Gooney Bird Greene Three Books in One! Yearling Books

From two-time Newbery medalist and living legend Lois Lowry comes a moving account of the lives lost in two of WWII's most infamous events: Pearl Harbor and Hiroshima. With evocative black-and-white illustrations by SCBWI Golden Kite Award winner Kenard Pak. Lois Lowry looks back at history through a personal

lens as she draws from her own memories as a child in Hawaii and Japan, as well as from historical research, in this stunning work in verse for young readers. On the Horizon tells the story of people whose lives were lost or forever altered by the twin tragedies of Pearl Harbor and Hiroshima. Based on the lives of soldiers at Pearl Harbor and civilians in Hiroshima, On the Horizon contemplates humanity and war through verse that sings with pain, truth, and the importance of bridging cultural divides. This masterful work emphasizes empathy and understanding in search of commonality and friendship, vital lessons for students as well as citizens of today's world. Kenard Pak's stunning illustrations depict real-life people, places, and events, making for an incredibly vivid return to our collective past. In turns haunting, heartbreaking, and uplifting, On the Horizon will remind readers of the horrors and heroism in our past, as well as offer hope for our

future.

\* "A first-rate visual reframing: sensitive, artistically brilliant, and as charged as its enigmatic predecessor with profound challenges to mind and heart." --Kirkus, starred review Now in graphic novel format, Lois Lowry's Newbery Medal-winning classic story of a young boy discovering the dark secrets behind his seemingly ideal world is accompanied by renowned artist P.Craig Russell's

beautifully haunting illustrations.

**The Giver Movie Tie-In Edition** HarperCollins

Lois Lowry once again creates a mysterious but plausible future world. It is a society ruled by savagery and deceit that shuns and discards the weak. Left orphaned and physically flawed, young Kira faces a frightening, uncertain future. Blessed with an almost magical talent that keeps her alive, she struggles with ever broadening responsibilities in her quest for truth, discovering things that will change her life forever. As she did in *THE GIVER*, Lowry challenges readers to imagine what our world could become, how people could evolve, and what could be considered valuable. Every reader will be taken by Kira's plight and will long ponder her haunting world and the hope for the future.

**The Giver** Yearling

"Maggie understands that splatter for splatter's sake is boring. Psychopathy is boring. Coldness is boring. She's interested in feeling, and when her stories turn violent (as they frequently do), it's with a surreal emotional barbarity that distorts the entire world. You can mop up blood with any fabric. Maggie's concern is with the wound left behind, because the wound never leaves-it haunts. As a result, each of these stories leaves a wound of its own. Some weep, watching as you try (and fail) to recover. Others laugh. But never without feeling." -B.R. Yeager, author of *Negative Space* "And once finished, I felt like my tongue had been misplaced, guts heavy and expanded ... gums numb with a tongue that'd been put elsewhere, my mouth clean around a pipe weaving up through pitch and shadow ... and well past ready, primed for delight, waiting but knowing I had already been filled to skin; crying shit, hearing piss, fingernails seeping bile, pores

dribbling blood, soles slopping off and out to meet a drain mid-floor ..." -Christopher Norris, author of Hunchback '88

A Book of Memories St. Martin's Press
