A Book on C Routledge

Eros: The Myth of Ancient Greek Sexuality is a controversial book that lays bare the meanings Greeks gave to sex. Contrary to the romantic idealization of sex dominating our culture, the Greeks saw

eros as a powerful force of nature, potentially dangerous, and in need of control by society: Eros the Destroyer, not Cupid the Inispid, fired the Greek imagination. The destructiveness of eros can be seen in Greek imagery and metaphor, and in the Greeks' attitudes toward women and homosexuals. Images of love as fire, disease, storms, insanity, and violence? Top 40 song cliché for us? locate eros among the unpredictable and deadly forces of nature. The beautiful Aphrodite embodies the alluring danger of sex, while femmes fatales like Pandora and Helen represent the risky charms of female sexuality. And homosexuality typifies for the Greeks the frightening power of an indiscriminate appetite that threatens the stability of culture itself. In Eros: The Myth of Ancient Greek Sexuality, Bruce Thornton offers a uniquely sweeping and comprehensive account of ancient sexuality free of currently fashionable theoretical jargon and pretensions. In its conclusions the book challenges the distortions of much recent scholarship on Greek sexuality. And throughout it links the wary attitudes of the Greeks to our present-day concerns about love, sex, and family. What we see, finally, are the origins of some of our own views as well as a vision of sexuality that is perhaps more honest and mature than our own dangerous illusions.

As the book has been designed strictly according to the NCERT Textbook of English Language & Literature for Class X and provides a thorough and complete coverage of the textbook based questions, it for sure will help the Class X students in an effective way for English Language & Literature.

Super 10 Sample Papers for CBSE Class 10 English Language Literature 2nd Edition

Benjamin-Cummings Publishing Company "Set in Aligarh in the early 1960s, after the dust of Partition has ostensibly settled, Topi Shukla is a story of two friends - one Hindu and the other Muslim." "Through the characters of people like Topi and Iffan, the novel looks at the lives of ordinary people trying to survive in a society that insists on a brutal conformity of behaviour. It is about individuals whose spirits are paralysed because they cannot conform, and about history's inability to teach mankind any worthwhile lessons."

"Language plays an important part in this narrative, operating almost as a character in its own right. Topi, as a Hindi bull in the Urdu china shop, invokes the historical stand-off between the two languages. The novel also explores the culture and psyche of Uttar Pradesh with its very Muslim Aligarh, its very Hindu Benares, and their exotic confluence in Lucknow."--BOOK JACKET.

A spellbinding new novel of contraband masterpieces, tragic love, and the unexpected legacies of forgotten crimes, Ayelet Waldman's *Love and Treasure* weaves a tale around the fascinating, true history of the Hungarian Gold Train in the Second World War. In 1945 on the outskirts of Salzburg, victorious American soldiers capture a train filled with unspeakable riches: piles of fine gold watches; mountains of fur coats; crates filled with wedding rings, silver picture frames, family heirlooms, and Shabbat candlesticks passed down through generations. Jack Wiseman, a tough, smart New York Jew, is the lieutenant charged with guarding this treasure—a responsibility that grows more complicated when he meets Ilona, a fierce, beautiful Hungarian who has lost everything in the ravages of the Holocaust. Seventy years later, amid the shadowy world of art dealers who profit off the sins of previous generations, Jack gives a necklace to his granddaughter, Natalie Stein, and charges her with

searching for an unknown woman—a woman whose portrait and fate come to haunt Natalie, a woman whose secret may help Natalie to understand the guilt her grandfather will take to his grave and to find a way out of the mess she has made of her own life. A story of brilliantly drawn characters—a suave and shady art historian, a delusive and infatuated Freudian, a family of singing circus dwarfs fallen into the clutches of Josef Mengele, and desperate lovers facing choices that will tear them apart—Love and Treasure is Ayelet Waldman's finest novel to date: a sad, funny, richly detailed work that poses hard questions about the value of precious things in a time when life itself has no value, and about the slenderest of chains that can bind us to the griefs and passions of the past. This eBook edition includes a Reading Group Guide.

Arihant CBSE Term 1 English Language & Literature Sample Papers Questions for Class 10 MCQ Books for 2021 (As Per CBSE Sample Papers issued on 2 Sep 2021)
Oswal Publishers

This book deals with the phonological event of final devoicing in a theoretical framework based on principles and parameters rather than rules. It refers to data coming almost exclusively from German (native and non-native items). The first chapter presents the 'raw facts', providing an outline of the sort of alternations and distributional restrictions on voicing to be accounted for. Previous treatments of final devoicing in German are discussed and evaluated in the second chapter. Chapters 3 and 4 provide an analysis of final devoicing in German couched in the framework of Government Phonology (GP), a phonological theory operating with principles and parameters. Some of the central tenets of GP are introduced at the beginning of chapter 3, and additional concepts of the theory are

explained as they become relevant to the discussion of final devoicing. The author argues that final devoicing should be interpreted as a phonological weakening process involving the withdrawal of autosegmental licensing from the laryngeal element L (which represents voicing in obstruents). This occurs in phonologically 'weak' environments, where, due to clearly definable prosodic conditions, only reduced autosegmental licensing potential is available. This analysis, developed with reference to the prestige variety of German (Hochlautung), is then extended to Northern Standard German, and the phonological differences between the two dialects are identified. In the final chapter, the author investigates whether final devoicing results in phonological neutralisation, as is often assumed in the literature. She observes that the GP account developed in chapters 3 and 4 is incompatible with this traditional view. This is desirable, since, among other things, the conflict between earlier phonological analyses and experimental studies of final devoicing can now be resolved.

The book that inspired the major new motion picture *Mandela: Long Walk to Freedom*. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's anti-apartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. *LONG WALK TO FREEDOM* is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life—an epic of struggle, setback, renewed hope, and ultimate triumph.
