Secrets of the Sprakkar Penguin

One of Oprah Daily's Most Anticipated Romances of 2022! A fake engagement brings together a lady with bold and daring dreams, and the heir whose heart she captured—perfect for fans of Bridgerton! Tall, dark, and brooding—to say that American Maxwell Crenshaw stood out in the glittering ballrooms of London is an understatement. He vowed never to set foot in England again, but when a summons from his father along with an ultimatum to secure his legacy has him crossing the Atlantic for the last time, reuniting him with the delectable Lady Helena March, he can't deny the temptation she presents. Or the ideas she inspires... Lady Helena March is flirting with scandal. Instead of spending her time at teas and balls in search of another husband, as is expected of a young widow, Helena pours her energy into The London Home for Young Women. But Society gives no quarter to unmarried radicals who associate with illegitimate children and fallen women, and Helena's funding is almost run out. So when the sinfully seductive Crenshaw heir suggests a fake engagement to save them both—him from an unwanted marriage and her from scorn and financial ruin—Helena finds herself too fascinated to refuse the sexy American. As their arrangement of convenience melts oh so deliciously into nights of passion, their deception starts to become real. But if Max knew the true reason Helena can never remarry, he wouldn't look at her with such heat in his eyes. Or might the Crenshaw heir be willing to do whatever it takes to win the one woman he's never been able to forget...

The Lady's Book Algora Publishing

Today's woman wants to make a success of both family and career and is unwilling to compromise on either. But the burden of coping with deadlines, recalcitrant children, lazy husbands, difficult bosses and equally difficult in-laws can be daunting, even overwhelming. In this book, Apurva Purohit, CEO of Radio City 91.1 FM, shows how women can accept, adapt and achieve their way to the highest rung in every arena. Through real-life stories and funny anecdotes, she provides pithy tips on a multitude of topics: from training husbands to training interns, from the right attitude to getting it right with kids, from dealing with household crises to office emergencies, from building a reputation to paving one's way to the top. Warm, witty and empathetic, 'Lady, You're Not a Man' is a must-read for every woman on the quest for work-home balance and determined to succeed in her career and live a happy and fulfilling life.

The Lady is Not for Borning New Issues Poetry and Prose

The Canadian first lady of Iceland pens a book about why this tiny nation is leading the charge in gender equality, in the vein of *The Moment of Lift*. Iceland is the best place on earth to be a woman—but why? For the past twelve years, the World Economic Forum's Global Gender Gap Report has ranked Iceland number one on its list of countries closing the gap in equality between men and women. What is it about Iceland that enables its society to make such meaningful progress in this

ongoing battle, from electing the world's first female president to passing legislation specifically designed to help even the playing field at work and at home? The answer is found in the country's sprakkar, an ancient Icelandic word meaning extraordinary or outstanding women. Eliza Reid—Canadian born and raised, and now first lady of Iceland—examines her adopted homeland's attitude toward women: the deep-seated cultural sense of fairness, the influence of current and historical role models, and, crucially, the areas where Iceland still has room for improvement. Throughout, she interviews dozens of sprakkar to tell their inspirational stories, and expertly weaves in her own experiences as an immigrant from small-town Canada. The result is an illuminating discussion of what it means to move through the world as a woman and how the rules of society play more of a role in who we view as equal than we may understand. What makes many women's experiences there so positive? And what can we learn about fairness to benefit our society? Like influential and progressive first ladies Eleanor Roosevelt, Hillary Rodham Clinton, and Michelle Obama, Reid uses her platform to bring the best of her nation to the world. *Secrets of the Sprakkar* is a powerful and atmospheric portrait of a tiny country that could lead the way forward for us all. *'Lady, You're Not a Man!'* Xlibris Corporation

We've all seen her. She's hunched forward, her blue hair is tucked neatly under a plastic rain bonnet, she's clutching expired coupons, and she's discussing her latest health problems over lunch. She's a little old lady . . . and she's coming your way at 2 m.p.h. Little old ladies have elastic waistbands on all their slacks. They save rubber bands, remember 15-cent McDonald's hamburgers, and have never seen a public rest room that was clean enough. How Not to Become a Little Old Lady (the mini version) is for any woman who is proud to have escaped little old ladyhood, and it's the perfect, lighthearted gift to give women in danger of slipping into those awful little old lady tendencies. The charming illustrations from Adrienne Hartman perfectly capture the senior syndrome. Say good-bye to little old ladies who pass off their liver spots as beauty marks and say hello to this fresh and fun gift book.

In this acclaimed political biography, Hugo Young traces Thatcher's journey from her apprenticeship under Harold Macmillan and her participation in the government of Edward Heath, to her unquestioning destruction of the Conservatism of the 1950s and 1960s and her emergence as a senior stateswoman of the Western world. Drawing on his first-hand experience of covering British politics during the 1970s and 80s, Young presents unique insight into Margaret Thatcher's final term and the astonishing story of her fall. Richly detailed, intimate and with a full assessment of her historical importance, this is the ultimate portrait of Britain's first female Prime Minister and her influence on British politics. 'Hugo Young's wonderfully deadpan biography scrutinises our domestic version of a banana-republic supremo. To be read through twice - and carefully kept for reference' Norman Lewis, Daily Telegraph 'Young tells the Thatcher story with fairness and natural elegance, and constructs a rich and subtle portrait' Peter Jenkins 'The best book on Mrs Thatcher and the

modern Conservative period' Malcolm Rutherford, Financial Times 'A remarkable portrait of the most partisan, embattled prime minister of modern times' Sunday Times 'a magnificently authoritative work, a textbook to its epoch . . . In its explanatory power, this book is outstanding: a tour de force of political commentary' Spectator

