"Wonderfully imagined and wonderfully written . . . Superb!" -- Lee Child Part Wolf Hall, part *The Name of the Rose*, a riveting new literary thriller set in Restoration London, with a cast of real historic figures, set against the actual historic events and intrigues of the returned king and his court ... The City of London, 1678. New Year's Day. Twelve years have passed since the Great Fire ripped through the City. Eighteen since the fall of Oliver Cromwell and the restoration of a King. London is gripped by hysteria, and rumors of Catholic plots and sinister foreign assassins abound. When the body of a young boy drained of his blood is discovered on the snowy bank of the Fleet River, Robert Hooke, the Curator of Experiments at the just-formed Royal Society for Improving Natural Knowledge, and his assistant Harry Hunt, are called in to explain such a ghastly finding—and whether it's part of a plot against the king. They soon learn it is not the first bloodless boy to have been discovered. Meanwhile, that same morning Henry Oldenburg, the Secretary of the Royal Society, blows his brains out, and a disgraced Earl is released from the Tower of London, bent on revenge against the King, Charles II. Wary of the political hornet's nest they are walking into – and using scientific evidence rather than paranoia in their pursuit of truth – Hooke and Hunt must discover why the boy was murdered, and why his blood was taken. *The Bloodless Boy* is an absorbing literary thriller that introduces two new indelible heroes to historical crime fiction. It is also a powerfully atmospheric recreation of the darkest corners of Restoration London, where the Court and the underworld seem to merge,

even as the light of scientific inquiry is starting to emerge ...

Irresistibly magnetic on stage, mesmerizing in movies, seven times an Academy Award nominee, Richard Burton rose from humble beginnings in Wales to become Hollywood's most highly paid actor and one of England's most admired Shakespearean performers. His epic romance with Elizabeth Taylor, his legendary drinking and story-telling, his dazzling purchases (enormous diamonds, a jet, homes on several continents), and his enormous talent kept him constantly in the public eye. Yet the man behind the celebrity facade carried a surprising burden of insecurity and struggled with the peculiar challenges of a life lived largely in the spotlight. This volume publishes Burton's extensive personal diaries in their entirety for the first time. His writings encompass many years--from 1939, when he was still a teenager, to 1983, the year before his death--and they reveal him in his most private moments, pondering his triumphs and demons, his loves and his heartbreaks. The diary entries appear in their original sequence, with annotations to clarify people, places, books, and events Burton mentions. From these hand-written pages emerges a multi-dimensional man, no mere flashy celebrity. While Burton touched shoulders with shining lights--among them Olivia de Havilland, John Gielgud, Claire Bloom, Laurence Olivier, John Huston, Dylan Thomas, and Edward Albee--he also played the real-life roles of supportive family man, father, husband, and highly intelligent observer. His diaries offer a rare and fresh perspective on his own life and career, and on the glamorous decades of the mid-twentieth century.

Drawing on the most important studies in psychology, human aggression, anthropology, and primatology, and on hundreds of original interviews conducted over a period of more than 20 years, this groundbreaking treatise urges women to look within and to consider other women realistically, ethically, and kindly and to forge bold and compassionate alliances. Without this necessary next step, women will never be liberated. Detailing how women's aggression may not take the same form as men's, this investigation reveals--through myths, plays, memoir, theories of revolutionary liberation movements, evolution, psychoanalysis, and childhood development--that girls and women are indeed aggressive, often indirectly and mainly toward one another. This fascinating work concludes by showing that women depend upon one another for emotional intimacy and bonding, and exclusionary and sexist behavior enforces female conformity and discourages independence and psychological growth.

_____ Welcome to the Winter Garden. Open only at 13 o'clock. You are invited to enter an unusual competition. I am looking for the most magical, spectacular, remarkable pleasure garden this world has to offer. On the night her mother dies, 8-year-old Beatrice receives an invitation to the mysterious Winter Garden. A place of wonder and magic, filled with all manner of strange and spectacular flora and fauna, the garden is her solace every night for seven days. But when the garden disappears, and no one believes her story, Beatrice is left to wonder if it were truly real. Eighteen years later, on the eve of her wedding to a man her late father approved of but she does not love, Beatrice makes the decision to throw off the expectations of Victorian English society and search for the garden. But when both she and her closest friend, Rosa, receive invitations to compete to create spectacular pleasure gardens - with the prize being one wish from the last of the Winter Garden's

magic - she realises she may be closer to finding it than she ever imagined. Now all she has to do is win.

