**Airports | Best Practices from Esri and Arora Engineers** Gis  
Integration To MaximoCoServ and Starboard Consulting recently  
partnered to develop a leak survey tracking solution that

integrates GIS and Maximo, and which offers significantly more intelligent asset management with spatially enabled data. Amy Tatum, Solutions Director with Starboard Consulting, recently joined Jason Dietrich, SDE Administrator with CoServ Electric and Gas, to discuss in more detail below how their gas leak tracking enterprise solutions integrate GIS with Maximo.

**Why Integrate GIS and MAXIMO Solutions ... - Starboard ...IBM Gold Partner -IBM Reseller and L1/L2 Support. DedicatedIBM Maximo Consulting Practice. Full-Serviceprovider of assessments, implementations, upgrades, integration, training and support. Focus on Utilities, City and County Governments, Public Works, Airports, Higher Education, Manufacturing Facilities Based in Longwood, FL, with clients across the U.S. Recognized implementer of Maximo Spatial and GIS Integrations.**

**INTEGRATING GIS AND MAXIMO MANAGEMENT**MaxGIS is Complete Solution for Integrating ESRI ArcGIS®and IBM Maximo®. Requirements. •ESRI. -ArcIMS or ArcGIS Server (map service) -ArcSDE (versioned geodatabase) -ArcGIS Editor •IBM Maximo. -Version 5.x or 6.x -Future support for 7.x •Database. -Oracle or SQL/Server. Core Modules. eMap Capabilities.

**Integrating IBM Maximo and ESRI ArcGIS to Effectively ...Basic setup to integrate IBM Maximo 7.6 Spatial with ESRI ArcGIS.** This video is part of a blog article I posted on my blog. To read the whole article, follow...Integrate Maximo with ArcGIS map service - basic steps ...SSP worked extensively with an Esri/ArcFM™ GIS integration to Maximo between the years of 2007 and 2011. Our participation was twofold. First, SSP won the contract to convert much of the asset data that had previously been managed only in the GIS into Maximo locations, assets, classifications, and work order history.
