HARDY RICH

The Monkey and the Monk University of Chicago Press

"A can't-put-it-down modern Western." —Kirk Siegler, NPR Longlisted for the PEN/ESPN Award for Literary Sports Writing The Last Cowboys is Pulitzer Prize-winning reporter John Branch's epic tale of one American family struggling to hold on to the fading vestiges of the Old West. For generations, the Wrights of southern Utah have raised cattle and world-champion saddle-bronc riders—many call them the most successful rodeo family in history. Now they find themselves fighting to save their land and livelihood as the West is transformed by urbanization, battered by drought, and rearranged by public-land disputes. Could rodeo, of all things, be the answer? Written with great lyricism and filled with vivid scenes of heartache and broken bones, The Last Cowboys is a powerful testament to the grit and integrity that fuel the American Dream.

Small World Head of Zeus

This is the script of the original musical from which the film was adapted, not the film's screenplay.

The Rise of the Monkey King: A Story in Traditional Chinese and Pinyin, 600 Word Vocabulary Level United Methodist Publishing House

A NEW YORK TIMES NOTABLE BOOK OF THE YEAR A WASHINGTON POST NOTABLE BOOK OF THE YEAR ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR ONE OF NPR'S BEST BOOKS OF 2020 LONGLISTED FOR THE 2020 BOOKER PRIZE FINALIST FOR THE 2020 CENTER FOR FICTION FIRST

NOVEL PRIZE WINNER OF THE ROSENTHAL FAMILY FOUNDATION AWARD, FROM THE AMERICAN ACADEMY OF ARTS AND LETTERS A NATIONAL BOOK FOUNDATION "5 UNDER 35" HONOREE NATIONAL BESTSELLER "Belongs on a shelf all of its own." —NPR "Outstanding." —The Washington Post "Revolutionary . . . A visionary addition to American literature." —Star Tribune An electric debut novel set against the twilight of the American gold rush, two siblings are on the run in an unforgiving landscape—trying not just to survive but to find a home. Ba dies in the night; Ma is already gone. Newly orphaned children of immigrants, Lucy and Sam are suddenly alone in a land that refutes their existence. Fleeing the threats of their western mining town, they set off to bury their father in the only way that will set them free from their past. Along the way, they encounter giant buffalo bones, tiger paw prints, and the specters of a ravaged landscape as well as family secrets, sibling rivalry, and glimpses of a different kind of future. Both epic and intimate, blending Chinese symbolism and reimagined history with fiercely original language and storytelling, How Much of These Hills Is Gold is a haunting adventure story, an unforgettable sibling story, and the announcement of a stunning new voice in literature. On a broad level, it explores race in an expanding country and the question of where immigrants are allowed to belong. But page by page, it's about the memories that bind and divide families, and the yearning for home.

The Sun is Rising in the West Grand Central Publishing

This exciting new translation with footnotes is more readable than past versions and will appeal to modern readers. The Three Kingdoms is an epic Chinese novel written over six centuries ago. It recounts in vivid historical detail the turbulent years at the close of the Han Dynasty when China broke into three competing kingdoms and over half the population were either killed or driven from their homes. Part myth, part fact, readers will

experience the loyalty and treachery, the brotherhood and rivalry of China's legendary heroes and villains during the most tumultuous period in Chinese history. Considered the most significant work in classic Chinese literature, *The Three Kingdoms* is read by millions throughout Asia today. Seen not just as a great work of art, many Chinese view it as a guide to success in life and business as well as a work that offers moral clarity—while many foreigners read it to gain insights into Chinese society and culture. From the saga of *The Three Kingdoms*, readers will learn how great warriors motivate their troops and enhance their influence while disguising their weaknesses and turning the strengths of others against them. This first volume in a trilogy introduces Liu Bei and his sworn brothers-in-arms Zhang Fei and Guan Yu, whose allegiance is sorely tested in a society that is in flux where each group is fighting for its survival against the other.