From the highly acclaimed author of *The Photographer of the Lost*, a BBC Radio 2 Book Club Pick, comes a tale of a young war widow and one life-changing, sun-drenched visit to Cornwall in the summer of 1923... Esme Nicholls is to spend the summer in

Cornwall. Her late husband Alec, who died fighting in the war, grew up in Penzance, and she's hoping to learn more about the man she loved and lost. While there, she will stay with Gilbert, in his rambling seaside house, where he lives with his former brothers in arms. Esme is fascinated by this community of eccentric artists and former soldiers, and as she gets to know the men and their stories, she begins to feel this summer might be exactly what she needs. But everything is not as idyllic as it seems - a mysterious new arrival later in the summer will turn Esme's world upside down, and make her question everything she thought she knew about her life, and the people in it. Full of light, laughter and larger-than-life characters, *The Visitors* is a novel of one woman finally finding her voice and choosing her own path forwards. From the #1 New York Times bestselling author of *The 48 Laws of Power* comes the definitive new book on decoding the behavior of the people around you Robert Greene is a master guide for millions of readers, distilling ancient wisdom and philosophy into essential texts for seekers of power, understanding and mastery. Now he turns to the most important subject of all - understanding people's drives and motivations, even when they are unconscious of them themselves. We are social animals. Our very lives depend on our relationships with people. Knowing why people do what they do is the most important tool we can possess, without which our other talents can only take us so far. Drawing from the ideas and examples of Pericles, Queen Elizabeth I, Martin Luther King Jr, and many others, Greene teaches us how to detach ourselves from our own emotions and master self-control, how to develop the empathy that leads to insight, how to look behind people's masks, and how to resist conformity to develop your singular sense of purpose. Whether at work, in relationships, or in shaping the world around you, *The Laws of Human Nature* offers brilliant tactics for success, self-improvement, and self-defense.

The Female Eunuch Basic Books

DIV A tough Welshman, he was softened by the affections of a breathtakingly beautiful woman: she was a modern-day Cleopatra madly in love with her own Mark Antony. For quarter of a century, Elizabeth Taylor and Richard Burton were the king and queen of Hollywood. Yet their two marriages to each other represented much more than outlandish romance. Together, Elizabeth and Richard were a fascinating embodiment of the mores and transgressions of their time and even luminaries like Jacqueline Kennedy looked to them as a barometer of the culture. The enduring glamour, grandeur, drama and bravado embodied in the couple gave rise to the type of rabid gossip and wide-eyed adoration that are the staples of today's media. Using brand-new research and interviews – including unique access to Taylor herself, the Burton family, and Taylor's extensive personal correspondence – this ultimate celebrity biography is the gripping real-life story of a fairy-tale couple whose lives were even grander and more outrageous than the epic films they made. /div

A clothbound companion to Marina Abramovic's tribute to Maria Callas, a new performance that recreates the iconic opera diva's famous onstage death scenes An opera production conceived by the legendary performance artist Marina Abramovic (born 1946), *7 Deaths of Maria Callas* a continuation of the artist's lifelong meditation on the female body as a source of both power and pain. Here Abramovic turns her focus to renowned opera singer Maria Callas, whose stunning soprano voice captivated audiences around the world in the mid-20th century. Though she remains

one of opera's greatest singers, Callas' life was beset by struggle and scandal. Today, the opera diva is remembered for having been a figure of both talent and tragedy. Through a mix of narrative opera and film, Abramovic recreates seven iconic death scenes from the American-born Greek singer's most important roles--in *La Traviata*, *Tosca*, *Otello*, *Madame Butterfly*, *Carmen*, *Lucia di Lammermoor* and *Norma*--followed by an interpretive recreation of Callas' own death performed onstage by Abramovic herself. This clothbound volume serves as a companion to the live performance and provides insight into the conception, planning and execution of Abramovic's project, probing the many creative elements that make up this dynamic exploration of female suffering.