"This new novel of the Change is quite probably the finest by an author who has been growing in skill and imagination for more than twenty-five years." – Booklist (Starred Review) Rudi Mackenzie has journeyed long and far across the land that was once the United States of America, seeking the shore where the sun rises, hoping to find the source of the world-altering event that has come to be known as the Change. His quest ends in Nantucket, an island overrun with forest, inhabited by a mere two hundred people, who claim to have been transported there from out of time. Only one odd stone house remains standing. Within it, Rudi finds a beautifully made sword seemingly waiting for him. And once he takes it up, nothing for Rudi—or for the world that he knows—will ever be the same...

Once upon a time, there was a little old lady who was not afraid of anything! But one autumn night, while walking in the woods, the little old lady heard . . . CLOMP, CLOMP, SHAKE, SHAKE, CLAP, CLAP. And the little old lady who was not afraid of anything had the scare of her life!

The Lady Tempts an Heir Thomas Nelson

The untold story of Blanche Knopf, the singular woman who helped define American literature Left off her company's fifth anniversary tribute but described by Thomas Mann as "the soul of the firm," Blanche Knopf began her career when she founded Alfred A. Knopf with her husband in 1915. With her finger on the pulse of a rapidly changing culture, Blanche quickly became a driving force behind the firm. A conduit to the literature of Langston Hughes and the Harlem Renaissance, Blanche also legitimized the hard-boiled detective fiction of writers such as Dashiell Hammett, James M. Cain, and Raymond Chandler; signed and nurtured literary authors like Willa Cather, Elizabeth Bowen, and Muriel Spark; acquired momentous works of journalism by John Hersey and William Shirer; and introduced American readers to Albert Camus, André Gide, and Simone de Beauvoir, giving these French writers the benefit of her consummate editorial taste. As Knopf celebrates its centennial, Laura Claridge looks back at the firm's beginnings and the dynamic woman who helped to define American letters for the twentieth century. Drawing on a vast cache of papers, Claridge also captures Blanche's "witty, loyal, and amusing" personality, and her charged yet oddly loving relationship with her husband. An intimate and often surprising biography, *The Lady with the Borzoi* is the story of an ambitious, seductive, and impossibly hardworking woman who was determined not to be overlooked or easily categorized.

How Not to Become a Little Old Lady Harper Collins

For millions of people around the world, Carol Brady is synonymous with motherhood, but growing up as the youngest of ten children in rural Indiana in the aftermath of the Great Depression, Florence Henderson lived a life quite different from that of the quintessential TV mom she later played on television. Florence's father was a dirt-poor tobacco tenant farmer who was nearly fifty years old when he married Florence's twenty-five-year-old mother, and was nearly seventy when Florence was born. Florence's childhood was full of deprivation and abandonment. Her father was an alcoholic at a time when there was no rehab or help for the disease. Their home rarely had electricity or running water. When she was twelve, Florence's mother left the family to work in Cleveland and never returned. Florence opens up about her childhood, as well as the challenges she's faced as an adult, including stage fright, postpartum depression, her extramarital affairs, divorce, her hearing loss, and heart problems. She writes with honesty and wisdom of how her faith and ability to survive has brought her through rough times to a life of profound joy and purpose.

Volume Three of the Notting Hill Trilogy A comedy adventure set in 1976 centred on an elderly widow of an eminent archaeologist who instigated the discovery of some penny black stamps hidden around London. Mrs. W has been asked to host an arts programme on the BBC. In doing so, she travels around the Middle East and Europe looking for artefacts, together with her nurse, her lodger, an ex SAS man, a business manager with a criminal past and one or two other odd travelling companions, plus the camera crew. They come up against a criminal outfit that is keen to discover some of the clues she unravels, which could lead to the whereabouts of some art treasures, lost for many years. The local institutions of the Governments concerned insist that their own representatives follow, who prove to be unaware of the lady's determination. A series of blunders occur, which put her and her companions at risk. After many adventures, the matter draws to a close, with unsuspected results.

The Lady's Not for Burning, an Unusual Comedy by Christopher Fry Harlequin

Don't let her age fool you. Maud may be nearly ninety, but if you cross her, this elderly lady is more sinister than sweet. Just when things have finally cooled down for 88-year-old Maud after the disturbing discovery of a dead body in her apartment in Gothenburg, a couple of detectives return to her doorstep. Though Maud dodges their questions with the skill of an Olympic gymnast a fifth of her age, she wonders if suspicion has fallen on her, little old lady that she is. The truth is, ever since

Maud was a girl, death has seemed to follow her. In these six interlocking stories, memories of unfortunate incidents from Maud's past keep bubbling to the surface. Meanwhile, certain Problems in the present require immediate attention. Luckily, Maud is no stranger to taking matters into her own hands . . . even if it means she has to get a little blood on them in the process. *Includes cookie recipes*

The Princes of Persia HarperCollins

This first volume of Margaret Thatcher's memoirs encompasses the whole of her time as Prime Minister - the formation of her goals in the early 1980s, the Falklands, the General Election victories of 1983 and 1987 and, eventually, the circumstances of her fall from political power. She also gives frank accounts of her dealings with foreign statesmen and her own ministers.