In this book, the eminent psychoanalyst Leonard Shengold looks at why some people are resistant to change, even when it seems to promise a change for the better. Drawing on a lifetime of clinical experience as well as wide readings of world literature, Shengold shows how early childhood relationships with parents can lead to a powerful conviction that change means loss. Dr. Shengold, who is well known for his work on the lasting affects of childhood trauma and child abuse in such seminal books as *Soul Murder* and *Soul Murder Revisited*, continues his exploration into the consequences of early psychological injury and loss. In the examples of his patients and in the lives and work of such figures as Edna St. Vincent Millay, William Wordsworth, and Henrik Ibsen, Shengold looks at the different ways in which unconscious impressions connected with early experiences and fantasies about parents are integrated into individual lives. He shows the difficulties he encounters with his patients in raising these memories to the conscious level where they can be known and owned; and he also shows, in his survey of literary figures, how these memories can become part of the creative process. *Haunted by Parents* offers a deeply humane reflection on the values and limitations of therapy, on memory and the lingering effects of the past, and on the possibility of recognizing the promise of the future.

LIFE-AFFIRMING STORY OF A DISABLED TEENAGER AND HIS CLUELESS CARER, NOW A NETFLIX DRAMA STARRING PAUL RUDD AND SELENA GOMEZ.

The first rule of caring is Don't Get Emotionally Involved. So clueless carer Ben probably shouldn't have agreed to drive stropky, wheelchair-bound teenager Trevor 400 miles across America to reunite with his deadbeat dad. Especially when Trevor's mother has absolutely forbidden it. Especially when a road trip like this could go so disastrously, gloriously wrong... Funny, life-affirming and beautifully bittersweet, this is the story of an unlikely friendship and the journey of a lifetime. 'Little Miss Sunshine meets Rain Man. Big-hearted and funny and full of hope' Boston Globe.

A Novel John Wiley & Sons

In this #1 New York Times bestseller, Nora Roberts takes readers deep into the rugged hills of South Dakota, where the shadows keep secrets, hunters stalk the land, and a friendship matures into something more.... Cooper Sullivan spent the summers of his youth on his grandparents' South Dakota ranch, sharing innocent games and stolen kisses with the neighbor girl, Lil Chance. Now, twelve years after they last walked together hand in hand, fate has brought them back to the Black Hills. Though the memory of Coop's touch still haunts her, Lil has let nothing stop her dream of opening the Chance Wildlife Refuge, but something—or someone—has been keeping a close watch. When small pranks and acts of destruction escalate into a heartless attack on Lil's beloved cougar, memories of an unsolved murder have Coop springing to action to keep Lil safe. Both of them know the natural dangers that lurk in the wild landscape of the Black Hills. But a killer of twisted and unnatural instincts has singled them out as prey....

Inglorious Revolution Imagin8 LLC

Nineteenth-century Brazil's constitutional monarchy credibly committed to repay sovereign debt, borrowing repeatedly in international and domestic capital markets without default. Yet it failed to lay the institutional foundations that private financial markets needed to thrive. This study shows why sovereign creditworthiness did not necessarily translate into financial development. "Using a vast array of archival evidence, Summerhill convincingly shows that political commitment to a secure public debt was neither necessary nor sufficient to insure financial development in nineteenth-century Brazil. A must-read for economic and financial historians and for anyone interested in the politics of financial development." —Jean-Laurent Rosenthal, California Institute of Technology

Interior Design of the 20th Century Courier Dover Publications

"The result of this process, for modern Western society, is a subtle metamorphosis of the notion of the devil, from fear of Satan into an internal evil, 'the demon within', characterized by a distrust of oneself and one's desires. It is this conception of the diabolical that is visible today in our interest in the supernatural, exorcism and, for example, in the role of the 'devilish good' in advertising."--BOOK JACKET.