THE INSTANT NEW YORK TIMES BESTSELLER *CURRENTLY BEING DEVELOPED FOR TELEVISION BY TOMORROW STUDIOS* A dazzling biography of three of the most glamorous women of the 20th Century: Jacqueline Bouvier Kennedy Onassis, her mother Janet Lee Auchincloss, and her sister, Princess Lee Radziwill. "Do you know what the secret to happily-ever-after is?" Janet Bouvier Auchincloss would ask her daughters Jackie and Lee during their tea time. "Money and Power," she would say. It was a lesson neither would ever forget. They followed in their mother's footsteps after her marriages to the philandering socialite "Black Jack" Bouvier and the fabulously rich Standard Oil heir Hugh D. Auchincloss. Jacqueline Bouvier would marry John F. Kennedy and the story of their marriage is legendary, as is the story of her

second marriage to Greek shipping magnate Aristotle Onassis. Less well known is the story of her love affair with a world renowned architect and a British peer. Her sister, Lee, had liaisons with one and possibly both of Jackie's husbands, in addition to her own three marriages—to an illegitimate royal, a Polish prince and a Hollywood director. If the Bouvier women personified beauty, style and fashion, it was their lust for money and status that drove them to seek out powerful men, no matter what the cost to themselves or to those they stepped on in their ruthless climb to the top. Based on hundreds of new interviews with friends and family of the Bouviers, among them their own half-brother, as well as letters and journals, J. Randy Taraborrelli's book paints an extraordinary psychological portrait of two famous sisters and their ferociously ambitious mother.

Robert F. Kennedy's assassination in 1968 seems like it should be an open-and-shut case. Many people crowded in the small room at Los Angeles's famed Ambassador Hotel that fateful night saw Sirhan Sirhan pull the trigger. Sirhan was also convicted of the crime and still languishes in jail with a life sentence. However, conspiracy theorists have jumped on inconsistencies in the eyewitness testimony and alleged anomalies in the forensic evidence to suggest that Sirhan was only one shooter in a larger conspiracy, a patsy for the real killers, or even a hypnotized assassin who did not know what he was doing (a popular plot in Cold War-era fiction, such as *The Manchurian Candidate*). Mel Ayton profiles Sirhan and presents a wealth of evidence about his

fanatical Palestinian nationalism and his hatred for RFK that motivated the killing. Ayton unearths neglected eyewitness accounts and overlooked forensic evidence and examines Sirhan's extensive personal notebooks. He revisits the trial proceedings and convincingly shows Sirhan was in fact the lone assassin whose politically motivated act was a forerunner of present-day terrorism. *The Forgotten Terrorist* is the definitive book on the assassination that rocked the nation during the turbulent summer of 1968. This second edition features a new afterword containing interviews and new evidence, as well as a new examination of the RFK assassination acoustics evidence by technical analyst Michael O'Dell.

'Absolutely terrific' - Philip Gwynne Jones, author of the bestselling Nathan Sutherland series. 'D.V Bishop transports you to an utterly convincing 16th century Florence, where the best

and worst of human nature constantly circle each other in this tense mystery' S. G. MacLean Florence. Spring, 1537. When Cesare Aldo investigates a report of intruders at a convent in the Renaissance city's northern quarter, he enters a community divided by bitter rivalries and harbouring dark secrets. His case becomes far more complicated when a man's body is found deep inside the convent, stabbed more than two dozen times. Unthinkable as it seems, all the evidence suggests one of the nuns must be the killer. Meanwhile, Constable Carlo Strocchi finds human remains pulled from the Arno that belong to an officer of the law missing since winter. The dead man had many enemies, but who would dare kill an official of the city's most feared criminal court? As Aldo and Strocchi close in on the truth, identifying the killers will prove more treacherous than either of them could ever have imagined . . . *The Darkest Sin* is an atmospheric historical thriller by D. V. Bishop, set in Renaissance Florence and is the sequel to *City of Vengeance*.
