Books, books, books! Judy's got books on the brain as she prepares for a totally RARE trivia competition. Has reading always been this exciting? Judy Moody is in it to win it. Win the Book Quiz Blowout, that is. Judy and her brother, Stink, are two-fifths of the Virginia Dare Bookworms, and they've been reading up a storm to prepare for Saturday's face-off against second- and third-grade readers from the next town. Judy's trying out all kinds of tactics, from hanging upside down like Pippi Longstocking to teaching herself to speed read *The Princess in Black*, and Stink has fashioned a cape of book trivia

sticky notes to help him remember all the penguins in *Mr. Popper's Penguins*. But when Judy, Stink, and their fellow teammates discover the other group has a fourth-grader (no lie!), they get a bit nervous. Are the Bookworms up to the challenge?

Woods Runner Houghton Mifflin Harcourt  
 Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and

psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops. **G.I. Dogs: Judy, Prisoner of War** Puffin Books

The minute she had opened the trunk, she knew there wasn't anything like hope in it. Just awful musty things, but each one with a kind of terrible dark halo around it. She picked up that piece of old lace. She saw that stain -- pale, brownish in color. She knew it was blood. Somebody's blood. There was violence in that trunk, and dark secrets, and she did not want to know them. Curious about the old homestead where she now lives, Jerry finds an ancient trunk in the basement that contains, among other things, an old piece of bloodstained lace, some letters, and a battered doll. The objects in the trunk have stories to tell -- stories about the Spanish Inquisition spanning nearly five hundred years and stories of secrets locked deep in the bloodlines of Jerry's ancestors. Kathryn Lasky's powerhouse novel is a dramatic historical saga that brings the reader face-to-face with some of the worst atrocities ever committed against humankind in the name of God. But above all, it is an unforgettable coming-of-age story about a girl who, in connecting with her own past and faith, is at last able to face her own demons and liberate not only herself but also future generations of her family from the long chain of suffering and silence.