The Journey to the West, Revised Edition Basic Books

Anthony C. Yu's celebrated translation of *The Journey to the West* reinvigorated one of Chinese literature's most beloved classics for English-speaking audiences when it first appeared thirty years ago. Yu's abridgment of his four-volume translation, *The Monkey and the Monk*, finally distills the epic novel's most exciting and meaningful episodes without taking anything away from their true spirit. These fantastic episodes recount the adventures of Xuanzang, a seventh-century monk who became one of China's most illustrious religious heroes after traveling for sixteen years in search of Buddhist scriptures. Powerfully combining religious allegory with humor, fantasy, and satire, accounts of Xuanzang's journey were passed down for a millennium before culminating in the sixteenth century with *The Journey to the West*. Now, readers of *The Monkey and the Monk* can experience the full force of his lengthy quest as he travels to India with four animal disciples, most significant among them a guardian-monkey known as "the Great Sage, Equal to Heaven." Moreover, in its newly streamlined form, this acclaimed translation of a seminal work of world literature is sure to attract an

entirely new following of students and fans. "A new translation of a major literary text which totally supersedes the best existing version. . . . It establishes beyond contention the position of *The Journey to the West* in world literature, while at the same time throwing open wide the doors to interpretive study on the part of the English audience."—Modern Language Notes, on the unabridged translation

Political Institutions, Sovereign Debt, and Financial Underdevelopment in Imperial Brazil Yale University Press

Examines the nature of happiness, discussing how it has been treated in philosophy and religion and by the modern disciplines of psychology, economics, and neuroscience, and considers the place of individual happiness within the context of modern life.

A New York Times Editor's Choice! One of the LA Times's 10 Books to Add to Your Reading List One of Book Culture's Most Anticipated Reads "A bighearted, widescreen American tale."—Kirkus Reviews (starred) "Masterpiece...the quintessential Great American Novel."—Booklist (starred) "A vivid mosaic."—BookPage (starred) Jonathan Evison's *Small World* is an epic novel for now. Set against such iconic backdrops as the California gold rush, the development of the transcontinental railroad, and a speeding train of modern-day strangers forced together by fate, it is a grand entertainment that asks big questions. The characters of *Small World* connect in the most intriguing and meaningful ways, winning, breaking, and winning our hearts again. In exploring the passengers' lives and those of their ancestors more than a century before, *Small World* chronicles 170 years of American nation-building from numerous points of view across place and time. And it does it with a fullhearted, full-throttle pace that asks on the most human, intimate scale whether it is truly possible to meet, and survive, the choices posed—and forced—by the age. The result is a historical epic with a Dickensian flair, a grand entertainment that asks whether our nation has made good on its promises. It dazzles as its characters come to connect with one another through time. And it hits home as it probes at our country's injustices, big and small, straight through to its deeply satisfying final words.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

The Journey to the West, Revised Edition University of Chicago Press

Journey to the West, Volume 1 Penguin

A classic of Chinese literature, this beloved folktale is part adventure story, part spiritual allegory—now reimagined by a National Book Award nominee Part spiritual pilgrimage, part historical epic, the folk novel *Journey to the West*, which came to be known as *Monkey*, is the most popular classic of Asian literature. Originally written in the sixteenth century, it is the story of the adventures of the rogue-trickster Monkey and his encounters with a bizarre cast of characters as he travels to India with the Buddhist pilgrim Tripitaka in search of sacred scriptures. Much more than a picaresque adventure novel, *Monkey* is a profound allegory of the struggle that must occur before spiritual transformation is possible. David Kherdian's masterful telling brings this classic of Chinese literature to life in a way that is true to the scope and depth of the original.

Tibetan Book of the Dead University of Michigan Press

FINALIST FOR THE BOOKER PRIZE & WINNER OF THE L.A. TIMES BOOK PRIZE FOR FICTION and THE ASPEN WORDS LITERARY PRIZE "It was as if Hamid knew what was going to happen to America and the world, and gave us a road map to our future... At once terrifying and ... oddly hopeful." —Ayelet Waldman, *The New York Times Book Review* "Moving, audacious, and indelibly human." —Entertainment Weekly, "A" rating *The New York Times* bestselling novel: an astonishingly visionary love story that imagines the forces that drive ordinary people from their homes into the uncertain embrace of new lands, from the author of *The Reluctant Fundamentalist* and the forthcoming *The Last White Man*. In a country teetering on the brink of civil war, two young people meet—sensual, fiercely independent Nadia and gentle, restrained Saeed. They embark on a furtive love affair, and are soon cloistered in a premature intimacy by the unrest roiling their city. When it explodes, turning familiar streets into a patchwork of checkpoints and bomb blasts, they begin to hear whispers about doors—doors that can whisk people far away, if perilously and for a price. As the violence escalates, Nadia and Saeed decide that they no longer have a choice. Leaving their homeland and their old lives behind, they find a door and step through. . . . *Exit West* follows these remarkable characters as they emerge into an alien and uncertain future, struggling to hold on to each other, to their past, to the very sense of who they are. Profoundly intimate and powerfully inventive, it tells an unforgettable story of love, loyalty, and courage that is both completely of our time and for all time.

