon
The Grishaverse will be coming to Netflix soon with *Shadow and Bone*, an original series Enter the Grishaverse with the #1 New York Times bestselling *Six of Crows*. *Ketterdam*: a bustling hub of international trade where anything can be had for the right price--and no one knows that better than criminal prodigy Kaz Brekker. Kaz is offered a chance at a deadly heist that could make him rich beyond his wildest dreams. But he can't pull it off alone. . . . A convict with a thirst for revenge. A sharpshooter who can't walk away from a wager. A runaway with a privileged past. A spy known as the Wraith. A Heartrender using her magic to survive the slums. A thief with a gift for unlikely escapes. Six dangerous outcasts. One impossible heist. Kaz's crew is the only thing that might stand between the world and destruction--if they don't kill each other first. *Six of Crows* by Leigh Bardugo returns to the breathtaking world of the Grishaverse in this unforgettable tale about the opportunity--and the adventure--of a lifetime. "Six of Crows is

a twisty and elegantly crafted masterpiece that thrilled me from the beginning to end." -New York Times bestselling author Holly Black "*Six of Crows* is] one of those all-too-rare, unputdownable books that keeps your eyes glued to the page and your brain scrambling to figure out what's going to happen next." -Michael Dante DiMartino, co-creator of *Avatar: The Last Airbender* and *The Legend of Korra* "There's conflict between morality and amorality and an appetite for sometimes grimace-inducing violence that recalls the *Game of Thrones* series. But for every bloody exchange there are pages of crackling dialogue and sumptuous description. Bardugo dives deep into this world, with full color and sound. If you're not careful, it'll steal all your time." --The New York Times Book Review Praise for the Grishaverse "A master of fantasy." --The Huffington Post "Utterly, extremely bewitching." --The Guardian "The best magic universe since Harry Potter." --Bustle "This is what fantasy is for." --The New York Times Book Review "A] world that feels real enough to have its own passport stamp." --NPR "The darker it gets for the good guys, the better." --Entertainment Weekly "Sultry, sweeping and picturesque. . . . Impossible to put down." --USA Today "There's a level of emotional and historical sophistication within Bardugo's original epic fantasy that sets it apart." --Vanity Fair "Unlike anything I've ever read." --Veronica Roth, bestselling author of *Divergent* "Bardugo crafts a first-rate adventure, a poignant romance, and an intriguing mystery " --Rick Riordan, bestselling author of the *Percy Jackson* series "This is a great choice for teenage fans of George R.R. Martin and J.R.R. Tolkien." --RT Book Reviews Read all the books in the Grishaverse *The Shadow and Bone*

Matthias Corvinus and the Fate of His Lost Library Stanford University Press

This sweeping and groundbreaking work presents the shocking and violent history of ethnic cleansing against Chinese Americans from the Gold Rush era to the turn of the century.

[A Midwife's Tale](#) Tyndale House Publishers, Inc.

A quarter-century after its first publication, *A Shopkeeper's Millennium* remains a landmark work--brilliant both as a new interpretation of the intimate connections among politics, economy, and religion during the Second Great

Awakening, and as a surprising portrait of a rapidly growing frontier city. The religious revival that transformed America in the 1820s, making it the most militantly Protestant nation on earth and spawning reform movements dedicated to temperance and to the abolition of slavery, had an especially powerful effect in Rochester, New York. Paul E. Johnson explores the reasons for the revival's spectacular success there, suggesting important links between its moral accounting and the city's new industrial world. In a new preface, he reassesses his evidence and his conclusions in this major work.

A Tale of Truth Routledge

An ex-Soviet KGB agent details his primary mission to work undercover in the United States for over a decade and discusses his change of allegiance and defection from the KGB. --Publisher's description.