The Wonderful Wizard of Oz Hesperus Press

Derived from a Buddhist funerary text, this famous volume's timeless wisdom includes instructions for attaining enlightenment, preparing for the process of dying, and moving through the various stages of rebirth.

[The Indies of the Setting Sun](#) University of Chicago Press

"The Rise of the Monkey King" is the first book in the "Journey to the West" series of stories by Jeff Pepper and Xiao Hui Wang. Other titles include "Trouble in Heaven", "The Immortal Peaches" and "The Young Monk". NOTE: This book is written in Traditional Chinese, the character set used primarily in Taiwan. The book is also available in Simplified Chinese, the character set used in mainland China. Sun Wukong, the Handsome Monkey King, is one of most famous characters in Chinese literature and culture. His legendary bravery, his foolish mistakes, his sharp-tongued commentary and his yearning for immortality and spiritual knowledge have inspired hundreds of books, television shows, graphic novels, video games and films. The full story of Sun Wukong's adventures is told in Journey To The West, an epic 2,000 page novel written in the 16th Century by Wu Cheng'en. Journey To The West is probably the most famous and best-loved novel in China and is considered one of the four great classical novels of Chinese literature. Its place in Chinese literature is roughly comparable to Homer's epic poem The Odyssey in Western literature. Wikipedia sums up the book's role perfectly, saying "Enduringly popular, the tale is at once a comic adventure story, a humorous satire of Chinese bureaucracy, a spring of spiritual insight, and an extended allegory in which the group of pilgrims journeys towards enlightenment by the power and virtue of cooperation." Journey To The West is a very, very long story, consisting of a hundred chapters. It is loosely based on an actual journey by the Buddhist monk Xuanzang who traveled from the Chinese city of Chang'an westward to India in 629 A.D. and returned 17 years later with priceless knowledge and texts of Buddhism. Over the course of the book Xuanzang and his companions face the 81 tribulations that Xuanzang had to endure to attain

Buddhahood. This book, The Rise of the Monkey King, covers the events in the first two chapters of this epic story. We learn how the little stone monkey is born, becomes king of his troop of monkeys, leaves his home to pursue enlightenment, receives the name Sun Wukong (literally, "ape seeking the void") from his teacher, and returns home to defend his subjects from a ravenous monster. Future books in this series will tell more stories from the life of this famous monkey and his companions. Because of this story's importance in Chinese culture, we've made every effort to remain faithful to the original while retelling it in simple language suitable for beginning Chinese learners at the HSK 3 level. We have tried to not add or change anything, though of course we've had to leave out a lot of detail. Wherever we had to use a word or phrase not contained in the 600-word HSK 3 vocabulary (which for example does not include the word "monkey"!) or that has not entered common usage since the HSK lists were created, those new words are defined in footnotes on the page where they first appear. New compound (multi-character) words and expressions are, whenever possible, chosen so that they use characters already in HSK 3. An English version of the story is included for reference at the end, as well as a complete glossary. In the main body of the book, each page of Chinese characters is matched with a facing page of pinyin. This is unusual for Chinese novels but we feel it's important. By including the pinyin, the English version and the glossary, we hope that every reader, no matter what level of mastery they have of the Chinese language, will be able to understand and enjoy the story we tell here. Our website, www.imagin8press.com, contains many helpful study aids, including links to other books you might enjoy.
